THE AGONY OF DAMIEN

Damien is a spirit in the spiritual realm; an evil Spirit that attaches itself to souls before they're released into the woman's womb. Let me explain this. Do you know that before you came in this world you used to live subconsciously in the spiritual realm? Yes! You used to live in the spiritual realm as a soul without a physical body and spirit.

Jeremiah 1:5 "Before I formed you in the womb, I knew you; before you were born I sanctified you; and I ordained you a prophet to the nations."

You existed even before you were born. The above verse proves that. These souls are taken care of demons and angels. When a woman conceives the so-called demons and angels are commanded by God to release these souls in a woman womb. That's how babes are formed. 1

Psalms 139:13 For You have formed my inward parts; You have covered me in my mother's womb.

Wow! There it is. It's a long topic so let me skip some parts and concentrate with my topic for today. So, the demon spirit that controls birth among sinners and those who hate God is Damien. Damien is a spirit that releases bad souls that are converted to babes. Let me tell you how it works. Have you noticed that there are children that come as curses and not blessing? There are children that when a mother gives birth to them, they end up passing through very bad issues in life. Some lose jobs, some separate with their spouses and some even die at birth bed; and many more bad things. These children are called in demonology as black sheep or the Damienic race. In the bible we call them the spells of Mephiboseth.

This is shocking? Consider a child that came in your family and then calamities follow. You'll note something. Such children normally excel in future but after both parents' demise. They also don't perform in school too much. But when they come in a family, they make sure everyone dies prematurely. The good example is the likes of former world leaders Idi Amin of Uganda. There is also this barbaric former Germany dictator Adolf Hitler. This two people were family less. Everyone in their family died prematurely. They didn't succeed in school, but became very successful in future. That's a good example to elaborate my point. So, the power behind them is this mighty demon Damien. People call their children's names they don't know their origin. Too sad! Let's go to the bible so that I explain this deeper.

2 Samuel 4:4 Jonathan, Saul's son, had a son who was lame in his feet. He was five years old when the news about Saul and Jonathan came from Jezreel; and his nurse took him up and fled. And it happened, as she made haste to flee, that he fell and became lame. So, his name was Mephibosheth.

Yes! There it is. Saul was a king. He had a son called Jonathan. All was well with Saul until this grand son was born. It is said that when this grand child was born, Saul and his entire family died. After sometime, this was the only child remained

in all the generation of Saul. Why did the Lord allow this bad omen from Damien to be born in royal family? It was because the Lord initially rejected King Saul. That's why He directed this black sheep of doom in Saul's family; to cause bad luck and doom in that family.

1 Samuel 16:1 Then the LORD said to Samuel, "How long will you mourn for Saul, seeing I have rejected him from reigning over Israel? Fill your horn with oil, and go; I am sending you to Jesse the Bethlehemite. For I have provided Myself a king among his sons."

If the Lord rejects you expect nothing but chaos. There are children you can deliver thinking that they're blessing but in the real sense, they may be divine vengeance upon you depending on the abundance of your sins. Don't just celebrate your children but inquire from God if they're truly a blessing or a curse. People have lost properties they have invested in for many years because they live with accursed in their houses. Praise the Lord family. Am I making any sense? The word of God is a word of hope. It's a word of reconciliation. How can you redeem your child from this yoke? It's impossible! You can't make straight what is crooked.

Ecclesiastes 1:15 What is crooked cannot be made straight, and what is lacking cannot be numbered.

Wow! But we have someone who can make straight what is crooked; one who can transform the treasures of darkness to be the treasures of light. Through Him all things are possible. This man is Jesus Christ. He is the only person who can grab your child from the hands of Damien. This can only happen through an anointed one of God. Yes! We call them carsists or a kasists. A carsist is someone whose voice is charmed by the blood of Jesus. Not every Christian can do this. Theology can't do this. Pastors can't do this. Prophets can't do this. And all Christian titles you know but only carsists. When you look around then discover that since you conceived that child of yours, things started changing from bad to worse in your life. Please take that child to a carsist without delay Remember ignorance has no defense. Do it before you perish. A carsist is a person whom the Lord has anointed with through the foundations of prophetic ministry. That has power and authority from Christ to undo all yokes and spells of darkness through utterances of blessings in one's life. Wow! Not everybody has power to bless. A blessing can only activate by the words from a carsist. A blessing can never be a blessing until it is spoken.

2 Samuel 9:1 Now David said, "Is there still anyone who is left of the house of Saul, that I may show him kindness for Jonathan's sake?" Out of David intervention, Mephiboseth was restored.

2 Samuel 9:3 Then the king said, "Is there not still someone of the house of Saul, to whom I may show the kindness of God?" And Ziba said to the king, "There is still a son of Jonathan who is lame in his feet."

2 Samuel 9:6 - 7 Now when Mephibosheth the son of Jonathan, the son of Saul, had come to David, he fell on his face and prostrated himself. Then David said, "Mephibosheth?" And he answered, "Here is your servant!" So David said to him, "Do not fear, for I will surely show you kindness for Jonathan your father's sake, and will restore to you all the land of Saul your grandfather; and you shall eat bread at my table continually."

Out of the words of a carlist, Mephiboseth was restored from grass to grace, from shame to fame, from gory to glory, from doom to bloom. WOW! THINK ABOUT IT! That's what happens when a carlist remembers you or thinks about you. Wherever he blesses you, these blessings come to activation. There are people who can never succeed in life because of the presence of damienic race in their homes. They seem to prosper for a while but latter fail. They seem to live in status quo; two steps ahead but five steps backwards. The problem may not be your wicked relatives or magicians but Damien. You're living with Damien in your houses without knowledge. Learn to sanctify your children's brethren and sisters. Where are Jobs of today?

Job 1:5 So it was, when the days of feasting had run their course, that Job would send and sanctify them, and he would rise early in the morning and offer burnt offerings according to the number of them all. For Job said, "It may be that my sons have sinned and cursed God in their hearts." Thus Job did regularly.

it's true but always remember the devil is an imposter. He fights day and night to imitate God. He really likes seeing people suffering. With those few remarks I seal in Jesus name. Remember in life you either conquer or perish. You can also be in this yoke unknowingly. Go ask your parents the events happened to you when you were born. Look at your children and see what happened when they were born. Did things start changing to a negative side when you conceived a certain child? No one if is innocent in this.

Hosea 4:6 My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being priest for Me; Because you have forgotten the law of your God, I also will forget your children.

If you reject knowledge you're doomed because even God in heaven will reject you. Many Christians thinks that Christianity is only based in prayers and fasting. There is this special part of Christianity called knowledge that we Christians are lacking. Once you lack, you'll become a sufferer or a Christian who lives in sweat. He who lives in a sweat is living in a curse. So, let's embrace knowledge and all will be very well soon.

Revelation 22:11 "He who is unjust, let him be unjust still; he who is filthy, let him be filthy still; he who is righteous, let him be righteous still; he who is holy, let him be holy still."

Revelation 2:7 "He who has an ear, let him hear what the Spirit says to the churches. To him who overcomes I will give to eat from the tree of life, which is in the midst of the Paradise of God." '

Sometimes family you have to thank God for having prophets among you. Because the knowledge the Lord is equipping you with is too great and mighty that no one can grasp. Not even professors of theology.

Psalm 139:6 Such knowledge is too wonderful for me; It is high, I cannot attain it.

So, we're really blessed in this house of God. We really have to thank God for His mighty revelations. The revelations I post here can't be found in any book anywhere; but in deeper fasting and prayers. So, keep on fasting and praying also so that the Lord may reveal His secrets to us. I want you people to grow also. Let's not take Christianity as routine it will be boring, but let's us explore it deeper do that it be full of fire always.

LETNOMANCY

This is also referred to as divination or magic through secrets. Letnomancers are those people who like meddling in people's secrets. They want to know everything about others. Yes, Deep and private things. Do you know that this is a form of magic? Do you have a friend, church member, neighbors, relatives and workmates who know all secrets and whose Job is to asking to know about people's affairs? You may a victim. This is hereditary magic that flows in your blood without your knowledge. Yes! It is a demon inside you, which torments you without your knowledge

If you meet such people, they like information about others but don't like other people knowing anything about them. They always go and when they discover someone was talking about them, but when they talk about others, they feel it good. Wow! They can go as far as bribing other people children's or nurses to inquire about their homes. This is a very serious demonic attack that invades them without their knowledge. This is Satanism to the highest level. People's affairs don't bother a sober man in anyway unless he or she is working in a profession to deal with them. Yes, like police, doctors, pastor's... Those who shout people affairs aloud. Affairs that don't bother them are witches without their knowledge. Let's see if we'll find this on the bible.

Luke 18:11 "The Pharisee stood and prayed thus with himself, 'God, I thank You that I am not like other men-- extortioners, unjust, adulterers, or even as this tax collector.

Luke 18:13 "And the tax collector, standing afar off, would not so much as raise his eyes to heaven, but beat his breast, saying, 'God be merciful to me a sinner!'

Luke 18:14 "I tell you, this man went down to his house justified rather than the other; for everyone who exalts himself will be abased, and he who humbles himself will be exalted."

Wow! If you read the above parable, you'll note that there are two characteristics here; one who really minded his business and the other one who minded

someone else's business. When they were in prayers the Pharisee was praying about someone secret but the tax collector was minding his own. In the latter end the tax collector was valid but the Pharisee was rejected.

That's what happens to gossipers. Most gossipers are stricken with poverty and lack. This is one of the yokes that the Lord strike them with. If you want to prove this go to slums or areas where people are congested; or where people like meddling in other people's affairs. You will discover that poverty rules such places. Same to residential apartments; where neighbors like sitting outside to talk about other neighbors. You'll find out that they are ruled by one demon called poverty and status quo. There is no progress for those who like unearthing people's secrets to gossip them. This is a demon in control. Yes! Those who know much including how many inner garments their neighbors have. What will that bother you with? It's none of your business! Such people's prayers can never ever be answered. And if they're answered is just for a while them, they go back to zero unless they're redeemed and delivered.

Some are busy liking your friend request just to investigate you; that's in social media. Some are very and keen to know who comes in and goes out of your house as if there are your watchers. This Satanism! I advise you people of you live in such environment please relocate before it's too late. There is no way you can prosper in the midst of savages. They'll always pull you down. Hmm...! That's why most people who live in such environment never prosper. There is no way the Lord can bless his children in Egypt. Start your journey of prosperity by relocating to places where people mind their businesses. That's the beginning of your elevation. Remember there is no elevation without separation. Yeah! That's divine law. It's unchangeable.

That's what happened in Egypt. When the wicked pharaoh arose, he started meddling in Israelites affairs. Immediately he started doing that, Israel's persecutions started. When the Israelites cried before the Lord, the order was relocation. Yes! The Lord sent Moses to tell them to relocate from Egypt to Canaan. Wow! No matter how great our Lord is, there are environments He can't bless you in unless you relocate. And if you have such friend's and you need elevation from God you either warn them or apply the chopping off philosophy of Jesus Christ.

Matthew 5:30 "And if your right hand causes you to sin, cut it off and cast it from you; for it is more profitable for you that one of your members perish, than for your whole body to be cast into hell.

Wow! There is no way darkness and light can tally.

2Corinthians 6:14 Do not be unequally yoked together with unbelievers. For what fellowship has righteousness with lawlessness? And what communion has light with darkness?

2Corinthians 6:15 And what accord has Christ with Belial? Or what part has a believer with an unbeliever?

Yeah! Two cannot walk together unless they agree. You better spend your money and live in a blessed environment than stay cheaply in accursed environment. Yes! Cheap in expensive! That's why rich and successful people spend a lot of money just to preserve their privacy. Privacy is another tool for prosperity. But poor are remaining poor because of publicity.

BIBLIOMANCY

This is magic through the word of God. Yes! Magic through the bible! There are some prophets that use the bible in wrong way. Have you ever been to a minister of God calling himself a prophet, and then he/she instructs you to open the bible? After reading the place you opened, she/he prophecies to you.

This Bibliomancy is very common. It's also practiced in many forms. Yes! I want to explain this in series. This is one of the toughest forms of divination. Are you aware that the devil is not scared with the written word but spoken word? Yes! The devil sometimes used biblical verses to perform his Oracle's. I can prove this.

Matthew 4:6 and said to Him, "If You are the Son of God, throw Yourself down. For it is written: 'He shall give His angels charge concerning you,' and, 'In their hands they shall bear you up, lest you dash your foot against a stone.' "

That's the devil quoting the bible. I once told you that you can use the truth to oppose the truth. That's what many satanic agents do. So, let's go deeper. I want to show how magic works through scriptures. By the end of this sermon you'll be in a position to know fake ministers. Many churches especially Pentecostal ones operate through magic.

I call them cults. They go as far as prophesying and healing people through the word of God, but the power behind them is not God but magic. Give me your ears and eyes and I'll expand your knowledge.

ALEKTYOMANCY

This is divination by cockerel. Yes, roosters and cocks. There is this normal practice that happens in many regions. When you visit homesteads especially of old people, they give you cockerels. Or slaughter them for you.

Some especially ladies when married or visits their respective homes, their old parents give their grandchildren cockerels as gifts. Have you ever experienced that??? Or someone promises to give you a cockerel especially your old kinsman. Some dream of cockerels often. Do you know what is the meaning of all this?

Some are told by their mother's in law to feed cockerels at a specific time. Especially witch mother's in law. Some even dream giving cockerel food at night. When experience such things please give me your ears. All this we call Alektyomancy.....

BUMPOLOGY

This is divination by bumps in your body. This type of magic is very lethal. It affects ladies more than men. It happens when someone envies a lady and curses her through salt and pepper. Yes, the people who do this can be your teacher, neighbors, friends, relatives at home...etc. When they see you and envy you, they can either borrow you salt or sugar. Then they go to curse you with them. The person cursed develops some funny bumps in skin. Bumps which look like stretch marks and are mostly found around the stomach, thighs, buttocks and other private parts. Most people don't know that this is magical spells. Once they develop, you can never ever get married. Yes, they're a sign of rejection. These bumps are used by demons of rejection to make the culprit a reject Waa!

That's why some ladies are almost giving up in dating. Because they see nothing, but disappointment in every relationship they encounter. But please don't confuse these bumps with normal ones that come naturally, though they look similar. Ladies who develop bumps in their skin that came out of *bumpology* are really suffering rejection. They really wish to get married but in vain. There are people who were culprit of this in the bible.

Job 2:7 Then Satan went out from the presence of the LORD, and struck Job with painful boils from the sole of his foot to the crown of his head.

Yeah! the term 'boils' is translated as bumps in Hebrew. We see after Satan struck job with bumps; he was rejected by his own loving wife.

Job 2:9 Then his wife said to him, "Do you still hold to your integrity? Curse God and die!"

Yes, this thing is not only for ladies but men also. Once they strike you can never find any favor wherever you go. Though they may be hidden inwardly but their effects speak loudly. Please it's good to give, but let me advice you. It's not good to give people salt and sugar that comes from your house or hands. Some people are very dangerous. There are some things that is very shameful, especially to share with others but are real. *'Mficha uchi hazai.'* If you're a culprit don't think you're suffering alone. Many people are suffering with you. It's normal. I can many people here suffering from this menace. Yes, go to your wash room or bed room and start looking unto your body. You'll be shocked. Yes, it's simple.

Luke 9:26 "For whoever is ashamed of Me and My words, of him the Son of Man will be ashamed when He comes in His own glory, and in His Father's, and of the holy angels.

That's for the shy. Eish! Truly people are really suffering. Lack of knowledge is extremely dangerous. When someone does this magic to you, the person grabs your life, especially your health and love life. You may be suffering and struggling to find love, but someone somewhere is enjoying a relationship that was made to be yours. Too bad! You may be struggling to keep your body fit and healthy but

someone has grabbed it through *bumpology*. It's too sad! Someone is enjoying beauty that was made to be yours.

Hosea 4:6 My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being priest for Me; Because you have forgotten the law of your God, I also will forget your children.

Ignorance has no defense. If you lack wisdom expect chaos. Yes, and you can do nothing about it. Facts are facts. But I'm not here to make you fear. I'm here to help you. These marks have meanings depending to where they are found.

1. When they are spotted in your butts it means instability in your relationships.

2. If there found in your outer part of your thighs or means no man or woman can be interested with you.

3. If they're found in the inner parts of your thighs it means you'll be getting men or ladies but they'll be running away after intimacy. And if you're married, you'll be begging your spouse to have intimacy with you.

4. If they're found in your stomach it means hatred wherever you go. The devil is a big liar. His mission is to kill steal and destroy.

I have just listed in brief, but there are many meanings. If you have been passing through the above issues in your life, call a meeting to yourself. But don't worry in God there is hope. We are more than conquerors. Jesus Christ overcame the world. How many of us have been passing through the above issues? Go to a private room and check yourself. You'll note that what I'm telling you is absolutely true. Yes, the whole truth and nothing but the truth. Observe your body very well. The bible says that your body is the temple of God.

Satan is an impostor and wants your body to be his temple also. That's why he is causing chaos. So, the issue may not be those who hate you buy you. Yes, the problem is in you.

CROSSING STARS LOVERS

These are type of people who can't fall in strong love relationships. These are type of people that can't get stable relationships. No matter what they try to do. The reason behind this is weak souls. Yes! Their souls are weak due to soul ties. Soul ties come in various ways. Remember soul ties are natural forces that bind people together that demons can take advantage to manipulate them.

1 Samuel 18:1 And it was so, when he had finished speaking to Saul, that the soul of Jonathan was knit to the soul of David, and Jonathan loved him as his own soul.

Wow! there it is. David's soul was knit to Jonathan's soul. The bible was talking about a soul tie between David and Jonathan. Soul ties normally come from sexual sins; masturbating with a man or a woman's picture in your mind,

admiring nude pictures in social media. That is through lust. That's why Christ said that if you look and desire a woman lustfully you have already committed adultery with her. Soul ties can also come through intense friendship; that's why the bible says that two cannot walk together unless they agree just like David and Jonathan. So, what are the side effects to soul ties?

The first one *is sexual sin*. That's why David was the greatest adulterer in the bible; because his life was haunted by a soul tie. Another one is *multiple sexual partners*. Another one is *masturbation*. Another one is *being yoked to non-believers*. When haunted by a soul ties you can never stand a healthy relationship in your marital life. They release poverty and rejection, unless you break them. Let's go to the process of breaking them.

1. You have to confess all your sexual partners who are not your husband and wife first to a man of God, or anyone you trust.

James 5:16 Confess your trespasses to one another, and pray for one another, that you may be healed. The effective, fervent prayer of a righteous man avails much.

2. Graphomancy meaning that you have to write their names down and pray repentance and separation. Yes! we call it write it down and God will make it happen. Graphomancy means divination by writing.

Revelation 1:19 "Write the things which you have seen, and the things which are, and the things which will take place after this.

3. The third stage is Augury. Augury means divination by fire and smoke. You have to burn the names in the paper you wrote. Then after this you scatter the ashes then denounce all this pervasiveness by saying you're free in Jesus almighty name. After that you're free to present peace offering to Christ Jesus almighty. That's it only that and nothing more

Wow truly sin is expensive! Those who are single and passing through self-denial out of their past sexual escapades try this and see the difference. With those few remarks, be blessed.

SPIRITUAL METER

This is the spiritual devil that is used by God to measure our spiritual life. It's also called the eyes of God. In the language of God is called *Tekel*. It's what measures our spiritual quotient.

Daniel 5:27 "Tekel: You have been weighed in the balances, and found wanting;

There it is! Your spiritual value is not measured by the title you use. It is not measured by the gifts you're operating in. You can be a pastor, a bishop, a prophet or any church leader title you call yourself, but your spiritual balances are wanting before the Lord. The spiritual meter is only measured by one thing.

That is spiritual diet. Your gifts and titles can't take you to heaven. You can prophecy, rebuke demons, pray, fast but still go to hell.

Matthew 7:22 "Many will say to Me in that day, 'Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?'"

Matthew 7:23 "And then I will declare to them, 'I never knew you; depart from Me, you who practice lawlessness!'"

Wow! There it is. Don't think that all prophets will go to heaven. Neither all pastors nor all other ministers will go to heaven. Heaven belongs to the wise. Only the wise who know how to eat this spiritual diet are the ones who qualify to enter the kingdom of God.

Matthew 7:24 "Therefore whoever hears these sayings of Mine, and does them, I will liken him to a wise man who built his house on the rock: The wise are those who hear the word of God and do them; not only hearing but doing it."

That's the perfect diet that gives health to your spiritual body. That it's weight may not want before the Lord. Many Christians are suffering from spiritual malnutrition. Many Christians are suffering from spiritual deficiencies. That's why they're not growing well spiritually. When you lack spiritual diet, you lack spiritual nutrients to make you grow healthy spiritually. These are people who go to church and pastors to carry stupid information from them instead of interceding for them; because their minds are suffering from adequate supply of nutrients that could help them reason. If you spot immature people who gossip their pastors and churches, this is due to side effects of spiritual deficiencies from lack of spiritual diet. Wow! Those Christians who like judging other Christians as if they're God; those Christians who thinks they're holy than thou.

Matthew 7:2 "For with what judgment you judge, you will be judged; and with the same measure you use, it will be measured back to you."

What you do will come back to strike you. The seed you plant that you must reap.

Matthew 7:3 "And why do you look at the speck in your brother's eye, but do not consider the plank in your own eye?"

Matthew 7:5 "Hypocrite! First remove the plank from your own eye, and then you will see clearly to remove the speck out of your brother's eye."

They do not judge themselves but others. They know the entire good and bad pastors. They go as far knowing who is going to heaven or hell. These are spiritual mental disturbed Christians due to lack of spiritual diet. No balance spiritual diet, you're a spiritual fanatic, or a spiritual mad man or woman. Please don't talk about another man spiritual from a negative perspective. Who told you that you're God? Who made you judge?

Matthew 7:1 "Judge not, that you be not judged."

If you're a man of God and you don't eat spiritual balance diet, you are finished! It's terrible! It's terrible! How can you be a man of God yet your Job is criticizing other men of God? In the eyes of God, we're all equal. Be it a prophet or that person who got saved three seconds ago. So, it doesn't make any sense to judge others. Wow! Think about it. This deficiency causes lack of spiritual stamina in time of facing spiritual opponents. It's very dangerous to be spiritual wanting in terms of nutrients. There is no way you can grow health wise spiritually. Grow! Stop being a spiritual babe for years. Spiritual growth won't cause you anything. You need it!

1Corinthians 13:11 When I was a child, I spoke as a child, I understood as a child, I thought as a child; but when I became a man, I put away childish things.

Put away childishness and start eating spiritual diet that will give your body spiritual stamina; to give you power in all spiritual battles you engage yourselves in.

SCARPAMANTEIA

What is *scarpamenteia*? It's a form of magic that it's done through old leather; especially those from old shoes. Wearers of *mitumba* shoes hope you're here. After this sermon you'll never wear old *mitumba* shoes again. *Scarpamenteia* is an *Italian word* translated in English as *scarpomancy*. That's according to divinity studies.

This is a type of magic that bind people who hordes or keep old leathers in their houses. Especially shoes and bags; when you keep old shoes and bags made of leather, they bind you to poverty and confusion. They also attract demons of poverty and joblessness. Once you keep old leather in your house expect lack of food, Lack of money and lack of growth if you're a business man.

Mark 2:22 "And no one puts new wine into old wineskins; or else the new wine bursts the wineskins, the wine is spilled, and the wineskins are ruined. But new wine must be put into new wineskins."

Wow! There it is. That's why Christ recommended new leather skin. This issue of old shoes and leather bags from to be dumped in Africa originated from Italy; the champions of fashion and design. They did this as a form of magic to bind and bewitch Africans to be poor and always in want. They import new leather from as then return it as old in form of second hand outfits. Once you purchase this outfits you become a culprit of poverty.

Ask yourself how comes they don't dump these products in Europe? Cheap is expensive! Don't go for cheap things. Cheap is very expensive! That's why most of second hand clothes buyers are struggling in life. If you monitor even those who trade on these stuffs, some get a lot of money but they don't fit to the standard of the money they have. They look pale (*kuparara*) because they're charmed unaware. Yes! Look Into their families, they look confused. So, if you're in this

business and you are a buyer of these stuff, make sure you pray and sanctify your goods before you sell, buy or wear.

It's a long topic but let me stop here. So, if you have any old leather attire in your house that you're not using, plant a seed. *If it's not meeting a need plant a seed.* Don't keep old leathers shoes and bags on house. They're binding you. They're attracting poverty on your house. Dump them or give them out. Don't put old wine skin in your houses. Why do you hoard? Why do you hoard valueless things in your house? That stands as a symbol of curses and poverty in your house. Liberate yourself from mental slavery. *This is the reason why people who are addicted to second hand outfits can never trust new products from shops.*

GELOSCOPY

This is a type of magic that affects people when they laugh. It's a magic done when the magician spell is thrown to you but can only affect you when you laugh. That's why the bible warns people against hanging around with scorners.

Psalm 1:1 Blessed is the man Who walks not in the counsel of the ungodly, Nor stands in the path of sinners, Nor sits in the seat of the scornful;

This type of magic is widely practiced by politicians and comedians. Anytime you see or hear politicians politicking you will note that they like making fun of other politicians to make you laugh. The moment you laugh at their jests you're trapped. This is what leads to sycophantic hooliganism and worship of political gurus. Yes! That's what their magicians tell them after bathing and smearing magical concoctions in their lips.

Ecclesiastes 2:2 I said of laughter, "It is madness"; and of mirth, "What does it accomplish?"

This is the reason why some people go mad anytime they see some politicians politicizing. As the above verse says, if you monitor the world of our politics, you'll discover that the comic the politician is the more loved and powerful he/she becomes. But the serious they are the powerless they become. That's why even if you know that some politicians are not performing but you just find yourself voting for them. It's because you once laughed at his/her jests and you're already bound by them. So, you can't escape his/her authority no matter what. Wow! Think about it. Truly politics is a dirty game. That's why I normally tell you guys that as believers we don't have to take sides in politics but stand up for Jesus; so that He gives us the real leaders by His grace.

This spell also affects people who laughs and likes too much comedy. There is a very famous politician in Kenya who practices this form of magic, which has gone as far as fantasizing innocent citizens. Anytime people see him in television they glue their eyes there. Some are going as far as sacrificing everything for his programs. Others go as far as going in debts to follow him wherever he goes. Truly laughter is madness!

But at the end of the day they succumb in sexual sins, STDS and spirits of rejection. Be warned family! The devil is for real. This issue has made people impoverished some comedians and politicians. Don't be fooled. Don't make them fool you.

Hosea 4:6 My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being priest for Me; Because you have forgotten the law of your God, I also will forget your children.

If you lack knowledge you're destroyed. In Christianity you either conquer or perish.

Deuteronomy 30:19 "I call heaven and earth as witnesses today against you, that I have set before you life and death, blessing and cursing; therefore choose life, that both you and your descendants may live;

So, it's you to choose. You either chose blessing or curses. But note this I have not said all comedians and politicians, but some. Please don't misunderstand me.

Revelation 22:11 "He who is unjust, let him be unjust still; he who is filthy, let him be filthy still; he who is righteous, let him be righteous still; he who is holy, let him be holy still."

1Peter 4:3 For we have spent enough of our past lifetime in doing the will of the Gentiles--when we walked in licentiousness, lusts, drunkenness, revelries, drinking parties, and abominable idolatries.

1Peter 4:7 But the end of all things is at hand; therefore, be serious and watchful in your prayers.

Revelation 22:20 He who testifies to these things says, "Surely I am coming quickly." Amen. Even so, come, Lord Jesus.

FANTAMOGORIA

This is a syndrome that affects people so much. It's where by someone lives in Disney world; in limbo and oblivion. Meaning one's life is defined by imaginations. Many people are living in imaginations, yet they confuse faith and imaginations.

Faith is substance of things hoped for through the word. It's the raw material that makes everything we need from God. Meaning faith, it's not imagination but a substance; something that lives. But *fantamogoria* is imaginations. Yes, mirages; images in one's mind. Once your life is controlled by fantasies, you're living a lie. We know very well who is the master of deception is. It's Satan! Many people are culprits of this. The devil is taking advantage of this to destroy them. Let me expose in series how many of us are living in fantasies and how the devil is tricking them to live in fantasies.

Fantasies are mere machinations that are influenced by the will of man and demons. Yes, those who live a lie; those who live fake lives. It's better to be a real you than a fake somebody. Here the list:

1. Motivational speakers

Motivational speaking is garbage. This is garbage that the devil is using to influence people to live positively without Jesus; expecting greatness out of myth and doctored stories. Remember what Christ said without him we can do nothing. So, you need him to do things.

Colossians 2:8 Beware lest anyone cheat you through philosophy and empty deceit, according to the tradition of men, according to the basic principles of the world, and not according to Christ.

Anyone who tries to make you happy or tell you things are okay without Christ is a hoax. Things are not good without Christ. Things can never change to your advantage without this mighty changer who is Jesus Christ only.

2. Wishes

This is the next mistake we do and the devil is using it as a trap to destroy people. Many people are wishing good things to happen in their lives without Christ, cheating themselves that their wishes are faith. No! Wishes are nothing, but fantasies. They can't change anything in one's life. But if you transform your wishes to prayer and faith backed up by the word of God, it produces results.

Psalms 37:4 Delight yourself also in the LORD, And He shall give you the desires of your heart.

Yes, so trust in the Lord first then your desires will be catered for. With those few remarks I seal in Jesus name.

NIGHTS OF DOOM

Have you ever waked up in the morning and find that you slept like a corpse, but when you wake up you feel very tired? Some sleep like corpses to the extent of not knowing what happened as they sleep. We call it half dead sleep. But still in the cause of the day they still feel sleepy. Some think that it's normal. Others think that it's all about sleep disorders. But I want to open our eyes.

Have you ever woken up at night and start thinking about your life to the negative side; to the extent of developing ulcers? Hmmm.... we call it paranormal attachments. Not everything that haunts us in the spiritual realm is demons. I'll explain and give scriptures to this. Let me try to explain this in series so that we understand.

This is a very critical topic. There are spirit beings that haunt human beings and affect their activities without their knowledge. Always remember lack of knowledge and perish.

Hosea 4:6 My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being priest for Me; Because you have forgotten the law of your God, I also will forget your children.

Yes! That's why we rebuke demons on daily bases but problems still recur, because we are champions of boxing the air. We don't know what we are fighting

1Corinthians 9:26 Therefore I run thus: not with uncertainty. Thus I fight: not as one who beats the air.

Do avoiding boxing the air by following me keenly. These are the forces that causes and turns your night to be nights of doom. We call them paranormal Spirits Attachments; meaning the attachment of spirit beings to human beings. There are as follows

1. Earth Bound spirits

These are spirits attached to natural resources like fire, water, wind and earth. When the Lord created the universe, He attached special spirit beings to control and safeguard the four above mentioned major natural features.

Genesis 1:2 The earth was without form, and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters.

Genesis 1:6 Then God said, "Let there be a firmament in the midst of the waters, and let it divide the waters from the waters."

There it is. Ooh sorry the spirit is telling me to discontinue. It seems this is a forbidden knowledge to air it in public. Please bear with me.

STOPPING THE SUN

The purpose of sun in God's creation was to control days and seasons. It's through the sun that the day and seasons are dominated.

Genesis 1:14 Then God said, "Let there be lights in the firmament of the heavens to divide the day from the night; and let them be for signs and seasons, and for days and years;

So, your time and seasons are controlled by the sun and moon; they have power and authority to execute changes in your life. There many people who think that it's Angels and demons that controls everything. That's not the way. There are natural things that the Lord gave supernatural power to control the universe. In other terms we call them forces of nature. Hmm...! Many Christians are delayed and frustrated because they don't understand divine principles of order and nature of existentialism. We pray about delay; we pray for divine direction concerning our plans. Some plan to do things after sometime and further put their desires in prayers but all in vain.

You have to know the reason and power of natural things that the Lord created and their influence to mankind. For example, when praying about a future need;

things like marriages, finances, children's.... etc. You must know that the sun is the king of physical future. Yes, and was given power and authority by God. So, you have to declare that the sun must stop until I achieve my goals. Yes! You have to command the sun through the Holy Ghost power that is if you want your prayer item to be answered without delay.

Joshua 10:12 Then Joshua spoke to the LORD in the day when the LORD delivered up the Amorites before the children of Israel, and he said in the sight of Israel: "Sun, stand still over Gibeon; and Moon, in the Valley of Aijalon."

Joshua 10:13 So the sun stood still, and the moon stopped, till the people had revenge upon their enemies. Is this not written in the Book of Jasher? So, the sun stood still in the midst of heaven, and did not hasten to go down for about a whole day.

Wow! If you want instant victory you have to go Joshua's way. When you do this the sun may not stand still natural but spiritually. When you fight and Keep on fighting, I'm telling you'll receive your miracle today. Learn this simple principle of stopping the sun any day when praying about your future anticipations. Before you tell God anything about your future in prayer, stop the sun first. Hmm...! The sun is very important creature in the spiritual realm; it has a lot of significance and supernatural abilities. That's why many false religions are worshiping it. I'm not telling anyone to worship it, but command it. The sun is the symbol of witness and it also seals natural deals on earth.

Psalms 121:6 The sun shall not strike you by day, Nor the moon by night.

The above verse means that the sun and moon strike those who God hates. In other terms it means they delay and frustrate times and seasons of those who lives in a curse. If you you'll not learn the art of stopping these two great luminaries in your life, expect nothing but chaos in your life. In Jesus almighty name I seal!

FOOD AND SPIRITUALISM

Let me share about the importance of food in your spiritual life. Between food and life, you'll notice that life came first before food; but food is what sustains life though it comes second. Therefore, no life no food and vice versa. These two are twin brothers. This message will look like magic to those who will not pray for discernment. But I hope the Holy Spirit will give you more insight to this. Ok let's start

Gen 2:16 And the LORD God commanded the man, saying, "Of every tree of the garden you may freely eat;

Genesis 2:17 "but of the tree of the knowledge of good and evil you shall not eat, for in the day that you eat of it you shall surely die."

If you observe the above two verses carefully, you'll notice that the LORD has commands on what to eat and what not to eat. As the story continued, you'll notice that when man ate what he was not supposed to eat, he died. Meaning his relationship with the Lord died. Most marriages are breaking, many people are living in curses and some are living in total rejection not because of demons but diet. There some food that when you eat you can never run out of problems, because they have powers that negates your developments.

Spiritualism always starts with your physical body. That's why it is said your body is the temple of God. If it's defiled expect the Lord to disappear from it. So, let me give you few examples of foods that can maim your life. To maim means to hurt. Let me start with variety of common foods that can help you build your spiritual life. These foods are common and worldwide. They can be found anywhere in the world; meaning the Lord we serve is not biased.

Onions

Cromniomancy is divination by onions. Do you know that there are types of demons called the Nephilims? These demons are mostly driven out by the food that we eat. So, whenever you eat an onion, you'll discover tears in your eyes due to the acidic gas they omit. Once that happens it affects Nephilims that are responsible for chaos and disasters like minor accidents in your house. That's why onions are universal.

Lemon

Lemons and oranges are universal. Do you know why? Hmm...! Lemons and oranges work like natural detox. They detoxify toxics which enables your spiritual mojo to flow and tap divine access.

Nile perch

This is specifically Nile perch (*mbuta*). Do research and you'll find out that people who eat Nile perch are most likely to prosper in relationships. They work as bonds and ties families. Families which ears perches stick together. Yeah! facts are facts.

Dagaa

Dagaa (*omena*) is a type of fish that mostly unleashes forces of poverty. Champions of dagaaa are champions of poverty. That's why dagaa is always found in poverty-stricken areas.

Pumpkins

They are very nutritious but the repercussion to its consumption is bitterness. They attract spirits of bitterness and divorce. Most people who cultivate this type of food are succumbed to divorce.

NB: PLEASE DON'T MISUNDERSTAND THIS. I'm not telling you not to eat what you normally eat. The observation type comes from my own personal revelations. Yes, they're based in deep revelations from God in fasting and prayers and not in theological observations. So, if ask this to any other men of God I don't think they'll give you a precise

Psalm 139:6 Such knowledge is too wonderful for me; It is high, I cannot attain it.

I'm teaching something. I'm I opening someone eyes. That's why it's very important to pray and sanctify food. Yes, that's why you must pray before you eat.

THE RED THIGH

The red thigh is a spiritual terminology meaning no relationship at all. There are people haunted by this syndrome. This syndrome affects people when they are haunted by a red demon called *Asmodeus*. This is the demon we celebrate on Valentine day. That's why people wear red attires that day in honor of *Asmodeus*. That's according to free masons' manifesto drafted by Alister Crowley in 1776.

When this demon is upon you, the following signs will confirm it. When you try to love someone but he/she disappoints you no matter what you do to win their hearts. When you try to make friends, they later turn against you. You always hook yourself up to unproductive friends. When your life is surrounded by parasites those people who want from you but they can't give you back. When people hate you and judge you negatively always wherever you go. Anytime you try to connect business deals that look like they're almost coming to pass, strange things happen and your deals flops. Anytime you meet people who can help you achieve something beneficial; they turn into cons and steal money from you mercilessly. When you break with your spouse's and they latter forget about you completely; to the extent of not giving a damn on how you do.

Let me give you an example of a woman who was haunted by this demon. This demon controls millions of lesser demons who work as his agents to torment children of God. It's red in color and a nephilim type of a demon; half man and half spirit.

Genesis 6:4 There were giants on the earth in those days, and also afterward, when the sons of God came in to the daughters of men and they bore children to them. Those were the mighty men who were of old, men of renown.

There is its origin. It came as a result of human beings' cohabitation with fallen Angels.

John 4:17 The woman answered and said, "I have no husband." Jesus said to her, "You have well said, 'I have no husband,'

John 4:18 "for you have had five husbands, and the one whom you now have is not your husband; in that you spoke truly."

Wow! There it is. I recommend you read the whole story of this Samaritan woman. She was forced on prostitution not because she wanted but because of this demon *Asmodeus*. Men use to prey on her and run away. No man was willing to stay with her. So, the only way for her survival was through prostitution. That's how *Asmodeus* works. Many ladies are forced into prostitution because of being used and dumped by men. Some are no longer trusting men anymore because of what they have gone through. That's why the bible says do not judge. You may not know what forces are fighting behind people curtains.

Most ladies who are haunted by this demon beg intimacy from their spouses. Some are always in debts. Most of them are paralyzed financially. It comes to pass that when a man marries them, he becomes a culprit also. If he was doing well financially, his resources begin to crumble. And if not careful, *Asmodeus* kills husbands of the women he haunts. Most ladies who are haunted by this demon must die widows; mostly at the age of 45 they automatically switch to widowhood. Too sad! Too bad! Please ladies don't take relationship crackdowns for granted. Don't take this crackdowns and mishaps in your relationship as normal. You have to dig super deeper. Inquire through your prophets to verify if you're safe or not. Failure to which, you're done. Facts are facts. You're running out of time. You either conquer or perish. If you are passing through breakdowns after breakdowns, call a meeting to yourself and look a way out of it. This demon is hereditary. It starts with your mother's to daughters then children children's.

Exodus 34:7 "keeping mercy for thousands, forgiving iniquity and transgression and sin, by no means clearing the guilty, visiting the iniquity of the fathers upon the children and the children's children to the third and the fourth generation."

Yes! What happened to your mother and aunties is most likely to happen to you. The above verse says that the Lord will never ever clear the guilt in any way. But the same verse says that the Lord is merciful and ready to forgive and redeem. So worry less there is a way out of this. I understand singleness is not admirable to ladies. No lady ever wants to be single. It's really traumatizing. But the chief who always come to kill steal and destroy is the force behind this. Most ladies who are culprits if this are perceived by men as sex toys. No man can be serious with them. Some when married, their husbands who were very good initially turn to be monsters and alcoholics, thus losing their consciousness. It's a result of *Asmodeus* spoiling them to torment these haunted ladies. Oh! Too bad!

The only power that can break this is the power from a prophetic ministry. That minister who operates in a prophetic anointing. That's why I told you that you need a prophetic covering

John 4:19 The woman said to Him, "Sir, I perceive that You are a prophet."

There you are. That's why I normally tell people that they need God. God doesn't need you; you need Him. No matter how beautiful you are, even if you have right curves as far as you're haunted by *Asmodeus* there is no way your relationship can work. Seek Christ and He will deliver you out. Out of great mess there is

greatness. I want to give you guys the way out of this menace. In Christ there is solution.

I can see some people here going an extra mile to witchdoctors so that they trap men to marry them but in vain. Some I see were given magical concoctions to bath with but in vain. Some are bribing men with money and gifts but in vain. Some are wearing skimpily to attract men but in vain. Some are bleaching themselves to be noticed by men but all is in vain. Stand up for Jesus and He will stand up for you. I can see some people crying while reading this. But I want encourage you that there is hope. You're not the problem but *Asmodeus* is. Demons do network.

Ephesians 6:12 For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.

More so, most ladies who are haunted by this demon are most likely to abort at least once on lifetime. It's not their wish, but they are pushed to this. It's *Asmodeus* who creates that environment so that they give him human sacrifice. Yes, there is no way you can serve the devil without blood sacrifice. You may think that you aborted by yourself but *Asmodeus* pushed you; so that it gets power to stay with you. That's why people abort pregnancies; Meaning giving human sacrifice to the mighty demon *Asmodeus*. Hmm...! Too bad! Facts are facts. There are many things associated to this demon that I don't want to expose because people will fill like committing suicide.

ENEMY IN THE PULPIT

There is this trend that has evaded our churches; this issue of motivational speakers. Churches are embracing this demonic idea and raising new age preachers called motivational speakers. This idea is pure demonic. There is nothing like motivational speakers in the gifts of the Holy Spirit. These speakers are telling people and preaching to people telling them that once you are good, your life is saved also; once you live morally upright all is well with you. They encourage people out of created stories or other people experiences who are not Christians. They try to tell us that you can thrive without the Holy Spirit! This is Satanism!

Any sermon preached that encourages people to live at peace without directing people to repentance and holiness is a scam. Don't take it! These speakers are loved by many because of their hypocritical defensive gospel. Most of them are learned. Yes, and are busy trying to intellectualize God. There is no way you can intellectualize God. You can't reveal God. You can't understand God. But is the Lord who reveals Himself to us.

2 Corinthians 11:3 But I fear, lest somehow, as the serpent deceived Eve by his craftiness, so your minds may be corrupted from the simplicity that is in Christ.

2 Corinthians 11:4 For if he who comes preaches another Jesus whom we have not preached, or if you receive a different spirit which you have not received, or a different gospel which you have not accepted, you may well put up with it.

They come with craftiness and doctored gospel cheating people that as far as you're living by grace, there is no need of repentance. This is deception! They cheat people that if you want to confirm you're blessed look at your material things. These are lies!

Luke 12:15 And He said to them, "Take heed and beware of covetousness, for one's life does not consist in the abundance of the things he possesses."

So material blessing is not a proof that you have God and going to heaven. Preachers of prosperity are preachers of doom.

2 Timothy 3:8-11 Now as Jannes and Jambres resisted Moses, so do these also resist the truth: men of corrupt minds, disapproved concerning the faith; but they will progress no further, for their folly will be manifest to all, as theirs also was. But you have carefully followed my doctrine, manner of life, purpose, faith, longsuffering, love, perseverance, persecutions, afflictions, which happened to me at Antioch, at Iconium, at Lystra--what persecutions I endured. And out of them all the Lord delivered me.

So, the true gospel has long suffering, rejection, lack, misunderstandings and all forms of calamities. But at the end there is victory. The founder of moralistic philosophy or motivational speakers was called *Socrates*, a Greek. It is said that he acquired all these ideas from a demon called *Beaur*. According to demonology, *Beaur* is the demon of mathematics and moral studies without God. That's where social studies came from. So, anything that is connected to motivational speaking without Christ come from the very centre of hell. Please beware!

2 Timothy 4:2-3 Preach the word! Be ready in season and out of season. Convince, rebuke, exhort, with all longsuffering and teaching. For the time will come when they will not endure sound doctrine, but according to their own desires, because they have itching ears, they will heap up for themselves teachers;

We are living in the last days. Don't be deceived. Let no one tell you that you need education, you need theology, you need money...to serve God. What God wants is your heart and commitment. You're enough the way you are. You are not only qualified to serve God but over qualified. We don't serve God by education, theology nor any other thing but by truth and spirit.

John 4:23 "But the hour is coming, and now is, when the true worshipers will worship the Father in spirit and truth; for the Father is seeking such to worship Him.

Yes, these are true and real worshipers. People who fast and pray. They do not worship to be seen by people. Those who are obedient and ready to follow the

word of God unchanged like you and me. Those who know they're sinners and not perfect but seek repentance anytime they sin.

MALICIOUS ENTITIES

This sermon is not for the faint hearted. It takes boldness and special wisdom to follow it. These beings really exist. Their mission is to kill, steal and destroy. Demons do exist. They are not fake but real! This is not a mere myth! It is a reality! They fight through thick and thin to enter people through free will and fear.

Judges 1:6 And the angels who did not keep their proper domain, but left their own habitation, He has reserved in everlasting chains under darkness for the judgment of the great day;

These creatures exist and it is time the truth should be exposed. Their traits Demons come through various forms and traits. They also have numerous characters and gender just like human beings. They work and operate in three; as a mockery of God the father, the Son and the Holy Spirit. When they enter someone, people may call him mad but in real sense, that person may be dealing with something natural. They also enter people in three stages.

1. Infestation

This is when the soul of a human being allows them at free will. This is through sin. Sin stands for Satan in nature. The most common sin that attracts demons to enter people is through sexual sin. This stage also includes the land that we live in or move to, satanic rituals and calling at demonic names, watching horror films and reading satanic materials and literatures, pornography and masturbation. Going into night clubs and listening to secular music also can open doorways for demons to enter someone.

2. Oppression

This happens when demons chose one member of a family or more. This happens when these entities discover that there is someone whose soul is less resistant. Who are easily deceived? Those who think they are less loved. Those who believe no one loves them, those who portray life from negativity. Such people normally experience funny occurrences; I'll list a few among thousands. When they're alone they feel or hear the following: Doors being knocked, bed shaking at night, screams and whispers at night, fear and anxiety, bed wetting and faceting...and many strange things. Sudden chills or cold is a common sign also. The most time of their operation is between 3 am to 4 am. But they like operating from 12 am to 4 am. 3 am is the melting point. That's the time when psychic power is released to the atmosphere, giving room to spirit beings to operate without barriers.

When the above hours arrive and you find yourself fearful, it may mean that you're possessed. Keep watching! The other simple thing this entities manifest is through foul smell. They really like smells of rotten eggs and meat. That's why if

you pass through a dumping site from 3 to 4 am and observe those places well, you're most likely to see demons in forms of dogs, rats and cats. They're very cunning and if you're not very spiritual, you'll just assume that the mentioned animals are just common dogs, rats and cats yet they're demons. They also see all and know all. That's why they can sometimes convert your fears into nightmares. This is why the bible normally warns us against fear. I advise people, not to confess their fears openly. That's why there are people whom when told dreadful or horror stories, they can't sleep. It's because these entities convert these stories into images at night to scare them and make them spend sleepless nights.

These entities are cunning; they don't have any physical body and they have no empathy for human beings. They target everybody hence they don't have a stereotype. Don't think they only target witches and villains but everybody i.e. women, children's and men. They don't target a specific group of people but everybody. But people who have strong faith in religion; be it false or Christianity, are at risk of higher target.

3. Possession

This is the final stage where they enter and live in your body. You can't specify how they enter or live in one's body, but they do. But the most important thing to know is that, these entities can never ever control or enter you without your free will. There are many ways to know if a person is possessed. The person who is possessed cannot know if he or she is possessed. Things people do out of their consciousness. Things like sleepwalking, outburst of anger without reasonable explanations. These entities have abnormal rage outbursts, to the extent of making the possessed eyes to turn into black. If you have a friend whose eyes turns into black when enraged, it means they are possessed. Levitation is the feeling of flying objects or strange things at night that can only be heard by the possessed.

The other way to know is excess strength; in all areas including sex and menial jobs at your work place or home. The other way is speech changes. Those people who speak different languages without proper explanation on how they learnt them. The other sign is Psychic Abilities; an ability of someone knowing things that happens in future yet he is not a spiritualist. Those whose instincts never cheat them: when they say something, it happens yet they're not spiritual. Another sign is hatred towards religious figures. Yes, those people who hate anything religion. Those who hate listening to gospel music, who hate pastors and are ready to confront and rebuke them, who hate Christians and any Christian materials and the like. The other one is tone changes. When somebody speaks with different tones and ability to change tones, like what comedians do. Even people who use drugs are culprits of tone changing. These things are universal.

So, there are things these entities fear apart from prayers and fasting. I want to expose what these entities fears the most. Yes, they're natural things. Let me list them in series:

1. Olive oil

When you take an olive oil and take it to a man of God to bless it.....

DEVIL'S SALESMEN

There are agents the devil is using to market his products in the world. These agents are not aware that the products they sell are from hell.

Hosea 4:6 My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being priest for Me; Because you have forgotten the law of your God, I also will forget your children.

Tonight, the Lord has just revealed to me about a demonic ratchet the devil is using to trap people in Satanism. There is this issue of supplements. People are allowed to join and sell medical products. They are advised to add others; being promised that the more they add people the more they earn points. More so, the more they earn points the higher the chances of flying to foreign countries and earn more money. Have you ever come across such things?

The supplements they sell are made up of human and animal feaces and magical concoctions. That's when you use them, they attach spirits to you. Have you asked yourself why these supplements are not sold or recommended by government medical practitioners? It's a scam operated by senior officials who are in this satanic organizations. Once you add your family members in this expect a catastrophe. You'll notice people dying one by one later in life.

These cartels that sell these so-called supplements know what they're doing is a sacrifice to the devil; making people dependent in these supplements. They also change people's genes and skin textures periodically. They say that these supplements have power to reverse your genes and give you power to live longer. This is pure deception from hell. It's a hoax! It's only God who has power to add or shorten your life span. Anything apart from this is a hoax.

The names attached to these organizations are forwarded to devil worship cults as quasi members. These people are later taken as sacrifice to *Jahbulon* the great demon of cults. Beware! Beware! Know your enemy the better to destroy him. Resist the devil and he will flee away from you. Always remember ignorance has no defense. Once your body becomes addicted to these supplements, it will reach a point you'll never live without them. More so, it will reach a point the body will never respond to normal medications. This will be the end of you especially when you run out of money. Remember the devil has no free gifts. If this people are genuine, why can't they market their products publicly like our common medicines? Why are they doing this privately? Think about it. They cheat people that their products are chemical free, but are full of toxics and magical concoctions that defiles not only physical but Spiritual part of you.

LOCATION

If you have been praying, fasting, giving... or been doing any religious obligation but have not yet received from God, you have to check on your location. Where you're determines your life.

When the Lord made Adam, he commanded him to fill the whole world. This means that man was created to explore. Not to sit in one place but to move around; to explore the whole world. Exploration is part of creativity.

Genesis 1:28 Then God blessed them, and God said to them, "Be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth."

Multiplication and abundance come out of location. If you're not willing to change your location, don't expect from God. You may be saved but you're not ready or willing to change your location. That's may be the reason behind your status quo. Change your location and the Lord will change your life. Location here indicates faith, prayers and things that matter to the service of God. The Lord we serve operates in the spiritual realm, whereas we operate in the physical realm. So, there is no way He can dictate your physical existence, because He is a democratic God. There are things that the Lord can't do in your physical existence without your consent. That's why the Lord needs you to use you.

When He called Abraham, he commanded him to change his position first. When the Lord wanted to deliver the Israelites out of the land of bondage, he commanded them to change their location. When the Lord plans anything in terms of delivering His people, He starts by telling them to change their locations. That's divine law before divine promotion. If you want to be happy, change the location of thought life. Change the location of your career, your negativity to positivity and nobility.

It's not a matter of the Lord not responding to your prayers, giving, fasting or commitments, but your location.

BEBETOS

Bebetos is the devil's most favorite demon. Please don't confuse this demon with *cronos*. Cronos is the demon of time, whereas *Bebetos* is the demon that directs people to time (cronos). According to demonology, *Bebetos* is a demon that tells people there is still time. It's widely referred to this famous slogan that people say 'time is a great healer'. This statement is a demonic statement from the demon *Bebetos*. Time can never heal and has no power to heal anything. The bible says Jesus Christ is the only healer. Jesus Christ is the only great physician. Anything apart from this is a hoax and demonic.

2 Chronicles 7:14 "if My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land.

Yes! Healing comes from God and not time. Healing comes when you call upon the name of God to forgive your sins; not time. Any fictitious healing that comes through time leave scars behind. That's why people say that *I'll forgive but never forget*. But when the Lord heals you, He lives a testimony behind. That's why we call Him *Jehovah Rophi* the Lord our healer.

Luke 9:1-2 Then He called His twelve disciples together and gave them power and authority over all demons, and to cure diseases. He sent them to preach the kingdom of God and to heal the sick.

It is through the power and authority of Jesus Christ that your sicknesses are healed; not time. That's why the bible says that your time of salvation is now or never. Salvation from poverty, singleness, rejection, lack, witchcraft and breakage of curses is now.

2 Corinthians 6:2 For He says: "In an acceptable time I have heard you, and in the day of salvation I have helped you." Behold, now is the accepted time; behold, now is the day of salvation.

It is now and not tomorrow, next week or on Sunday. But that demon *Bebetos* that keep on whispering into your ears that there is still time is wasting you. It is ruining you! Time can never ever wait for anyone. You need a miracle now. Don't allow to be wasted. The time to pray, to give and to fast is now. Don't postpone anything your heart desires from God. Keep on keeping on until you receive it. But if you bow down to *Bebetos*, you're done my friend. He will keep on playing mind games with you till you hit seventy years of voidness with nothing to smile about. This is your time.

The Lord that we serve is the Lord of the now. That's why He is omnipresent. Don't waste your time. Make sure you make your ways right with God. Make sure you're clean with your God. Make sure altars are raised and curses broken. There is nothing like there is still time. Enough time means no time at all. If there is anything the Lord demands from you do it now so that He saves you now. You

may be waiting for the Lord and the Lord is waiting for you also. God is never late. We are the ones who are late. We are the ones delaying our blessings and not God. Let's not blame Him but ourselves. Pray like you'll never pray again. Fast like you'll never fast again. Give like you'll never give again. And the Lord will make you live like you'll never live again. Wow! Think about it. Don't listen to *Bebetos* again at all. He is a thief who comes to steal, kill and destroy. Listen to Jesus Christ who is the Lord of the now who came so that you may have life and have it in abundance.

John 10:10 "The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly.

Wow! Abundant life is in Christ and Christ alone. Anything apart from this is a hoax. You don't need it. So, arise and take all risks it takes for your salvation. In all areas surrounding your life arise.

Isaiah 60:1 Arise, shine; For your light has come! and the glory of the LORD is risen upon you.

Arise and shine. It's you to arise, not Jesus Christ to wake you up. With those few remarks, I hope I have touched someone's heart.

VISION OF THE BLACK HOLE

The Lord showed me a very shocking vision today at noon. Please be attentive as I post it. Also make sure that this vision spreads to as many people as possible.

The Lord told me to go and meditate in my bed room. As I was in meditation, I was taken by the Holy Spirit to the heavens. As I was flying in the heavens, I saw a huge black hole. Afterwards, that hole was turned upside down. Then I saw strange and powerful demons coming out of it. I saw sicknesses and all forms of wickedness gushing out of that hole. I was shocked seeing that in the world there was darkness. The earth became blacker than hundreds of midnights down below the cypress swamp.

Eagerly I wished the morrow that I could see light again but in vain. Yes! That darkness covered the rays of the sun, moon and stars. Then I asked what is the meaning of all this? Despite that darkness, activities were going as usual on earth. People were living and some enjoying life as usual. After asking myself what was going on, I was taken back on earth back into my bed room.

After asking God to what was the meaning of all this in prayers, the Lord sent His angelic being through the power of the Holy Spirit to interpret the mighty revelation from God.

This is what the angelic being told me:

So, give me ears. The Angel told me that hole I saw was referred to as an abyss

Revelation 9:2 And he opened the bottomless pit, and smoke arose out of the pit like the smoke of a great furnace. And the sun and the air were darkened because of the smoke of the pit.

This is the hole I saw. This hole is where all evil goes. When we pray and cast out demons, sicknesses and all forms of evil, they all go and get trapped here. He kept on telling me; since that hole was turned upside down, all forms of evil have been poured on earth. Yes! Sicknesses and demonic forces have been poured to bring great tribulation on earth. There are laws that these demons will use our leaders to impose. Anti-bible laws like children forced to sex at a tender age, gaysm and lesbianism. People will be stricken with chronic diseases at a tender age. Abortion will be legalized. The great tribulation will be imposed here in Kenya then spread to the whole Africa.

Revelation 9:3-7 Then out of the smoke locusts came upon the earth. And to them was given power, as the scorpions of the earth have power. They were commanded not to harm the grass of the earth, or any green thing, or any tree, but only those men who do not have the seal of God on their foreheads. And they were not given authority to kill them, but to torment them for five months. And their torment was like the torment of a scorpion when it strikes a man. In those days men will seek death and will not find it; they will desire to die, and death will flee from them. And the shape of the locusts was like horses prepared for battle; and on their heads were crowns of something like gold, and their faces were like the faces of men.

These are what I saw. People will dare death but it will run away!!

DEDICATED FOOD

There is shortage of food in Kenya. The government has decided to partner with millers to subsidize the price of foodstuffs. Do you know what's happening in Kenya? Ask yourself, why is it that foodstuff is being subsidized? These so-called foods stuffs are dedicated to Satanism. That's why the subsidized foodstuffs are only delivered to special millers. If you have that flour that goes for 90ksh, do research with it and you'll notice something strange in it. It's not like the normal one we use. It rots easily and can't be stored for long. If you dare store it, you'll notice the emergence of maggots in it. Facts are facts.

That's why supermarkets are not allowed to sell more than two packets, because people will notice the strangeness in them. These foodstuffs are dedicated to a demon called *chelchuletichek*. This is a demon that binds people to do and go the master's way. It binds people to be humbled to authority. Some are coming from China already dedicated. Family we need to be alert always. But as believers, worry less; just buy and eat them. As far as you rededicate them all is well

Revelation 2:7 "He who has an ear, let him hear what the Spirit says to the churches. To him who overcomes I will give to eat from the tree of life, which is in the midst of the Paradise of God."

This is applied to all foodstuffs subsidized by the government; not maize floor alone. If you check very well, you'll notice that these foodstuffs are released to Asians more than our local Millers. Ask yourself why Asians, yet we have our local Millers? You know very well how Asians are concerning religion.

Amos 3:7 Surely the Lord God does nothing, unless He reveals His secret to His servants the prophets.

The other repercussion to consumption of these foodstuffs is poverty and lack of money. People will dare death but it will run away! No money will be at homes at all. Also, the emergence of debts will be on the rise. People will fall in debts. Homes will break due to lack. The reason behind this is forcing people to follow and worship politicians for handouts. Truly politics is a dirty game. That's why I normally tell Christians in Kenya to not rally in any side politically but pray for divine direction. As Christians we are not for Jubilee nor NASA but Christ. Our help will not and never come from politicians but God. But more so, we have to respect our leaders and pray for them.

BUT WHY ME DEAR LORD

Everything that happens in your life has a reason. There is reason behind your lack, poverty, rejection, sicknesses.... The main reason behind our sufferings is a curse.

Proverbs 26:2 Like a flitting sparrow, like a flying swallow, so a curse without cause shall not alight.

There it is. Sometimes you may ask yourself how comes your life is delaying, how comes you're not achieving. The main reason behind all this may not be you, but your parents. The bible is very clear about this. A righteous man shall not suffer neither his descendants beg for bread.

Psalms 37:25 I have been young, and now am old; yet I have not seen the righteous forsaken, nor his descendants begging bread.

How comes then some of us are begging for survival? Some are begging their couples to marry them. Some are trying to make it in life but in vain. The reason behind it is your parents; they were or are not righteous. You may love them as your parents but monitor them behind the scenes. They may be wanting in terms of righteousness. If your parents could have been righteous, then your life must be without struggle. You could not have been struggling to get money as you're struggling. You need to expand and multiply. That's your right as a child of God. But nothing is working in your life at your age because of the sins of your father.

Some of us boast that their parents are saved, but in real sense they are only religious. They're not saved at all. If you ask them if they ever fasted or prayed for at least five minutes or more, they'll reply with a big NO. This may mean that they are not anywhere in spiritual ladder. Some of us saw their parents at their maturity stage; we don't know what they used to do in their teenage. Maybe some

got married out of magic. Maybe they used to run their businesses with magic. Maybe they used to smear magical concoctions to your food without your knowledge. Always remember the devil has no free gifts. More so the Lord can never ever clear the guilt. You have to pay willingly.

Exodus 34:7 "keeping mercy for thousands, forgiving iniquity and transgression and sin, by no means clearing the guilty, visiting the iniquity of the fathers upon the children and the children's children to the third and the fourth generation."

Every negative thing you do you are doing for your children. Also, every good thing you do you are doing it to your children. Now that your parents were not righteous, expect sufferings till you die; unless you break the yokes and curses of your parents. If your father was a drunkard expect confusion in your life even if you're not a drunkard. You don't know what he was doing in drinking dens. Maybe he used to rape, or beat people without reason. This also applies to other sins. They may have died long time ago but these curses and yokes can never ever die. Every sin has a penalty code. That's why the word says that vengeance is mine says the lord. The Lord never forgets. He neither sleeps nor slumbers. Even if you are a pastor and your parents were crooked, you have to work on it and confirm if your parental yokes and curses are depleted. There no time. Enough time means no time. Work for your liberation now.

In life there is nothing like suffering especially those who are called in salvation. Buy why are we suffering? You know Christians are the ones suffering the most than non-believers because they know how to cleanse themselves with magic. Also, the devil never reports them to God to quicken their sufferings as they belong to him. But those who belong to God; the devil reports them very quickly so that they be released in the hands of him to be punished. In other terms, when you are cursed the Lord allows the devil to touch you. Curses are doorways for demonic attack. If you monitor many families, you'll note that a person who is saved sometimes passes through a lot of sufferings than those who are not. It's because he is the light bearer, and the devil can never allow him to enjoy life. So, he does so by striking him through sins of his father.

When uprooting these yokes and curses, you have to confirm they are uprooted. This is the procedure:

Quarter Fast

Take a quarter month. That's seven days of your month. Then you fast a quarter fast, meaning from 9pm to 1pm. Make sure you eat supper before 9, then you start your fast by not taking anything be it water or food; even if you get sick in the middle of your process. While in you are fasting, make sure no intimacy, no sinning. And ladies should not do this during their periods. Then on the process of your fasting you have to pray every fifteen minutes after every three hours. That is 9, 12, 3, 6, 9 and 12 noon. Every fifteen minutes of these hours must be spent on prayers. Then at the end you have to present yourself with a peace offering to a prophet of God.

A prophet in this case refers to a person who is gifted with the gift of prophecy or operates in the prophetic office. When doing this you'll see Christ himself coming to you and telling you that you're free. Yes! This is also the procedure of summoning Christ. But if it doesn't bear fruits, do it again until it bears fruits. More so, you can't do this without a prophetic direction. Reason being you can go mad. Before you start doing this inform me please. This is a rabbinical fast that doesn't entertain jokes. While praying during this process, make sure you use the name of Jehovah Emanuel while praying. This means: the Lord with us, who is Jesus Christ. Try this and see if you'll not see Jesus Christ face to face. This process is very simple. While in this process please don't get angry. Anger reverses everything. Wow! That's it. I have done my part.

I Seal this in Jesus almighty name. Stop suffering. Just take a bold move and do it. But don't do this without guidance. The repercussion is going mad. Please! Please! Please! If you engage yourself in this successfully, you'll never regret in life. The Lord didn't create us to suffer and perish. It's our lack of knowledge that subjects us to suffering and perishing. He who lives in a sweat is living in a curse. If you struggle too much for survival, you must make sure that you do something about it. Follow the above procedure. It looks strange to many I know, but just try it.

There are types of food you must avoid during this process. During this period please avoid Pork products and yeast. That means anything baked or cooked with baking powder such as bread and mandazis. Avoid anything fermented like yogurt and *maziwa lala*. You must eat fresh food when breaking and before you fast. This is what we call a ritualist fast. But it's advisable to be done by those who are very serious and are willing to be liberated through the power of God.

1 Kings 3:3-5 And Solomon loved the LORD, walking in the statutes of his father David, except that he sacrificed and burned incense at the high places. Now the king went to Gibeon to sacrifice there, for that was the great high place: Solomon offered a thousand burnt offerings on that altar. At Gibeon the LORD appeared to Solomon in a dream by night; and God said, "Ask! What shall I give you?"

1 Kings 3:15 Then Solomon awoke; and indeed, it had been a dream. And he came to Jerusalem and stood before the ark of the covenant of the LORD, offered up burnt offerings, offered peace offerings, and made a feast for all his servants.

WALKING IN SPIRIT

The best and final remedy to fulfill this divine principle is making a covenant with your eyes. What you see defines you.

John 4:24 "God is Spirit, and those who worship Him must worship in spirit and truth."

If you want to see the hand of God moving in your life you must walk in spirit. Walking in spirit is not as hard as people think. It's just a matter of keeping your integrity by controlling what you hear and see.

Job 31:1 "I have made a covenant with my eyes; why then should I look upon a young woman?"

Job was a perfect example of a man who walked in spirit. He was successful to walk in by controlling what he was to see and hear; because what a man sees is what he hears

If you like seeing dirty scenes like porn, these things you see speaks and whispers in your inner ears. They later translate themselves in actions then lead you to sin. We know very well that the wages of sin is death. Don't allow sin to destroy you. Destroy it!

Galatians 5:16-18 I say then: Walk in the Spirit, and you shall not fulfill the lust of the flesh. For the flesh lusts against the Spirit, and the Spirit against the flesh; and these are contrary to one another, so that you do not do the things that you wish. But if you are led by the Spirit, you are not under the law.

If you live to satisfy your flesh, you're not living for God but you are living on your own; a life that is heading to the pig's pit. Resist the devil and he shall flee. The destroyer of your destiny is walking by flesh and not by the spirit. You need the grace of God to help you walk in Spirit.

JABEZIC BLESSINGS

1 Chronicles 4:10 And Jabez called on the God of Israel saying, "Oh, that You would bless me indeed, and enlarge my territory, that Your hand would be with me, and that You would keep me from evil, that I may not cause pain!" So God granted him what he requested.

May the Lord bless you and expand you like Jabez. May the Lord make you prosperous and exceedingly great like Jabez. May the Lord remember you concerning all the good things you ever did and bless you big like Jabez. May the Lord remember all tithes, offerings and prayers you ever gave, and reward you abundantly.

May the Lord remember all airtime you ever sent to men of God for ministerial support and bless you big like Jabez. May your turning point be now like Jabez. May all who contribute towards giving resources in the Lord ministries, be remembered by the Lord. May the Lord remember all of you in all areas of your life like Jabez.

2 Peter 2:9 then the Lord knows how to deliver the godly out of temptations and to reserve the unjust under punishment for the day of judgment,

1 Peter 2:5 you also, as living stones, are being built up a spiritual house, a holy priesthood, to offer up spiritual sacrifices acceptable to God through Jesus Christ.

WARFARE PRAYER

As God's official legislator and law enforcement agent, I come in the resurrected name of Jesus Christ. That through this name all knees shall bow, of things in heaven, earth and under earth; that all tongues confess that Jesus Christ is Lord.

I place upon us all spiritual military regalia; truth to cover our loins, the breastplate of righteousness to cover our heart and chest cavities, the gospel of peace to cover our feet, the shield of faith to defensively and offensively cover our bodies, the helmet of salvation to cover our heads and the sword of spirit which is the word of God - the Lord Jesus Christ. The glory of God is our reward.

I decree and declare that the weapons of our warfare are not carnal but spiritual. I pull down strongholds, cast down vain imaginations and ever high thing that lifts itself against the knowledge of Jesus Christ. Our thoughts are now subject to the lordship of Jesus Christ.

I speak that Christ anointing destroy every yoke on our lives, and that our soul and spirits and body now function in order according to divine systems of protocol.

I take control over the airways, galaxies, systems, spheres, atmospheres, realms, regions and domains. I dispossess master spirits and employ Michael, archangels and the angelic host to handle any satanic contentions, disputes, striving and resistance concerning this injunction.

Jehovah Gibbor, contend with those who contend with us. Fight against those that fight against us. Take hold of shield and buckler and stand up for our help. Draw out also your spear and javelin and close up the way of those who pursue and persecute us. Clothe yourself in the garments of war. Muster your devices and gather your weaponry and ammunition from your divine arsenal. Make bright your arrows. Gather shields and let vengeance be your ultimate goal as you overthrow the chariot, horses and riders of Satan and his demons.

Let terror strike the hearts of our enemies and cause their hearts to fail. I disapprove and prohibit any demonic interception and interference or resistance. I resist satanic contentions, intentions, provocations and negotiations concerning our lives and souls.

I superimpose prophetic purpose and divine destiny over and against all activities and opposing forces that are contrary to the will of God in Jesus name concerning our lives. I bind satanic harassments and rebuke satanic concentrations. I bring to a halt and prohibit all satanic surveillance.

In Jesus almighty name I seal this prayer Amen.

DAMN THE SHORE AND DARE THE SEA

Many of us are crying in status quo. They are waiting for the Lord in status quo. They are meditating on failures and calamities; things that are surrounding them to a negative point of view. But today I'm telling you to stop crying at the shore of defeat. Stop crying at the shore of lack, sickness and rejection. Stop crying and try to dare the sea.

Exodus 14:10 And when Pharaoh drew near, the children of Israel lifted their eyes, and behold, the Egyptians marched after them. So, they were very afraid, and the children of Israel cried out to the LORD.

The Israelites were crying at the sea shore. They were meditating on how the hand of God was against them. They were waiting for the Lord and yet the Lord was waiting for them; little did they know that the Lord is not the Lord of sitters but goers. We are serving a God who goes with goers not the Lord who sits with sitters.

Exodus 14:15 And the LORD said to Moses, "Why do you cry to Me? Tell the children of Israel to go forward.

A time has come that we have to go the going. Let's not idle in sea shores crying and meditating in negativity. There is nothing good at sea shore. We have to face the sea before us; because if we navigate past our sea through the mighty power of God, there is Canaan waiting for us.

Canaan represents blessings and abundance from God. You can't attain your promises from God if you will not take a step to face your sea. Though it looks impossible, but to God all things are possible. Only believe.

The seas are faces in three dimensions. That is when you pray, when you fast and when you give. These three principles are the only passwords that unlock divine blessings unto our lives. Nothing comes from a silver platter. Take a risk today and start planning on how you'll face your sea.

THINGS YOU FEAR

There is a point that things you fear come your way. It may be poverty, rejection, singleness, lack or failure. They may push you to the extent of asking God how comes things you fear come your way? Does it mean you're cursed? Does it mean your prayers are not answered? Does it mean your giving is in vain? These questions may keep on triggering in our mind to the extent of bringing depression.

Job 3:25 For the thing I greatly feared has come upon me, and what I dreaded has happened to me.

Our good God allows these things you fear to come your way, so that He elevates you to another level. When the push comes to the shove, it is another way of divine elevation. It's not a curse. It's not delay but divine communication; working for your own good. It is a symbol of your turning point.

In God there is no gain without pain. There is no breakthrough without breaking. There is not a star without scars. There is no light without darkness. That's why darkness came before light. There is no joy without sorrow. There is no forgiveness without sin. There is no provision without lack. For God to manifest in your life and give you life of abundance, chaos must manifest first. So, if you expect God's greatness, be ready to encounter the devil's greatness first. In spiritualism, the higher the level, the higher the demons.

You are not forgotten. Be fearless and worriless when you pass through oppression. Though your sorrows may last for the night, joy shall come in the morning. Instead of cursing God or thinking ill against Him, keep the mojo up. Instead of judging yourself, whining and complaining, keep the mojo up! Shout and declare that though the sorrows may last for the night, His joy shall come in the morning.

It doesn't matter what you're passing through or where your future is heading. As far as the Lord in directing you, all is well. As far as you're saved, that's the best decision you ever made in life. Keep hoping, keep trusting. First things first; this is faith on your Lord.

I'm seeing someone here passing through hell. I'm seeing someone here passing through great depression. I'm seeing someone is wishing to die. But I want to assure you that what is currently happening on your life is passing by. The Lord is your shepherd; He will never ever leave you or abandon you. It doesn't matter if you're educated or not, connected or not, you have money or not, your parents are alive or not, people are cursing you or not. What matters is that the Lord is your shepherd. No matter how dreadful your valley is or how horrific your life looks like, you're passing. Yes! You are passing through.

Psalm 23:4 Yea, though I walk through the valley of the shadow of death, I will fear no evil; For You are with me; Your rod and Your staff, they comfort me.

Someone is passing through rejection, debts, singleness, joblessness or family dispute tonight. Yes! You are passing. Yes! You are passing. As far as you're passing tonight, there is something following tonight. The Lord can't make you pass without a follow-up. The Lords follow-up is goodness and mercy.

Psalm 23:6 Surely goodness and mercy shall follow me All the days of my life; And I will dwell in the house of the LORD Forever.

Now as you're passing, the things you used to seek or struggle to get are coming. The business you used to plan to start or the wife or husband you have been looking for many years will follow you running. They're coming!

THE POWER OF CONFESSION AND TESTIMONY

With respect to battles in our walk of salvation, did you know that all battles are not meant to be fought? There are basically 3 ways we fight the good fight of faith. Some we engage in a fight, some we stand aside and look, while some we have to run away. If you fight a battle that you were supposed to run away from, you are doomed without remedy. Think about this. Even our Lord Jesus Christ never fought every battle. Some He stood aside and looked while some He ran away from.

Today let's major on overcoming through testimony and confession. What does the holy bible say concerning this kind of approach? Let us go to the scripture in Revelation. It speaks about the power of testimony and confession

Revelation 12:1 "And they overcame him by the blood of the Lamb and by the word of their testimony, and they did not love their lives to the death.

Look at this keenly. The scripture mentions word of testimony. But then, where does confession come about? This is a deep revelation here. The blood of the lamb symbolizes confession. According to the Holy bible, blood speaks. Let's see how blood speaks.

Hebrews 12:24 to Jesus the Mediator of the new covenant, and to the blood of sprinkling that speaks better things than that of Abel.

Wow! There we see it. The blood of Abel in the book of Genesis was speaking about doom; revenge for Cain who killed him. But the blood of Jesus speaks of victory, mercy and liberty. This is where confession comes about. Remember, when we got saved, we were washed and covered by the blood of Jesus. Therefore, the spirit world, including God the father sees the blood of Jesus when they look at us. This is wonderful family! When you are saved, and you abide in Christ, whatever you declare or decree is charmed by the blood of Jesus. Did you know that? This is the charming of Christ's anointing through the blood am speaking about

This is why Jesus warns us that we will be judged by all our words. (That is in *Matthew 12: 35, 36 and 37* there). It's because when saved, whatever you utter has power of Jesus. The same bible says that our words must impart grace; of salvation, victory, encouragement and so on. And if we utter otherwise, it brings judgment to us. Whatever we utter comes to manifestation. Yes. This confirms that we indeed made in God's image. And we create things the way He created everything by His word.

Now let's see the battle between David and Goliath. How did David win? He simply applied the power of testimony and confession. He was given the attire for fighting. The attire was King Saul's. I believe the king's warring attire was the

most secure and the most original, and of the best quality; guaranteed for protection at that particular time. But David chose to reject it and go with testimony and confession. Let's see what he said in scripture

1 Samuel 17:34-36 But David said to Saul, "Your servant used to keep his father's sheep, and when a lion or a bear came and took a lamb out of the flock, I went out after it and struck it, and delivered the lamb from its mouth; and when it arose against me, I caught it by its beard, and struck and killed it. "Your servant has killed both lion and bear; and this uncircumcised Philistine will be like one of them, seeing he has defied the armies of the living God."

David is giving a testimony of how God enabled him to overcome the previous battles. As we read in, we see that he now declares a confession before venturing into the battle facing him.

1 Samuel 17:37 Moreover David said, "The LORD, who delivered me from the paw of the lion and from the paw of the bear, He will deliver me from the hand of this Philistine." And Saul said to David, "Go, and the LORD be with you!"

And this is how David tackled the battle against Goliath. When we study keenly, we see there are two stages of confession. First you confess to yourself. Secondly you now confess a declaration to the opposing force in the battle before you. It starts with you. In the case of David, he confessed of ***to himself*** in the presence of King Saul. Then when facing the battle, he confessed ***to Goliath***. What did he say?

1 Samuel 17:45-46 Then David said to the Philistine, "You come to me with a sword, with a spear, and with a javelin. But I come to you in the name of the LORD of hosts, the God of the armies of Israel, whom you have defied. "This day the LORD will deliver you into my hand, and I will strike you and take your head from you. And this day I will give the carcasses of the camp of the Philistines to the birds of the air and the wild beasts of the earth, that all the earth may know that there is a God in Israel.

There it is! What transpired afterwards is history. David prevailed against Goliath just by simply testifying and confessing; testimony about the past victories and confession about how he will triumph.

As a child of God, how many times have you cursed yourself that debts are killing you? That your marriage is coming to a divorce? That 'your' disease will kill you? Have you ever applied this principle of testimony and confession and failed?

Many battles we have to remember how the Lord delivered us from them and then confess to our current situations that we will not perish by them but triumph. Confess now to your situations that the Lord will surely deliver you from them in Jesus name.

THE MYSTERY OF TRINITY

It has come to my attention that Muslims are trying to mislead Christians that the Lord of Christianity is hoax. They say that God is one, who is Allah. They say that the trinity nature of the God of the bible is Satanism. Do you know that Islamism is a philosophy? The only place where philosophy can lead you is to demons and angels. Only Christianity leads you to God almighty. Allah is a demon that our fellow Muslims worships without knowledge. Muslims says that Jesus Christ is not God. So, it's not good to worship him as we do. They say that the Holy Spirit is not supposed to be mentioned anywhere in worship, because 'it's' not there. Let me prove them wrong. Is Jesus God?

John 1; 1 In the beginning was the Word, and the Word (2nd person) was with God (1st person), and the Word was God (divine nature).

The first word "God" refers to a person, while the second "God" refers to "divine nature." It doesn't mean that the first person is the second person.

Hebrews 1: 8-9 But unto the Son he saith, Thy throne, O God, is forever and ever: a scepter of righteousness is the scepter of thy kingdom. Thou hast loved righteousness, and hated iniquity; therefore God, even thy God, hath anointed thee with the oil of gladness above thy fellows.

God (1st person) calls the 2nd person (the son) "God".

Jeremiah 23: 5-6 Behold, the days come, saith the LORD, that I will raise unto David a righteous Branch, and a King shall reign and prosper, and shall execute judgment and justice in the earth. In his days Judah shall be saved, and Israel shall dwell safely: and this is his name whereby he shall be called, THE LORD OUR RIGHTEOUSNESS.

The LORD our RIGHTEOUSNESS (*yahweh Sidkenu*) is one of the names of God in Hebrew. Jesus is called *yehovah Sidkenu/ADONAI Sidkenu*.

Greek Bible dictionary: 1: θεός (Strong's #2316 — — *theos* — theh'-os)

(I) in the polytheism of the Greeks, denoted "a god or deity," e.g., Acts 14:11; 19:26; 28:6; 1 Corinthians 8:5; Galatians 4:8.

(II) (a) Hence the word was appropriated by Jews and retained by Christians to denote "the one true God." In the Sept. *theos* translates (with few exceptions) the Hebrew words *Elohim* and *Jehovah*, the former indicating His power and preeminence, the latter His unoriginated, immutable, eternal and self-sustained existence. In the NT, these and all the other Divine attributes are predicated of Him. To Him are ascribed, e.g., His unity, or monism, e.g., Mark 12:29; 1 Timothy 2:5; self-existence, John 5:26; immutability, James 1:17; eternity, Romans 1:20; universality, Matthew 10:29; Acts 17:26-28; almighty power, Matthew 19:26; infinite knowledge, Acts 2:23; 15:18; Romans 11:33; creative power, Romans 11:36; 1 Corinthians 8:6; Ephesians 3:9; Revelation 4:11; 10:6; absolute holiness,

1 Peter 1:15; 1 John 1:5; righteousness, John 17:25; faithfulness, 1 Corinthians 1:9; 10:13; 1 Thessalonians 5:24; 2 Thessalonians 3:3; 1 John 1:9; love, 1 John 4:8,16; mercy, Romans 9:15,18; truthfulness, Titus 1:2; Hebrews 6:18 . See GOOD, No. 1 (b). (b) The Divine attributes are likewise indicated or definitely predicated of Christ, e.g., Matthew 20:18,19; John 1:1-3; 1:18 , RV, marg.; 5:22-29; 8:58; 14:6; 17:22-24; 20:28; Romans 1:4; 9:5; Philippians 3:21; Colossians 1:15; 2:3; Titus 2:13 , RV; Hebrews 1:3; 13:8; 1 John 5:20; Revelation 22:12,13 . (c) Also of the Holy Spirit, e.g., Matthew 28:19; Luke 1:35; John 14:16; 15:26; 16:7-14; Romans 8:9, 26; 1 Corinthians 12:11; 2 Corinthians 13:14.

Abraham did not follow the first commandment; there were no 10 commandments so it's misleading to say Abraham followed the first commandment.

If you admit Jesus is the son of God the deal is sealed. Son (equal) of God means equal to God. This is what I was trying to help someone with this morning. Do not be deceived. Islamism is Satanism! Allah is an Arabic demon. It is a moon god of destruction; that's why the symbol of Islamism is represented by a sword and moon. And that's what we see in the front page of the Quran.

HELL YEAH

Tonight, I want to open your eyes. Do you that there are people who can't go to heaven? Yes! There are people who can't repent and be forgiven. These s types of people are those who once received the great revelations and gifts of the Holy Spirit, then they decided to change and ashamed the kingdom of openly.

That person who once operated in deep spiritual matters; people respected him or her too much, they trusted them with their secrets. But all of a sudden, they backside and started doing sin openly and fearlessly. Such people are what we call them *HELL YEAH*. No mercy can be offered to them at all. May God forbid the spirit of backsliding; especially to those who are deeper in spiritual matters.

Hebrews 6:4-6 For it is impossible for those who were once enlightened, and have tasted the heavenly gift, and have become partakers of the Holy Spirit, and have tasted the good word of God and the powers of the age to come, if they fall away, to renew them again to repentance, since they crucify again for themselves the Son of God, and put Him to an open shame.

It is impossible! It is impossible! Be warned! Those pastor's and all ministers of the word who backslide and expose their sinful nature openly can never have mercy no matter what. Their destiny is hell. They have to go to hell and face the wrath of their demons; as what the word says but not me. It is sad but there is nothing we can do about it. We can't undo the word of God.

It's unchangeable. God never changes. So, if you think and believe you're called and have ever received dreams and vision and revelations from the Holy Spirit, please guard your heart. In matters of calling you either conquer or perish. Woe has entered my belly.

Hebrews 10:26 For if we sin willfully after we have received the knowledge of the truth, there no longer remains a sacrifice for sins,

ACTIVATING POWER

We need to activate power in our lives. That power is already in us. It's waiting to be activated. Stop sitting upon it! We sit on it by judging ourselves, by intimidating ourselves and despising ourselves. Don't allow low self-esteem to kill your God given destiny. You're more than a conqueror

Romans 10:10-11 For with the heart one believes to righteousness, and with the mouth confession is made to salvation. For the Scripture says, "Whoever believes on Him will not be put to shame."

According to above scripture, we get the simple way of activating power, which is confessing the name of God. In other terms, we confess His name in prayers. It's only through prayers that power of God can be activated. That power is already upon you; power to succeed, prosper and to do extra ordinary things. It's real. It's there. Confess it in prayers

Ephesians 3:20 Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us,

That power is already working in you. Why a you not activating it? It only waits to be activated. That's it in prayers. Stop sleeping. Start the procedure of being addicted to prayers. Prayer is the answer. It's the only weapon that makes the impossible possible. We're called to prosper and to be kings and not slaves. The only way to materialize this is in prayers. Everything to God is prayers.

Why are you distressed? Why are you crying to sons of men and yet we have solutions to all our problems? If a friend gives you support after crying to him, it won't give you a permanent solution. The only permanent solution is in prayers. Don't depend on human being lest you be cursed by God, but let's learn to depend on God.

He is the only giver of everything. He can't give up on you. As human beings including your family can get rid of you. But the Lord said and He is still saying; despite your weaknesses He will never ever leave you nor forsake you. Why are you distressed? Why are you anxious? Stop sleeping and wake up. You're a solution to your problems; only if you know how to call the name of God.

May the Lord bless you; May the Lord make His eyes to shine upon you and be gracious unto you, May the Lord give you peace. In Jesus name I seal.

FREQUENCIES DEMONS

These are types of demons that operate through waves and frequencies. They operate very well through internet, phone call frequencies or any social platform communication. The demons responsible to this form of magic are called *quantum lights*. They appear in form of rays of lights; scientists assume to be natural phenomenon. But in real sense they're demons.

Do you pray for your phone, radio or any device that is using frequencies or waves? You have to do it in order to prevent quantum lights from haunting you. Have you ever cracked any deal through your phone? Do you most often you find that anytime you crack a deal or plan something very important and share with someone through social media, things turn around negatively?

Yes! That's why serious government deals can never be cracked in phone calls. It takes senior government officials to travel to other countries to crack deals or share top secrets. You don't have to share very important issues through phone or social media. By doing so, you are giving demons advantage to devour you. That's why a white man said walls has ears. Demons can never know what you plan on your heart unless you speak it out. It's only God who knows what is in your heart

Ecclesiastes 10:20 Do not curse the king, even in your thought; do not curse the rich, even in your bedroom; for a bird of the air may carry your voice, and a bird in flight may tell the matter.

Yes, there is the verse. A bird in spiritualism represents a messenger. In the bible messengers represents Angels. Remember the devil has his messengers also called demons.

Ephesians 6:12 For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.

According to the above verse, you'll notice that the last part of it speaks about spiritual hosts of wickedness in heavenly places. Waves and frequencies travels in heavenly places. These heavenly places are controlled by demons; they can listen to someone's communication and alter it. They can manipulate it and destroy you with it. That's why most people who operate mostly on social media platforms in doing everything in their lives end up failures.

Oh! Truly people perish for lack of knowledge. If you want to prove me right; do you know that internet has a very bad addiction just like drugs? That's a yoke of quantum lights. Do you know that most people who are addicted to internet are most likely to die prematurely? Do you know that most people are disturbed mentally due to addiction in internet? The reason behind all this is quantum lights. They possess people who regularly log in to internet. 80% of internet addicts visits pornographic sites, trying to avoid it but in vain. That's quantum lights at work.

Ephesians 6:13 Therefore take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand.

So, take up the whole armor of God for you to evade this mess.

CURSE OF ORPAH

Today I want to open your eyes about a curse that haunts people without their knowledge. This curse is very dangerous. When it haunts you, your life will end up miserably. If your life is characterized by the following traits know that you're a culprit:

1. When you start doing projects then give up prematurely. Yes it can be singing, business, preaching or giving. Starting any spiritual or physical project then giving up prematurely.
2. When you always think of backsliding especially when stricken with calamities and challenges in life. If you are always not stable in decision making, you are a culprit (Hypocrite).
3. When you are moved easily to shift your mind and follow strange opinions that you know very well are not godly.
4. When you discover that you're too materialistic.
5. When competition with others becomes order of your day.
6. Anything you put your hands-on collapse.

These are just few common signs but they are many. Remember the bible says that there is no a curse without a cause. So where is this curse coming from? This is a curse that follows people whose generation came out of worshipping other gods; foreign gods. Those people whose ancestors used to depend on magic

Ruth 1:14 Then they lifted up their voices and wept again; and Orpah kissed her mother-in-law, but Ruth clung to her.

These two wives of Naomi's sons were Moabites. They came from the land of Moab. In that land people used to worship demons through magic. The same demons destroyed their marriages by killing their husband with the consent of God. One of these young widows decided to follow Naomi her mother in law, so that she could worship her God for her to be delivered. She succeeded later in life, by landing in a successful marriage. But Orpah decided to go back to her people, to serve her people's gods. Her thinking was that, out of it she'll be ok. But we see that was the end of her story in bible. Which means the Lord rejected her completely and she died as a fool without funeral rights.

A winner never quits while a quitter never wins. That's the way to prosperity. If you begin with spirit, make sure you finish with spirit; failure to which you're ruined. Today let our yes be yes and no be no. Be firm whenever you make any decisions. If you are double minded you cannot please God. A double minded

person can never ever receive anything from God because a curse lives in such a person. There is no way God can bless a demon possessed person. Where a curse is, demons are therein also. You have to be tough in pursuing your dreams. Remember the violent shall take it force. But if you're unstable as water you can never excel.

Genesis 49:4 Unstable as water, you shall not excel, because you went up to your father's bed; then you defiled it--he went up to my couch.

Unstable people are haunted people. They cannot excel. Make sure you practice what you do and do what you practice is you want to prosper. You can cheat people including your prophets, but you cannot cheat God. The remedy to deal with this curse is resisting the devil and his goons in hell so that they flee away from you.

Remember both Ruth and Orpah came from the same background. But Ruth didn't fast or pray to be delivered; she just resisted going back to her people. Orpah did go back to her people and perished. Where are 'Ruths' of today? This is the same curse that Job outsmarted. He praised God in calamities for better and for worse. He stood firm. What followed was that, his latter days being blessed than his beginning.

THE PUSH IS TOO MUCH

What do you do when things push you too much? Maybe you're very sick, you need a husband or wife too much, or you need finances too much. Do you know the force behind your push? It's Satan! Satan is an imposter. He knows that when he pushes you to the wall you're ruined. He knows that is when you can do anything to preserve your life.

Job 2:4 So Satan answered the LORD and said, "Skin for skin! Yes, all that a man has he will give for his life.

That's Satan speaking. He knows that you can give all you have to get what you want. He knows that you can prompt abortion to preserve your marriages or Job. He knows you can prompt bribery or sexual advances to get that deal done. That's why many people say that I didn't have anything to do but to abort, bribe, cheat or steal; little do they know that it was the devil's trap to corner them. All that he has a man can give to preserve his life.

That's the devil. Do not be deceived. The devil is a liar. Don't say that the money I have is surrounded by many debts and challenges that you cannot pay your tithes. That's the devil trap. He wants you to be a non-tither so that you are cursed by God and die poor. The devil is a defeated foe. He was already defeated by the blood of the lamb. Don't substitute anything with the word of God says simply because you're pushed to the wall.

First things first; put God first before anything you plan to do and you'll defeat the devil. Defeating temptations especially those that push you to shove is simple. Just stand firm. It is by doing what the word of God says first.

Job 2:10 But he said to her, "You speak as one of the foolish women speaks. Shall we indeed accept good from God, and shall we not accept adversity?" In all this Job did not sin with his lips.

This is the only weapon. Yes, the strongest weapon in the bible that the devil fears. When you repeat this verse especially when you're pushed to shove, the devil runs away and later the Lord takes control.

Job was not rebuking his lovely wife here as many believe, but the devil in her. Yes, the devil entered her and spoke to Job through her. That's the same when the devil tells you to abort, to engage yourself in extramarital affairs for handouts or any other ungodly thing to get favor. Stand firm and say you'll stand like Job.

USURER

Usurer is someone who lends money by interest. They are categorized in different stages. That is from shylocks to auctioneers. This is one of the worst sins ever in the bible.

Deuteronomy 23:19 "You shall not charge interest to your brother--interest on money or food or anything that is lent out at interest.

Ezekiel 18:13 if he has exacted usury or taken increase-- shall he then live? He shall not live! If he has done any of these abominations, he shall surely die; His blood shall be upon him.

There it is. There are many verses in the bible that talks about it. The sin of usury is classified as abomination before the Lord. Remember sins are group in three stages in the bible. That's transgression, iniquity, then Abomination. Abomination is the greatest sin human beings can commit. If you look and observe the end of shylocks, you'll notice that their generations are cursed and mostly their children are most likely to become zombies later in life.

They also suffer non curable diseases later in life and their families end up failing in all areas of life. This sin if not repented early quickly reaches the stage of no pardon. Yeah that's when it matures. Be warned f family

Ephesians 5:17 Therefore do not be unwise, but understand what the will of the Lord is.

You better repent and think of another business to do; failure to which you're ruined. Do not lend money to anyone with an interest. Do it and pay for it later in life. Any money obtained from usury is abomination to God. Feed your family with it but remember God is watching.

Psalm 139:7 Where can I go from Your Spirit? Or where can I flee from Your presence?

ISLAND OF CIRCE

Who is Circe? What island is this? And where is it found? Give me your ears. Circe is a demon in form of a very beautiful woman, which has a kingdom by the sea. That's in spiritual realm. Sometimes it assumes the appearance of a very ferocious creature when it wants to destroy you. Remember the enemy - Satan purpose is to kill, steal and destroy. This demon normally possesses believers. Yes those who know the truth.

To know if you're possessed by Circe is very simple. It's when you're warned by men of God several times but your heart remains reluctant to listen. When the Lord has revealed unto you many things especially in dreams and prophecies but your heart is still hardened. Yes, that spirit of rudeness to the word of God you know. Rudeness to pastors and prophets whom you know very well they are from God. This is an indication that you're possessed by Circe.

When Circe possesses, you it takes you to an island. That island is the biblical land of Nod. Nod is characterized by confusion, rejection, calamity, premature death, disasters, chronic sicknesses and the like. Once you live in this island, the face of God departs from you; your life becomes the devil's playground. Circe can never possess someone unless you allow her.

Genesis 4:6 So the LORD said to Cain, "Why are you angry? And why has your countenance fallen?"

This is how it starts. It starts by hopelessness, envy and competition. Cain was a believer just like you. But Circe possessed him. We see later that the Lord warned him, and gave him power to rule over Circe.

Genesis 4:7 "If you do well, will you not be accepted? And if you do not do well, sin lies at the door. And its desire is for you, but you should rule over it."

But Cain was reluctant to rule over Circe. Just like most of the rude believers. Let's see what happened later.

Genesis 4:12 "When you till the ground, it shall no longer yield its strength to you. A fugitive and a vagabond you shall be on the earth."

The Lord cursed him. Then the grace of God was lifted from him. Later his life was taken away by Circe to this island of Circe. Yeah biblically is referred to as the land of Nod.

Genesis 4:16 Then Cain went out from the presence of the LORD and dwelt in the land of Nod on the east of Eden.

There it is. That's how it works when the Lord rejects you. The Lord can never ever reject you without a warning. When you decline to listen to divine warnings,

expect nothing but chaos. When Circe possesses you, it is irreversible. There's is no way it can be reversed. That's we see that Cain tried to repent but all was in vain.

Proverbs 29:1 He who is often reprov'd, and hardens his neck, will suddenly be destroyed, and that without remedy.

There are sins that are irreversible. Yes, God can forgive you and make you inherit His kingdom, but on earth you must face the wrath of Circe. That's why there are many Christians who go to church but are always sickly. Some pray and fast but they are very poor. Heaven they will inherit, but the wrath of Circe must be faced.

Hebrews 10:26 For if we sin willfully after we have received the knowledge of the truth, there no longer remains a sacrifice for sins,

Once you know the truth and fail to do it, repent and change before you're taken to this island of Circe. Once you are taken there expect no remedy for that; even if you fast for forty days and nights or you are prayed for by ten thousand prophets. Even if you will be baptized in a pool of anointing oil, nothing will happen. Spiritual pardon you'll receive but the wrath of Circe you must face.

Revelation 3:8 "I know your works. See, I have set before you an open door, and no one can shut it; for you have a little strength, have kept My word, and have not denied My name.

Who can open the door that the Lord has shut and who can shut the door the Lord has opened? It's impossible! That's why before you intercede for people you have to ask God first if they stand to be presented in the divine throne of grace. If not rubbish them, otherwise you may be doing a vain thing. Just like Samuel and Saul story.

1 Samuel 16:1 Then the LORD said to Samuel, "How long will you mourn for Saul, seeing I have rejected him from reigning over Israel? Fill your horn with oil, and go; I am sending you to Jesse the Bethlehemite. For I have provided Myself a king among his sons."

This is the Lord speaking not him. Don't waste your anointing in vain. The Lord says that if you reject Him, He will also reject you. Remember God doesn't need you. You need Him. If you fail Him, He will fail you also.

Hosea 4:6 My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being priest for Me; Because you have forgotten the law of your God, I also will forget your children.

You can't be rude than God. You be rude than Circe either. When Circe comes upon you, expect the worst. A time has come that someone has to change or face the wrath of Circe. You can't serve God the way you want but the way He wants. That's why you need God to serve Him. Not giving Him threats. *For example, by saying; that if I'll not be blessed by this period of time I'll denounce my faith.* Dare try

and face the wrath of Circe. You can't threaten God. You can't force God to do things the way you want. Remember His ways are not like your ways.

Isaiah 55:8-9 "For My thoughts are not your thoughts, nor are your ways My ways," says the LORD. "For as the heavens are higher than the earth, so are My ways higher than your ways, and My thoughts than your thoughts."

Forcing God to do your will is as Cain did by forcing God to burn his offering. It is like pushing God away and pulling Circe inside your heart. I know some people are crying but facts are facts. Truth pinches. Though it pinches, truth is the only key to liberation.

Ezekiel 3:18 "When I say to the wicked, 'You shall surely die,' and you give him no warning, nor speak to warn the wicked from his wicked way, to save his life, that same wicked man shall die in his iniquity; but his blood I will require at your hand."

ANNEXION GLORY

This is a phenomenon that happens through the abstract realm; the power to influence people to the extent of being idolized. Have you ever met someone whom you were attracted to so much, to the extent that you want to be like him or her? This may go to the extent that you copy everything he/she does. It could be someone that you find yourself too much obsessed of till you don't understand yourself. It could be someone who influenced your life to the extent that you sacrificed your life for his/her sake. This issue is so tricky

Maybe you're married and meet a man or lady who moved you so much to the extent of not seeing your spouse as anything. Or even to the extent of comparing your marriage partner with that person and rubbish your spouse. This issue is too strong and dangerous, that it goes as far as breaking marriages. Have you ever met someone whom you attached to so much that you go as far as masturbating with his/her picture in your mind? Yes, someone that you admired so much that has influenced almost everything in your life? This could have affected how you dress, eat, speak or even, how you present yourself.

These are people we call the *annexionists*. They are people who were born with annex glory. Annex means attachment. They are People whom you follow in social media secretly and wish to do what they do; to the extent of being depressed and stressed. This issue is a natural phenomenon that was granted by God to them. It works for both believers and non-believers. Let's go to scriptures.

Ruth 1:16 But Ruth said: "Entreat me not to leave you, or to turn back from following after you; for wherever you go, I will go; and wherever you lodge, I will lodge; your people shall be my people, and your God, my God."

That's Ruth telling Naomi. Yes, Naomi had an Annex glory. That's why it was too hard for her daughter in-laws to leave her. Though Orpah left her, it is said that she cried bitterly before she left, because it was not a very easy task.

Acts 12:21-22 So on a set day Herod, arrayed in royal apparel, sat on his throne and gave an oration to them. And the people kept shouting, "The voice of a god and not of a man!"

Herod was a non-believer but he had an annex glory. That's why people praised him and assumed him to be a god to them. His speeches used to move the masses abnormally. These are just two examples of people who operated in this *annexion glory*. There are many in the bible. So, if you have this glory and yet you are a man, you can never struggle to get an opposite sex. Meaning you can easily fall in sexual sin if not careful. Wherever ladies see you, what cling to their minds is sex; how they can lure you to sexual sin.

The same applies to ladies. This yoke can easily trap someone into fornication and adultery. That's why you'll notice that some men are irresistible to ladies. They can sleep around without struggle to any lady they want. And not only sleeping around but breaking marriages because of this glory. This is not a demon but a natural phenomenon. So, this is not a curse, a demon or magic but a phenomenon. Remember a phenomenon is not a phenomenon until it is an observed phenomenon. Let's go to the city of Sodom and Gomorrah.

Genesis 19:5 And they called to Lot and said to him, "Where are the men who came to you tonight? Bring them out to us that we may know them carnally."

You can read the whole story. These three visitors of Lot had the same phenomenon. People were so moved to them that they admired them. They had a very powerful sexual appeal caused by this phenomenon. If this phenomenon affected angels, human beings cannot be an exception.

But be warned! If you have this phenomenon and misuse it, you become a *machoman* or a *Casanova*. And this will bring God's judgment upon you. You'll have pay through a curse from Him. Most *machoman* and *Casanovas* end up to be zombies in life. A *machoman* is a man who like sleeping with ladies so much. A *Casanova* is a person who loves ladies for sex; sees ladies as sexual symbols. A zombie is a madman or a fool at forty kind of a person.

Jesus Christ also had this phenomenon. Wherever he went people followed him. People were too much attached to him. But he used to direct them to God the father. We are told that he really influenced people lives to the extent of people living everything they had for Him. That why he said if you abide in me.

John 15:7 "If you abide in Me, and My words abide in you, you will ask what you desire, and it shall be done for you."

Yes, if you notice that you're haunted by this phenomenon, please use it to direct people to Jesus Christ who is the master of all divine power. His name is *Jehovah Adonai*, which means the *Lord my master*. But if you use it doing your own things, expect nothing but chaos. You'll end up sleeping with thousands of sexual partners. That will lead to premature death and hopelessness in future. Wow! Think about it.

At least in life someone has to meet an annex glorified person. If you have never met one, he or she is on a way coming. It can be a pastor, a prophet, a boss, someone's wife or husband, a neighbor. These occurrences are there. That's why we call them natural phenomenon. In Swahili it's interpreted as *tukio la kawaida*. It is a very tricky phenomenon that can affect your performance in normal duties. This is why some ladies are seen as sexual symbol by men.

NIKE

Do you know what *Nike* means? We see this logo mostly in sports gear, but we don't know what it means. *Nike* is a demon. That company called *Nike* has its background in free masonry. According to demonology, *Nike* is a demon of victory and sexual prowess. That's why its symbol is represented by a sword.

It's a very wide topic but let me go straight to my point. When a person is possessed with *Nike* this is what happens: It normally creates abnormal sexual desire towards an opposite sex; A desire that cannot be controlled. Remember the devil is not a respecter of persons. It moves fictitious sexual desire from opposite sex to an opposite sex. This desire can even attract a close relative to the extent that the only medicine to it is sex and nothing more.

Have you ever seen an opposite sex that you attached yourself too sexually to the extent of forgetting your husband or wife? I'm talking about uncontrollable sexual desire. You may reach a point a feeling sexually aroused when you see that opposite sex that *Nike* has attached you to. Just seeing him/her you feel aroused sexually. These things happen. I'm spiritual I know shit happens.

Funny enough this desire can be too intense that you go as far as masturbating with that person's picture in your mind. It can be an extreme when you sleep with your spouse; for you to be aroused you must picture the *Nike* attached person in your mind. It's shameful but let me share. I know I'm helping someone. This issue is too embarrassing and has led many marriages to break and many people depressed. It has also led many people to commit suicide and live pathetically. In the bible we call it the soul tie demon of Amnon. Yeah, the SOUL TIE DEMON OF AMNON. Let's see where it is found.

2 Samuel 13:1 Now after this it was so that Absalom the son of David had a lovely sister, whose name was Tamar; and Amnon the son of David loved her.

Amnon was Tamar brother, from different mother but the same father. But Amnon was too much in love with her. Not a real love but a one-night stand kind of love.

2 Samuel 13:2 Amnon was so distressed over his sister Tamar that he became sick; for she was a virgin. And it was improper for Amnon to do anything to her.

You can read the whole story in the whole chapter. You will realize that, the attachment he had was too strong to be altered. Amnon wanted nothing but intimacy with his sister. To the extent that he raped his own sister. Have you ever

been attached to an opposite sex sexually to the extent of thinking about sex anytime you meet her? If your answer is yes then you need to do something before it's late. This issue affects people privately and makes it impossible to share with anyone because it's shameful. The sad part of this issue is that once you commit sexual sin with that person, *Nike* will turn that love lust to hatred. You will hate that person to death. You will never ever want to see or meet that person again at all. The devil has no free gift. Any deal with the devil ends pathetically.

2 Samuel 13:14-15 However, he would not heed her voice; and being stronger than she, he forced her and lay with her. Then Amnon hated her exceedingly, so that the hatred with which he hated her was greater than the love with which he had loved her. And Amnon said to her, "Arise, be gone!"

For those who have been committing sexual sin, have you ever felt intense hatred to someone you messed with immediately after intimacy? Have you ever hated your boyfriend or girlfriend after intimacy to the extent of thinking like killing him/her? That means that relationship was a fake. It originated from *Nike*. That's why the bible warns of sex out of wedlock. That way Solomon the wise man said that do not awake love before it pleases.

Songs of Songs 2:7-8 I charge you, O daughters of Jerusalem, by the gazelles or by the does of the field, do not stir neither up nor awaken love until it pleases. The Shulamite. I charge you, O daughters of Jerusalem, do not stir up nor awaken love until it pleases. A Relative

That's why many people especially ladies who're possessed by this demon complain that they meet men who normally dump them immediately after intimacy. It's not that you're rejected; it's a demon haunting you.

John 8:32 "And you shall know the truth, and the truth shall make you free."

Let more share about the repercussions of *Nike* possessed people. *Nike* is a master demon that rules over millions of demons all over the world. When they possess you, they affect your finances; you may have good business plans but they can never ever come to pass. You'll live in the world of fantasy. Nothing good can come out of you. You may desire to live a good life but that life will only be in your mind. It also kills your morale of doing productive things that can give you money in return. It also causes premature deaths as rejection. It also kills love between couples who once love each other to death. Ooh too bad!

Truly there is nothing good in Satan and nothing bad in God. Work on this before it's too late. It also causes lying and deceptive tongue. It kills the morale of prayers and faith in God also among others. It creates hatred to opposite sex even to those who have no issues with the possessed.

Satana zoba - The devil is a fool. You can be good in all areas that concern Romance i.e. beauty, education, fashion, clean; but keeping a spouse will be a nightmare once you're possessed with *Nike*.

Hosea 4:6 My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being priest for Me; Because you have forgotten the law of your God, I also will forget your children.

Ignorance has no defense. Lack knowledge and perish. That is a divine law according to the above verse. Getting saved is once and works in seconds but deliverance is a process.

YEZREEL

Today I want to share about *Yezreel* the spirit of death. Do you know that death is a spirit? Yes, death is a spirit that knows everything that has life concluding plants and animals. There is nothing that can die without its approval. Have you ever dreamt of such an image in form of a man carrying a sickle, wearing a gown or old blanket? If you have ever dreamt of such image, then know that it is the one. It not only kills life but activities and plans in one's life. Such activities include marriages, relationships, businesses, finances and peace.

Revelation 20:13 The sea gave up the dead who were in it, and Death and Hades delivered up the dead who were in them. And they were judged, each one according to his works.

Read the above verse and you'll notice that this Spirit is holding people's lives. It holds people's material life and kills everything that comes its way. The bible says that at last it'll be cast in the lake of fire.

Revelation 20:14 Then Death and Hades were cast into the lake of fire. This is the second death.

This is the spirit responsible for everything that you ever started and died in life. It sometimes represents itself in dreams inform of a person who hides it face. Many people often dream of such images. It kills prophecies ever prophesied to people; especially positive prophecies. That's why to some people dreams and prophecies are just a night mare. They have reached a point of not believing in dreams and prophecies at all. Ask such people and they'll tell of dreaming about people they didn't see their faces occasionally.

That's why your blessings are dead. That's why your blessings are not materializing in natural sense. Please check on your dream history. Show me your dreams and I'll tell you your future. Any positive thing initiated by you and dies prematurely has a reason behind it. Nothing in life happens as an accident. There must be a reason behind everything. Stop assuming things and start being serious with life. Time can never wait you. Time is going.

I want to post a prayer that is essential when dealing with *Yezreel*. I think it's healthy if I teach you how to tell *Yezreel* to back off.

1 Timothy 4:6 If you instruct the brethren in these things, you will be a good minister of Jesus Christ, nourished in the words of faith and of the good doctrine which you have carefully followed.

BAPTISMO

Christian water baptism symbolizes a person's dying to his past course of life and beginning a new one as a Christian dedicated to God. Baptism and the steps that lead up to it are God's arrangement for a person to gain a clean conscience based on his faith in the sacrifice of Jesus Christ. **1 Peter 3:21** Jesus taught that his disciples must get baptized. **Matthew 28:19-20.**

In baptism, by faith, we are united with Christ in his death, burial, and resurrection. Baptism dramatically portrays what happened spiritually when you received Christ: Your old self of unbelief and rebellion and idolatry died, and a new you of faith and submission and treasuring Christ came into being. That's what you confess to the world and to heaven when you are baptized.

Baptism means doing this immersing in the name of the Father, the Son, and the Holy Spirit. That's what Jesus said in **Matthew 28:19: Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit.** This means that not just any immersing is baptism. There is a holy appeal to God the Father and God the Son and God the Holy Spirit to be present in this act and make it true and real in what it says about their work in redemption. There is no salvation without the Father, the Son, and the Holy Spirit. When we call on their name, we depend upon them and honor them and say that this act is because of them and by them and for them.

Baptism is for believers, an expression of faith. It is not something a nonbeliever can do. Spiritual circumcision is connected to baptism. It's a sign of maturity - letting go of the old habits.

So when the shift happened in redemptive history from the old covenant to the new covenant and from circumcision to baptism, there is a shift from an ethnic focus on Israel and only believers are being given the sign of membership in the people, to a spiritual focus on the church of all nations with both male and female being given the sign of membership in the people, namely, baptism.

Membership in the new-covenant people of God is not by physical birth, but by spiritual birth. That new birth happens by the word of God, the gospel **1 Peter 1:23-25.** Therefore, the church should be composed not of the believers and their infants, but believers only. And the sign of membership in the new covenant people is not a sign for infants but a sign for believers.

In Christianity, baptism is not intended to be a private experience. When you found Christ as your personal Savior that is an intensely private experience. But once you have entered the family of God, there is nothing private about it! You

are part of this wonderful thing called the Church, the Body of Christ, brothers and sisters related together in God's family

Almost everything of spiritual significance that happens to you after your salvation happens in connection with your family - the extended family of God. And that includes baptism. Baptism is an ordinance of the Church of Jesus Christ. John baptized people; people didn't do it on their own.

Baptism is an individual public profession of personal faith in Jesus Christ and surrender to Him. This is why it is so important that a person be old enough to understand what is happening and to be able to make such a commitment to Christ. This is why our baptisms at Grace Church are so special. It's a mature person professing; I know what I'm doing. And I want you to know, I belong to Jesus Christ. I'm surrendered to His will in my life. Such testimonies bring great joy and blessing.

We are founded with love, grace and unity; may the grace of GOD be with us. In order to understand the reason for being water baptized, it is important to carefully consider what the Bible says about it, Jesus himself was baptized. He was not a sinner, yet he humbled himself in obedience to identify with us and give us an example to follow.

Mark 1:9 At this time, Jesus came from Nazareth in Galilee and was baptized by John in the Jordan. The moment he came out of the water, he saw the sky split open and God's Spirit, looking like a dove, come down on him. Along with the Spirit, a voice, You are my Son, chosen and marked by my love, pride of my life.

Baptism confirms our position in Christ and affirms the blessings of the Father on us as his children; every person who has made the decision to believe in Christ. When Paul writes to the believers in Rome, he assumes that all of them have been baptized Romans 6. The one requirement for baptism is belief in Christ. Those who accepted his message were baptized ***Acts 2:41***.

Romans 6:3-4 declares, or don't you know that all of us who were baptized into Christ Jesus were baptized into His death? We were therefore buried with him through baptism into death in order that, just as Christ was raised from the dead through the glory of the Father, we too may live a new life. The action of being immersed in the water illustrates dying and being buried with Christ. The action of coming out of the water pictures Christ's resurrection.

Each and every Christian should be water baptized by immersion. Baptism illustrates a believer's identification with Christ's death, burial, and resurrection. Baptism is an important step of obedience after salvation but cannot be a requirement for salvation. Baptism does not save from sin but from a bad conscience. In ***1 Peter 3:21***, Peter clearly taught that baptism was not a ceremonial act of physical purification, but the pledge of a good conscience toward God. Baptism is the symbol of what has already occurred in the heart and life of one who has trusted Christ as Savior

Baptism is a physical picture of a spiritual truth. It represents what happened the moment God brought you into his family. Baptism doesn't make you a member of God's family, only faith in Christ does that. Baptism shows you are part of God's family. Like a wedding ring, it is a visible reminder of an inward commitment made in your heart. It is an act of initiation, not something you put off until you are spiritually mature. The only biblical condition is that you believe.

Some people think they have to be baptized to get to heaven. But the Bible says we can't get to heaven by doing things such as being baptized. Jesus did it all! He lived a perfect life, died on the cross for sin, and rose from the dead. We must trust in Jesus alone, not our own good works, to save us. Some churches baptize babies before they are old enough to trust in Jesus. Some parents want their baby baptized to show that they will raise their child to follow Jesus.

Self-thanksgiving prayer lets thank GOD. Thank You Father that I am born again and that You have saved me from sin and death, through Christ Jesus my Lord - that I have been born from above in spirit and truth. Lord I just want to thank You for the wonderful things that took place the moment that I trusted in Jesus as Savior. Thank You that You transferred me from the kingdom of darkness into the kingdom of Your dear Son. Thank You that I am accepted in Christ Jesus, Your beloved Son and have been clothed in His righteousness thank You that I have become a child of God and been made a joint-heir with Jesus and thank You that in Him I am seated in heavenly places and that I have become eternally secure, having been given eternal life by faith in Jesus Christ my Savior.

Thank You also for the understanding that the moment that I was born again, Your Holy Spirit baptized me, once and forever, into the body of Christ that he placed me eternally, into that body of believers that is called the Church. Thank You for this precious baptism into Christ and may I learn to grow in grace and in a knowledge Him Who loved me and gave Himself for me. Fill me day by day with Your Spirit lead and guide me in the days that lie ahead and thank You that in Christ I am saved by grace alone, through faith alone in Christ alone and that He did it all and it is finished, in Jesus name I pray. Amen.

WHAT YOU SERVE

Do you know that what you serve is who are? You become what you serve. Do not like serving people less your worth. Unless they serve the same God whom you serve. If you serve an anointed man of God you become anointed. If you serve couples in a successful marriage, though you may be single you are serving your own successful marriage. If you serve a failure you are carrying the failure inside you. Yes, what you serve determines your future.

Joshua 24:14 "Now therefore, fear the LORD, serve Him in sincerity and in truth, and put away the gods which your fathers served on the other side of the River and in Egypt. Serve the LORD!"

Life is game of choices. You choose what you serve. If you serve an evil person you must become evil in future. Vice versa is true when serving a righteous man.

Joshua 24:15 "And if it seems evil to you to serve the LORD, choose for yourselves this day whom you will serve, whether the gods which your fathers served that were on the other side of the River, or the gods of the Amorites, in whose land you dwell. But as for me and my house, we will serve the LORD."

Your life and future are defined by what you're serving now. Do ever try to serve anyone below your standards. Do not give a slave the honors of a king. Slaves are those who know the truth but are not doing it. Such people are the ones I am talking about. Do not entertain them! There is no way darkness can tally with light. If you serve confusion you will become confused also. Remember the bible says the Lord we serve is not an author of confusion. A fool doesn't deserve any honor. A fool according to the bible is he who says there's no God. Dumbness and stupidity inside people are demon oriented. If you serve such people you are serving demons in them. Once you serve demons, they become your master. A time has come that you have to serve the Lord.

Serve the anointed ones of God and see if you'll not carry the anointing in them. Elisha served Elijah. The outcome was that, Elisha receiving double folded anointing he didn't fast to get. He didn't struggle on prayers to receive double portion anointing that was operating in Elijah; chose whom you serve wisely. There are gifts you can receive out of selecting others; because if you serve a king, you are serving what that king has - kingship glory. So, expect to be a king. But if you serve a villain you are carrying what is inside him also. Look at your past and see what you have been serving. That's what you are now. Your now is defined by what you were serving in your past.

Matthew 20:26 "Yet it shall not be so among you; but whoever desires to become great among you, let him be your servant."

Yes, we're called to serve just as Christ said, but not to serve demons; only those who are chosen by God to be served. These are people who are carrying the anointing and grace of Christ. If you serve, you're assured to be the greatest of all. What you serve is who you will be. Serve a witch doctor then you'll be one. Serving a pastor means you'll be one. Serve your God with all that you have and see if you'll not carry the grace of God. Here comes my question. Who do you serve?

If you serve the church, you're raising ministers of the word. There is no regret in serving God. Your tithe, offerings, commitment to God, fasting and prayers, reading the word and giving the needy is not a loss. It may seem that you're doing nothing as at this time, but I'm telling you these things you do will release eternal blessings in your family. Your children will never give you hard time to nurture because of serving the Lord. Serving God looks like old school. It looks like it's not making any sense to the logic world. But when the time of divine blessings comes, even the blessed will call you blessed. You children will never beg for bread, neither will you ever be forsaken. Those are the results of serving the Lord.

Psalm 37:25 I have been young, and now am old; Yet I have not seen the righteous forsaken, Nor his descendants begging bread.

Don't ever think that the milk you buy for you pastor is a lost account. Don't think that the airtime you buy him is a loss. That tithe is not a loss either. Don't cheat yourself that anything you do in service to the Lord is a waste of resources. There is nothing you can do in the house of God that can go a loss. Even that single penny you gave for God's ministry; it must be accounted for whether you like it or not.

Malachi 3:10 Bring all the tithes into the storehouse, that there may be food in My house, and prove Me now in this," says the LORD of hosts, "If I will not open for you the windows of heaven And pour out for you such blessing That there will not be room enough to receive it.

Malachi 3:6 "For I am the LORD, I do not change; therefore you are not consumed, O sons of Jacob.

He is the one who said all this. If you're faithful in serving Him just wait. Keep on waiting upon Him. All is not in vain. At an appointed time, He is coming. Don't get tired of doing well. Keep on planting, keep on worshiping, keep on fasting. Your harvest is coming. Behold I'm coming soon says the Lord of host; to reward each person according to his deeds.

SEXUAL SINS

To those who commit sexual sins, your life is attached to souls of people you were sleeping with. Remember if you have sexual intercourse with someone you become one. That's why sex is very sacred and only allowed to married couples. Though it is tempting, sex must be avoided at all cost for unmarried people. No marriage no sex.

When you exchange sexual fluids with someone you become one. You share curses and sicknesses; generic sicknesses that will ruin you prematurely. Facts are facts. It's very dangerous to commit sexual sins. Very bad! That's why the bible says that let not it be heard.

As a believer you must ask God to put captive all vain imaginations that lifts themselves against any wisdom that comes from God. The greatest imagination to set captive is sexual thoughts. Once that thought of sex arise in your mind you have already fall in sexual sin according to the word of God. No one is free from falling captive in sexual sin; even men of collars. So, we need to ask God to renew our thoughts. Without Jesus Christ you can do nothing. The future and prosperity of your life depends on who you have been sleeping with; whom you have been exchanging sexual fluids with.

If you read the story of Abraham, his maid Hagar was blessed because of having sexual intercourse with Abraham. But because it was out of sin her generation was accursed. If you monitor very well, adulterous people and fornicators usually

end up failures in future. Their generations are automatically cursed. The law of sexual sin is universal. Any child that is born out of sexual sin needs deliverance and sanctity; failure to which they can be a thorn in flesh.

Families whose parents are adulterous are in trouble. If you are married and have sex outside wedlock, the children you'll beget later may suffer rejection and unproductiveness. They'll suffer out of sins of their fathers.

1 Corinthians 6:9 Do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived. Neither fornicators, nor idolaters, nor adulterers, nor homosexuals, nor sodomites,

Woe to those who practice sodomy.

1 Corinthians 6:13 Foods for the stomach and the stomach for foods, but God will destroy both it and them. Now the body is not for sexual immorality but for the Lord, and the Lord for the body.

1 Corinthians 6:15 Do you not know that your bodies are members of Christ? Shall I then take the members of Christ and make them members of a harlot? Certainly not!

Don't yoke yourself to sexual sin. It destroys!

Deuteronomy 23:2 "One of illegitimate birth shall not enter the congregation of the LORD; even to the tenth generation none of his descendants shall enter the congregation of the LORD.

This is the mess that is caused by sexual immorality. You mess up your child up to tenth generation.

Psalms 1:5 Therefore the ungodly shall not stand in the judgment, Nor sinners in the congregation of the righteous.

This issue of sexual immorality is too oppressive to hear. But I have to deliver it. You need to amend your ways with God. You need to help that child who is a captive. Don't allow that innocent child to go to hell. Though the bible warns us against sexual immorality, it has also created the room for restoration. The bible is a book of hope.

Isaiah 1:18 "Come now, and let us reason together," says the LORD, "Though your sins are like scarlet, they shall be as white as snow; though they are red like crimson, they shall be as wool.

The Lord has power to undo curses. He has power to make you white as snow. All is well to those who believe. There is no sin greater than his grace. A man is to error but God is to rectify.

Romans 5:20 Moreover the law entered that the offense might abound. But where sin abounded, grace abounded much more,

There is always remedy for all our faults. Worry less. Don't judge yourselves. God is in control and wants to redeem you today. Are you ready for redemption today?

I'm directed to pray and audio prayer to destroy all yokes of sexual immoralities. I will upload the seven prayers that I'll pray in tongues. Then make sure you listen to them either through ear phone or loud speakers. After that you just believe and you'll be free. There are things in spirit that can only be dealt with in tongues.

1 Corinthians 14:2 For he who speaks in a tongue does not speak to men but to God, for no one understands him; however, in the spirit he speaks mysteries.

The reason why I want to pray in tongues is to tell God your matters directly. After keen observation you'll receive answers from God directly in dreams some tonight some within a span of six days. I'm directed to do this by the Holy Spirit.

If you're ready please hit your names. If you have a friend or relative suffering from curses of sexual sins please hit their names also. It can be your husband, parents, friends or relatives. Please start hitting afresh and let no one interfere with the list of names being hit please. I want to pray for each name first then I start posting the seven cleansing prayers. Just start hitting these names afresh please. I'm almost in prayers. Please don't sleep. Sleep destroys destiny. If you truly want a miracle please keep watching with me. Just give God some hours tonight.

Matthew 26:40 Then He came to the disciples and found them asleep, and said to Peter, "What, could you not watch with Me one hour?"

2 Corinthians 12:4 how he was caught up into Paradise and heard inexpressible words, which it is not lawful for a man to utter.

TOUCH OF DOOM

Sometimes things happen to us that we wonder why. Sometimes calamities can strike you to the extent of knowing that it's not normal. Yes, things can happen to you very negatively that it reaches a time that you don't need a prophet to tell you that the hand of Satan is in it. This is what we call the *hand of doom*.

I want to explain very clearly. Things may happen to you that can drive your mind to think that you're cursed or even judge yourself. The *hand of doom* is the hand of the devil striking a believer with God's permission. There is time the devil dares believers' faith before the Lord. The devil is our accuser; He really enjoys asking God to give him permission to test us. Always remember the devil can never ever attack you without God's consent. The reason behind it is that you're a child of God.

Job 1:1 There was a man in the land of Uz, whose name was Job; and that man was blameless and upright, and one who feared God and shunned evil.

Job was too holy, godly and righteous. He was a man who used to vow before the Lord and fulfill it no matter what. This made him a celebrity in heaven, just like me and you. If you vow to give, pray, pay your tithes, worship, and wake up early in the morning and pray or to do anything for divine ministry, you qualify to be the topic in heaven. This is because the Lord who searches the mind knows the heart, and rewards each one according to his deeds.

Jeremiah 17:10 I, the LORD, search the heart, I test the mind, even to give every man according to his ways, and according to the fruit of his doings.

The Lord is very concerned about your inner thinking and inner secrets. Some of these secrets and vows we make inside our hearts without telling people. These are the vows the Lord normally looks for. There are people who prayed for employment and vowed to be faithful with their giving. Some vowed to be praying and ministering anytime they get an opportunity. Some vowed many things inwardly concerning their callings. These vows sometimes haunt them especially if they fail to deliver. It means the hand of God is in it. That's why some people are really haunted when fail to deliver secret vows with God. These vows make the devil angry and bitter especially those who fulfill them. This in turn leads to the devil to ask God to test your integrity. This is after he failed in the attempt to stop you fulfilling them.

Job 1:6 Now there was a day when the sons of God came to present themselves before the LORD, and Satan also came among them.

When you fulfill these vows you automatically land in God's list of blessings. But this doesn't please the devil at all.

Job 1:8-10 Then the LORD said to Satan, "Have you considered My servant Job, that there is none like him on the earth, a blameless and upright man, one who fears God and shuns evil?" So Satan answered the LORD and said, "Does Job fear God for nothing?" Have You not made a hedge around him, around his household, and around all that he has on every side? You have blessed the work of his hands, and his possessions have increased in the land.

The devil is a big liar. When a believer fulfills his vows and stands with his promises, he goes to heaven to ask permission from God so that he may stretch his filthy *touch of doom* in your life; especially material life. This is simply because he can't do anything to harm you.

Job 1:11 "But now, stretch out Your hand and touch all that he has, and he will surely curse You to Your face!"

That's why most of obedient givers are sometimes stricken to the extent of losing almost everything. Most of those who vowed to dedicate their lives to divine ministry are sometimes stricken with the touch of doom to make them look like they're losing everything in life. When you pass through such things, don't be discouraged. Don't pull out. In fact, you have to push it to the next level. When the devil's touch of doom is upon your life, keep on keeping on. It's another divine communication that the Lord is about to lift you. Remember when the

Lord allows this touch to touch you the Lord can never ever allow it to destroy you. Yes, you can never be destroyed.

Job 1:12 So the LORD said to Satan, "Behold, all that he has is in your power; only do not lay a hand on his person." Then Satan went out from the presence of the LORD.

This *touch of doom* has limits. There are points and level that it can't reach. The Lord allowed it against Job but with conditions: the condition was "do not touch his life" - his ministry. Yes, because out of that ministry there is God. More so, where there is God there are blessings and good plans. There is no failure where God is. There are no calamities where God is. The devil can attack you but he cannot attack the ministry in you. He can attack your resources but can't attack your calling, because in your calling there is God.

This is why you can find very bad people but they still fear God. You can do very bad things but still remember to give to pray and fast, because this is what the lord deposited unto you. The bible says beside the *touch of doom*, no matter how catastrophic it was, Job kept his integrity.

Job 1:22 In all this Job did not sin nor charge God with wrong.

He didn't ask himself silly questions. He worshipped and praised God instead. What about us? When a simple calamity strikes us, we start cursing our pastor's and churches. We start doubting our giving and prayers. If you are a culprit of judging things negatively after calamities, you need repentance; failure to which expect a harsh curse from God. Persistence wears out resistance. Persist in your calling and keep doing what you ought to do for better and for worse. God is still God. He knows what you're passing through. His command is keep doing what is good and He will reprimand you. But if you complain, sin will knock at the doors of your heart to destroy you.

Genesis 4:7 "If you do well, will you not be accepted? And if you do not do well, sin lies at the door. And its desire is for you, but you should rule over it."

For you to be accepted by God keep doing what is good. Keep on giving, keep on fasting and keep on worshiping. The rest leave to God. Yes, your material life was not meant to be taken care of by you but God. Your duty as a believer is to keep trusting and believing in your God without doubting. God hates a double minded person.

James 1:7-8 For let not that man suppose that he will receive anything from the Lord; he is a double-minded man, unstable in all his ways.

A double minded person can never ever receive anything from God. Don't confuse the touch of doom to a curse or being forsaken by God. The bible says that he will never live you nor forsake you. Why are you outsmarting the word of God? Ooh today we need repentance; especially for those who has been cursing themselves and people around because of what they're going through. For you to expect something from God, repent. The bible says that after Job persevered through all this, his latter days were blessed than his beginning. But before all

this happened, he paid a price; the greater the sacrifice, the greater the reward. Wow! Think about it! Pay a price of suffering and still standing. By doing this it won't last for a life time but a season. Out of great mess there is greatness. Please let's pray the below prayers.

Dear Lord if I have been complaining and cursing others and myself because of circumstances please forgive me. I'm a sinner and believe that there is no sin greater than your grace. Abide in me and give me directions and power so that I be able to outsmart this filthy touch of doom in future. In Jesus almighty name I seal.

James 5:16 Confess your trespasses to one another, and pray for one another, that you may be healed. The effective, fervent prayer of a righteous man avails much.

Proverbs 28:13 He who covers his sins will not prosper, but whoever confesses and forsakes them will have mercy.

Do not fret, do not whine and do not complain. God is in control.

HIP-HOP

Have you ever been addicted to hip-hop, rock or reggae music to the extent that you were not in a position to do without it? Have you ever played this in your house for so long in presence of your family? If your answer is yes, give me your ears.

Hip-hop is a demon that controls a platoon of millions of demons. It is a demon that assumed the biblical doctrine of the Nazarene, whose story is stressed in Samson. Hip-hop is a very powerful demon that used to help Lucifer sing in heaven; the best friend to Lucifer. It is the same demon that possessed Samson. If you read Samson's story, you'll find out that he was too strong even after messing up his way with God. Even after marrying a Delilah against God's will, he was still strong.

Judges 16:1 Then Samson went to Gaza and saw a harlot there, and went in to her.

He was one of the greatest fornicators in the bible. The spirit of God left him long ago even before Delilah convinced him. That's why we see him killing his enemies even after committing sexual sins.

Judges 16:2-4 When the Gazites were told, "Samson has come here!" they surrounded the place and lay in wait for him all night at the gate of the city. They were quiet all night, saying, "In the morning, when it is daylight, we will kill him." And Samson lay low till midnight; then he arose at midnight, took hold of the doors of the gate of the city and the two gateposts, pulled them up, bar and all, put them on his shoulders, and carried them to the top of the hill that

faces Hebron. Now afterward it happened that he loved a woman in the Valley of Sorek, whose name was Delilah.

You see even before he met Delilah, he was already backslidden. More so, he was still very strong. Not by the power of the Holy Spirit, but the power of hip-hop the demon of the cult of Nazarene. I'll not type the whole story of Samson here because you all know it. But let me describe and tell you the aftermath of hip-hop. Woe to all those who were once addicted or addicted to the types of music I posted above. It means you're possessed. Maybe you used to listen to this music before and assumed that you're free. But I'm telling you never! The devil always claims what belongs to him. The devil can never live you until you are delivered. The repercussions to this demon hip-hop are as follows.

Working as an elephant but eating like a roach. Most people who ever listened to this music's by hip-hop are affected financially in future. They sometimes get good jobs but their salaries are never enough. They can't prosper financially in future. The other repercussion is they *experience sleeping with strange beings at night*. That is later in future. They get married to spirit husbands and wives at night. I once preached about this and the outcome of this, so I'll not repeat please.

Their manhood or womanhood is crushed prematurely; that's why it's too hard to see a Rasta man growing old in a stable family. *Poverty* is the order of day in their future. Another one is *dreaming false dreams* that sometime seem to be true but their source is from demons. Another one is *rudeness and rejection*. Anywhere they go especially work places or learning institutions, they face rejection and unending warfare. Another one is that they *can't save money*. Anytime they try to save issues arises. Oh! The devil is a liar! Look around your neighborhood and observe Rasta men or rock music fanatics. You will prove this. Look unto people who were once addicted to this music even if it is you. You'll prove me right.

Another one is they know God but they're always *oppressive and rude*; sometimes towards God occasionally. Wow! Facts are facts. Remember you'll not see these repercussions now but later in life. Parents be warned!

Deuteronomy 11:19 "You shall teach them to your children, speaking of them when you sit in your house, when you walk by the way, when you lie down, and when you rise up.

Lack of knowledge has no rescue before God. Make sure you know these things and you deliver them to your family as they are. No one bewitched you. You're the one who bewitched yourself. Remember there is no curse without a cause. The seed you plant today you must reap tomorrow.

Proverbs 26:2 Like a flitting sparrow, like a flying swallow, so a curse without cause shall not alight.

The issue about gospel song with rock beats. What you have to observe is the artist who sings it; if he represents Christ or hip-hop demon. You can tell by their looks. If you want a confirmation, look at all reggae, Rock and hip-hop artists.

They all die impoverished, single, mentally retarded or confused. This curse also follows your children up to the fifth generation. But to most people these things are foolishness.

1 Corinthians 1:18 For the message of the cross is foolishness to those who are perishing, but to us who are being saved it is the power of God.

We get saved once but deliverance takes time. Getting saved is the first step of deliverance. The other side of deliverance works slowly by slowly. Many people are saved and suffering because they don't know that they need deliverance. Some confuse curses with wilderness. Why are you living in a curse and yet you are saved? It's because of lack of knowledge. Remember everything that happens negatively in your life has an answer. That's why for your salvation to be complete, you need fivefold ministers to surround you. These are is an Apostle, a prophet, a teacher, a pastor and an evangelist. But if you base your salvation in exaltation, you are ruined. You need higher people who operate in higher matters in the spiritual realm to help you out.

1 Thessalonians 5:4 But you, brethren, are not in darkness, so that this Day should overtake you as a thief.

We are not in darkness for things to catch us up unaware. That's why you need a seer. But life is a choice. If you think you can deliver yourself it's Ok. The Lord we serve is a democratic God.

If you read the story of Samson, it ends with Samson dying prematurely and very poor. Despite him being a king, he died without children and without any legacy behind. So, if you need deliverance look for a prophet or go to your pastor who operates in the prophetic ministry. He will lead out of this mess. The bible is a book of hope. Don't die like Samson. Take action now and secure your future.

THE WORST MISTAKE

There is this mistake we do that really haunts us. I believe many people commit it. The mistake is all about showing or exposing your material blessings. Do you know that it is a very big mistake to expose your material life? When you do this, it attracts a direct curse unto your life. Some people go to church and start exposing themselves through uncensored testimonies. Hmm...! I call them silly testimonies if I may give them a name.

I was meditating on something just a few minutes ago and the revelation I received has really shocked me. Don't dare try to go around exposing your material blessings to people without spiritual guidance; because once you do that, it turns to be pride and you know very well that the repercussion of pride is total demotion by God.

Isaiah 39:1-2 At that time Merodach-Baladan the son of Baladan, king of Babylon, sent letters and a present to Hezekiah, for he heard that he had been sick and had recovered. And Hezekiah was pleased with them, and showed them

the house of his treasures--the silver and gold, the spices and precious ointment, and all his armory--all that was found among his treasures. There was nothing in his house or in all his dominion that Hezekiah did not show them.

There is the story. Hezekiah showed his friend all the blessings the LORD blessed him with. It was like show off. Testifying it's not bad. But the problem is when you testify as show off. You want people to glorify you by what you have. Remember honor and glory belongs to God. Everything you have such as connections, education, money, husband, wife, children etc. are there for God's glorification not you. Once you turn them to self-glory, you attract divine curse.

Isaiah 39:3 Then Isaiah the prophet went to King Hezekiah, and said to him, "What did these men say, and from where did they come to you?" And Hezekiah said, "They came to me from a far country, from Babylon."

Isiah 39:5-6 Then Isaiah said to Hezekiah, "Hear the word of the LORD of hosts: 'Behold, the days are coming when all that is in your house, and what your fathers have accumulated until this day, shall be carried to Babylon; nothing shall be left,' says the LORD.

When you use God's blessings to show off and mock others, your days are numbered. Your blessings will soon be carried away and your children will become slaves. Remember the Lord who gave with a reason is the Lord who didn't give that person you're mocking with a reason. So, you're not smarter than that other person. We are all equal in the eyes of God. Always remember that time and chances happen to them all. Wow! Think about it!

Show-off testimonies are cursed testimonies, which will come back to you Willy nilly. What you sow is what you'll reap and you can't beat that. Facts are facts. Don't go to your place of work and start bragging how you're blessed materially than other workers. Please don't post your material achievements in social platform to show off how blessed or wise you're. By doing so you're digging your own grave. So, you better stop digging it or dig it even deeper.

Daniel 4:3-310 The king spoke, saying, "Is not this great Babylon, that I have built for a royal dwelling by my mighty power and for the honor of my majesty? "While the word was still in the king's mouth, a voice fell from heaven: "King Nebuchadnezzar, to you it is spoken: the kingdom has departed from you!

Wow! Ask Nebuchadnezzar and he will tell you what happened. After show-off and self-glorification, he was demoted from being a king to a mad man. The bible says judgment came while his blubbering was still in his mouth.

Daniel 4:31 While the words were still in the king's mouth, there fell a voice from heaven, "O King Nebuchadnezzar, to you it is spoken: The kingdom has departed from you,

God be with you till we meet again, till we meet till we meet till we meet at the beautiful gate till we meet till we meet God be with you till we meet again.

SILVER CORD

The silver cord in the spiritual realm is a cord that attracts people to you. Many people are suffering especially ladies in their marriages, because they don't know how to activate this cord in them. Many people go for magic to attract Men or people around them. Do you know you can do this in a Christian way? Men and women run away from us because this cord is defunct in our lives.

When this cord dies, people will run away from you including your close friends and relatives. Your husband will be snatched away from. Yes, it reaches a point that even your own children will avoid you. You will start cheating yourself that maybe someone bewitched you or you are being haunted by magic or demons of rejection. But that may not be the case. It's a matter of this cord.

This cord is a natural force that God created in every human being. But it can be snatched through magic. It's a cord that makes people love you and respect you. How do you know that this cord is active or is tempered with in your life? If you ever had a friend or relative who was very close to you, then they decided to avoid you without any tangible reason, it is an indication. Yes, you are a lady, you were involved in relationships where men run away from you or you break them yourself and your spouse didn't bother to follow you up. Yes, a man who once loved you avoids you and assumes you after breaking the relationship; not even bothering to know where you are or how you are faring.

There are people who others don't even think of avoiding them. There are ladies or men who are not very beautiful or handsome but opposite sex commit suicide because of relationship breakage. These are people whose silver cords are active and strong. Yeah it looks like magic but it's a fact. Facts are facts. But there are some who can never raise attention yet they are very beautiful and handsome. These are those whose silver cords are destroyed or taken by magic to help someone else.

This is what really happens to people who were once married then you find that their spouses start mistreating them and start treating them as trash. That's why I normally tell people love and favor is not measured in beauty or material things. It's a mystic that only God can define. Many people are suffering rejection and depression because of this cord. Let me confirm this in scripture so that you know that I'm not speaking humanistic philosophy.

Ecclesiastes 12:6 Remember your Creator before the silver cord is loosed, or the golden bowl is broken, or the pitcher shattered at the fountain, or the wheel broken at the well.

There it is. When this cord is broken, you'll live a horrible life; a life full of rejection. No matter how beautiful, rich or handsome you are, people will avoid you and reject you. So, if you have been praying so much for family reunion and nothing has happened so far you now know the problem. If you have been

praying for favor so much and nothing has happened to date, the problem is now revealed unto you. You know the reason why.

Ask yourself how comes a prostitute, a woman who have four kids from different father's, a savage woman from the bush or a house help, can snatch your man and go with him. Yet you're well behaved and you can't attract even that surf in the estate you live, and if you attract someone, he just uses you and run away. Yes, these things happen. That's why the bible says time and chances happen to them all.

Ecclesiastes 9:11 I have seen something else under the sun: The race is not to the swift or the battle to the strong, nor does food come to the wise or wealth to the brilliant or favor to the learned; but time and chance happen to them all.

It's because there is a secret behind life that people don't know. That secret is the *wisdom of God*. The bible tells us that the fear of God is the beginning of wisdom. Have you ever noticed a business man treating people badly but his business is thriving? Customers flock in his business-like flood, yet he is very crooked. You may say it's magic but sometimes it's not magic; it's real. Have you ever seen a woman changing husbands or men fighting for her? Men just want to marry her despite all her flaws. But there are some men may flock around them but all cheaters and time wasters.

So, let me show you how to activate this cord. But problem is when I show this, all men or ladies or friends who avoided you will come back running to you. This procedure is great than magic because it is from God almighty. It's a very simple process. This is biblical but forbidden! In the bible there are things that are not allowed to be taught to everyone. They are termed as forbidden knowledge.

This cord is what magicians use by breaking it to some and give them to others through powers of darkness. There is someone who is living your life somewhere through magic. There is someone somewhere who is living and enjoying peace of mind that is rightfully yours. That's what happens to ladies who snatch people's husbands. They break this cord through magic. Once they do it, the lady whose husband is snatched can never have peace unless this cord is activated.

Let me ask God if I'm allowed to show you how to activate or repair the broken silver cord. But the simple way as you wait is praying about it.

God be with you till we meet again, till we meet till we meet till we meet at the beautiful gate till we meet till we meet God be with you till we meet again.

AGONY OF A CALLING

Many people are called but few are chosen, because pursuing a calling is very hard. It's very hard indeed. It's a commitment beyond commitment for someone to make it through. When God calls you it is easy, but doing His will till the end is another process.

In a calling there is criticism, despise, disappointments, abuse, debts, sicknesses, and hopelessness, but if you fall you pay dearly for it. Sometimes people you trust so much disappoint you and become your greatest enemies. Sometimes people you trust go around gossiping you badly. Some people just move close to you to lay traps to make you fall in them, so that they go to the roof top with your name trumpeting on how you are a hoax. Some move close to you just to monitor if they can find a hint of flaw in you and bank on that. Some follow you in social media to see your posts and friends without your knowledge just to see if you post anything suspicious. Truly it's not an easy task!

Some people try to seduce you; if you deny their advances, they became your enemies. Some envy you to the extent of planning to poison you. But for these pleas you don't have to curse God or think evil against Him. Being a minister is not easy. It's not easy at all. It's not a game of people giving you money and gifts. It's a life commitment. It's a game of putting people's life's first and yours later. That's why most great men of God wished to quit and die in the bible.

1 Kings 19:4 But he himself went a day's journey into the wilderness, and came and sat down under a broom tree. And he prayed that he might die, and said, "It is enough! Now, LORD, take my life, for I am no better than my fathers!"

That is a great man of God prophet Elijah. He reached a point of death.

Numbers 11:15 "If You treat me like this, please kill me here and now--if I have found favor in Your sight--and do not let me see my wretchedness!"

That is Moses the prophet. He also reached a point of wishing death to come his way.

Job 6:11 "What strength do I have, that I should hope? And what is my end, that I should prolong my life?"

That's Job wishing to die.

Jeremiah 20:17 Because he did not kill me from the womb, that my mother might have been my grave, and her womb always enlarged with me.

Even Jeremiah the one of the greatest prophets wished he could not have survived in his birth. If your pastors could have been sharing with us what they go through, most of us would never ever admire that calling. Some ministers reach points of thinking of quitting preaching. Some think of doing things their way. Some think of committing suicide. But what bars them from doing so is; if they keep off and go back to sin openly there is no mercy unto them even if they repent. That's the agony of a called minister.

James 1:12 Blessed is the man who endures temptation; for when he has been proved, he will receive the crown of life which the Lord has promised to those who love Him.

VISION OF THE VALLEY OF DECISION

Today at exactly 2.00 pm as I was meditating before the Lord, the Lord showed me a very disturbing vision. I saw angels in form of beautiful ladies released by God from heaven. They were millions of them released to operate in every country in the whole world. Yes, they'll move from city to city. These ladies are almost like twins because they really look alike. I saw them walking around dressed like human beings and looked exactly like human beings; but their true identity is angelic nature.

So, I was taken back to Kenya and saw the ones that were assigned in Kenya. They were chocolate in color and a bit tall but very beautiful. I saw them operating in *Donholm* area walking in a supermarket. I followed them till they entered *Shujaa mall Nakumatt supermarket*. By 2:15 pm exactly they were there shopping like ordinary Kenyans. So, they looked at me and were really surprised because I noticed them. They disclosed to who they are and their mission and promised to disclose this to other men of God.

They told me that they'll walk around the whole country of Kenya from towns to cities. Their mission is to counter attack the group of demons called *titans*; released by Satan through God's consent. They'll also warn people about the *valley of decision*.

I tried to persuade them to elaborate to me concerning this valley. That's when my eyes were opened. What I saw from there was very disturbing. I saw a very strange setting. I was taken to a very dark and smoggy valley. I saw people both small and great. People who died long time ago. The terror I saw can't be compared by any terror ever experienced on earth.

Family let me tell you, let us be serious with our salvation. [In that valley there is no Luo, kikuyu, Kalenjin, white or black. Everyone looked the same, covered by soot. People were groaning with groaning that have never ever been experienced by sons of men.

Joel 3:14 Multitudes, multitudes in the valley of decision! For the day of the LORD is near in the valley of decision.

That place is real. I saw dead people I know very well crying wishing to be given a second chance but all was in vain. I don't want to go into details but I'm telling you that place is horrible.

After seeing that, the duo angelic beings told me to warn people especially believers to be serious with their faith. They told me that the *titans* were released to encourage preachers to preach about grace without the cross. That's why many pastors are ministering about money and prosperity. They don't tell people to fast and pray. They don't tell people to walk in righteousness. They have converted

the word of God to be motivational word. All these things we are seeing are total garbage. They warned me to tell people the truth of the word as it is. They told me to tell people that without holiness you cannot see God.

1John 1:5-6 This is the message which we have heard from Him and declare to you, that God is light and in Him is no darkness at all. If we say that we have fellowship with Him, and walk in darkness, we lie and do not practice the truth.

Wow! Think about it. We have to be very serious with God. Let's walk in righteousness like our master Jesus Christ. Let's stop cheating ourselves.

Malachi 4:1 "For behold, the day is coming, burning like an oven, and all the proud, yes, all who do wickedly will be stubble. And the day which is coming shall burn them up," says the LORD of hosts, "that will leave them neither root nor branch.

That day is very close. Let's abandon our hypocritical ways of worship and start seeking this good God. It's only through worship of truth and Spirit that we can access him. This world is not our home; there is another world that is eternal and real - where we are headed to. In that world there are only two options you either go to the golden gates or hell. In that world there is no race nor tribe but sinners and the righteous. Let's be serious with the word. Hell is for real and heaven too.

Malachi 4:2 But to you who fear My name the Sun of Righteousness shall arise with healing in His wings; and you shall go out and grow fat like stall-fed calves.

It's only those who fear the Lord that will have solace. Let's learn to fear Him. We only fear God by doing what He wants us to do through His word. The word of God is His mouth piece.

After the two angelic beings told me all these things and many that I can't post here, they left. I was really baffled. You'll prove this to be true the whole truth and nothing but the truth. Very soon you'll hear this testimony from different people. Because they told me that this revelation will be revealed to other men of God in the Diasporas.

Revelation 1:3 Blessed is he who reads and those who hear the words of this prophecy, and keep those things which are written in it; for the time is near.

CREEPING AND WHISPERING DEMONS

Have you ever planned things in your life but anytime you try to execute your plans they fail? Have you ever made very wrong decisions in life that makes you regret to date? These are decisions that sometimes you wonder if you're the one makes them. Some people even plan to do business and have very good ideas but these things never happen. Have you ever characterized your life in wrong choices that even influenced you to change your children's destinies due to your

past negativity? This issue is really traumatic and affects generations up to the fifth generation. Let me explain what happens.

Creeping and whispering demons are also called the *obizou*. The *obizous* are demons which walk in an inclined position looking like an old woman. Their mission is to whisper in someone's ears with the intention of influencing someone's decision making. How do you know that an *obizou* is haunting you? How can an *obizou* haunt you?

It's very simple. It comes from your parent's curses. When your parent curses you, the word he/she speaks against you attracts these demons. Another way is when your senior relatives like your uncles or aunts speak negative words against you. This may be due to envy or you genuinely offended them. It can also happen when a bread winner in your family be it a firstborn or not speak ill against you. The negative words they utter attract *obizous* in your life. That's why it's said that respect your elders to live stress free life.

Another way *obizous* can haunt you is when a minister of the word curses you. This is too great that releases powerful *obizous* that sometimes can be irreversible. These demons are too bad and when they are at your neck, no matter how hard-working you are you are most likely to die a failure. Your life will be characterized by rejection and unproductiveness. Your children can never ever escape from this also. Wherever they go, bad luck and hatred will follow them. It's too traumatizing that most people suffering from this are always called witches, even by strangers who don't know them.

When *obizous* are haunting you, you can never escape lack of money. They also restrict people from eating normal foods due to allergies; especially foods that the bible recommends like milk, honey, fish and chicken. If you dare eat them you face the consequences; especially fish. They don't like fish because fish scares them too much. They hate mostly Nile perch (Mbuta).

So how do you know that these demons are at your neck? They easily manifest in physical life. Have you ever been seated in your house and had something knocking once or twice especially when alone? Have you ever had someone calling your name at night or when alone but when you look you don't see anyone? If yes, you are a culprit. Have you ever experienced things or objects falling in your houses without anyone pushing or pulling them? There are some people who are unfriendly to glasses; wherever they come across one it breaks. They can't even explain why and how they break them i.e. windows, cups, mirrors or any item made of glass. That is why it is very dangerous to look your face in a mirror especially at night. That is where *obizous* like hiding.

If you want to prove their existence it is very simple. Just go in a dark quiet room with a mirror especially at night from 3.00 to 4.00 am. Then shout *Obizou* where are you? Seven times; it doesn't matter where you are it will appear. If you don't see them repeat the process severally until one appears. But if it appears expect anything. It can kill you or make you go mad if you'll not know how to handle it.

People say that demons are not real but try that and see one. So, I don't want to teach you how to summon them but how to fight them.

First of all, let me show you biblical verses that prove their existence and manifestation. Do you remember the story of the prodigal son? In that parable, Jesus was trying to show as how this teenager was attacked by an *obizou*.

Luke 15:12 "And the younger of them said to his father, 'Father, give me the portion of goods that falls to me.' So he divided to them his livelihood.

That teenager was unruly and dared his father, Due to *obizou's* influence, but at the end we see the same *obizou* tormenting him in poverty and madness.

Luke 15:13 "And not many days after, the younger son gathered all together, journeyed to a far country, and there wasted his possessions with prodigal living.

The *obizous* wasted his life by influencing him to make a wrong choice that he later regretted.

Luke 15:17 "But when he came to himself, he said, 'How many of my father's hired servants have bread enough and to spare, and I perish with hunger!

If you look at the above verse, it says that when this teenager came back to his senses. This means that when he was doing all these crazy stuffs he was not in his senses. There was an influence of something behind the curtains. That was a creeping or whispering demon behind him that subjected him to a crooked life.

Parents be warned! Please don't rush to conclude your children's fate. Don't dare judge anyone's child and yet you're a parent or you'll be a parent one day, because you don't know what the reason behind it. Shit happens. Remember there is no accident in life; everything has a reason. There is no curse without a source.

Proverbs 26:2 Like a flitting sparrow, like a flying swallow, so a curse without cause shall not alight.

Please don't dare try to shout or mention that name *obizou* anyhow. Talk of the devil and it will appear. I just mentioned it for education purposes. I just wanted to educate you guys. If you're here and are addicted to a mirror especially ladies, please avoid them at night. One day you'll be surprised to see an old woman with horns and red eyes looking at you. These things may seem as myth but they are real. Don't expose your baby to mirrors also. Babies are innocent and demons like haunting them so much. Avoid such things, but if you think it is okay, then do it. I am not dictating but just trying to share with you my spiritual knowledge as I know it.

So how do you deal with an *obizou*? There is only two ways of dealing with this issue. First is through diet. As I said earlier, Nile perch diet is recommended. Nile perch is a mysterious fish that is believed to be given to the Israelites by God. It's the Israelites who discovered it. It's the most common fish to them. The greatest

and second way to deal with this issue is through prayers. Here is how to pray about it.

Luke 15:18-19 'I will arise and go to my father, and will say to him, "Father, I have sinned against heaven and before you, and I am no longer worthy to be called your son. Make me like one of your hired servants." '

Yes! It is all about going back to people who cursed you. Parents or your senior relatives whom you offended; but if they cursed you without a reason you can as well pray and all will be ok. If you think that you have tried this and you are still haunted, please seek Spiritual assistance from a seer.

BREAKTHROUGHS AND PROPHETIC PROTECTION

Do you know that your breakthroughs and prophecies are supposed to be protected? Sometimes when a prophecy is delivered to us especially the one that is positive, instead of receiving good we end up receiving the opposite. Do you know why?

When a prophecy is delivered Angels and demons comes to witness. When demons hear about them, they start fighting with Angels who come to fulfill the prophecy. The strength of the mighty angels of God depends to your persistent prayer. When your prayer fails, demons takes control; then your prophetic breakthrough turns from bad to worse. That's what happens

That is why some people are changing prophets every now and then, to the extent of giving up with prophecies. Have you ever reached a point of calling prophets of God liars or giving up with prophecies? It's because when a prophet prophesies to you, you will notice that immediately after that prophecy your prayer life will go cold. It's demons who come down to frustrate your prayer life so that your angel may not deliver your prophetic breakthrough.

When this happens to you occasionally, your heart grows cold then your faith withers. That's why anytime you dream positively or are prophesied to positively, you have to pray a protective prayer; concerning your breakthroughs and prophecies. This has to be done by praying through a special and powerful verse in the bible or else you'll be mere dreamer till you die. If you can't protect your prophecies you can't receive them.

Exodus 23:28 "And I will send hornets before you, which shall drive out the Hivite, the Canaanite, and the Hittite from before you.

The Hivites, the Canaanites and the Hittites are demonic forces who are standing in your prophetic way; to frustrate your prophetic promise journey. The words in the above verse were said by God almighty. As I define, *prayer is simply taking the word of God to Him so that He sends it back to you.* So, if you are not wise, your prophetic breakthroughs will be a like a mirage.

Unless the person who gives these prophecies protects them, it will be in vain; because the bible says that prophecies are for an appointed time. Meaning they're for your future.

Psalm 127:1 Unless the LORD builds the house, They labor in vain who build it; Unless the LORD guards the city, The watchman stays awake in vain.

So, unless the Lord protects your prophecy, it's in vain.

Habakuk 2:3 For the vision is yet for an appointed time; but at the end it will speak, and it will not lie. Though it tarries, wait for it; Because it will surely come, it will not tarry.

Wow! Think about it. So, this is how to pray about every prophecy or breakthrough you received in a dream. Always remember that in the spiritual realm, ignorance has no defense. If you lack knowledge you perish!

Hosea 4:6 My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being priest for Me; Because you have forgotten the law of your God, I also will forget your children.

PROMISE OF GOD

I want to encourage you guys to never give up prematurely. God didn't call you to fail. The calling is good, the end is great but in the middle it can be messy. Each and every one who is called to the Promised Land have a messy middle. Sometimes things look like it's impossible. Sometimes things look like hitting rocks but I'm telling us to keep on going. Don't give up! The Lord says that he will never leave you no matter what.

Deuteronomy 31:6 "Be strong and of good courage, do not fear nor be afraid of them; for the LORD your God, He is the One who goes with you. He will not leave you nor forsake you."

Don't be discouraged by medical reports, rejection or lack. These are Red seas that try to stand in your way, but God knows how to part the waters for you. Don't dare try to walk away from God's promise; stick to it.

After David discovered that his divine promise is real and firm, he said that even though he passes through valleys of shadows of death he will not fear. Don't allow circumstances to destroy your God given promise. Your promise is greater than your situations. Remember no matter how tough things may look like, God knows to turn them upside down for your favor. The troubles that you're facing today have an expiry date. Trouble is to man but God is to deliverance. Your deliverance is just closer than you think. Don't be discouraged.

God is love and He loves you. Yeah! Nothing can change that fact. When God speaks in your life, you don't need to panic or try to succeed by yourself; just trust Him to handle it for you. Don't be upset or think that the Lord is ignoring you. Just have faith. Trust in Him. Once you do this it's a sign of maturity.

HOW TO GROW

For you to grow, you have to shrink. Yeah you have to pass through a process of shaking off. You have to shake off bad company, wrong friends, people who are there to discourage you, people whose minds are low and people who can't give you any advice or connections to prosper. These are the types of people you must get rid of. Though it's painful to separate yourself from them, but this is a law of growth. If you want to be a king please hang around with kings.

How can you grow to greater heights if people who familiarize yourself to you are surfs? The bible says you shall eat with kings not slaves. Show me your friends and I'll tell you who you are. There is no way you can raise above the level of people and friends you hang around with. Shake them off! Ask God to connect you with right people who will connect you to growth; both spiritually and physically.

Psalm 1:1 Blessed is the man Who walks not in the counsel of the ungodly, Nor stands in the path of sinners, Nor sits in the seat of the scornful;

The above verse warns us about walking with bogus people. Bogus connections must be avoided. If you can't change a friend to think big as you, avoid them else they will yoke you up to small mindedness and mere silly gossips that will never put bread on your table. Morons and silly people must be avoided. Life is too short to hang around with Idiots. Trust God for great connections; that will bless you and change your life. That's growth!

Birds of the same feathers flock together. Today call a meeting to yourself then ask yourself: since you were connected to some people that hang around you to date, what have you benefited? This should include your pastors and very close friends. Don't spare this great social ministry of *Just Prayers* also. If you think you benefited in any way, then that's the right company to hang around with. Buy if you think and prove there are no benefits achieved from them, it's time to quit. Even the bible says that resist the devil and he will flee.

Don't just hang around people because you fear loneliness. Don't hang around people because you want to get rid of boredom; but hung around people because you want to grow and learn to explore your life. It's a divine law. That's what the Lord commanded Man.

Genesis 1:28 Then God blessed them, and God said to them, "Be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth."

Yes! The Lord we serve is the Lord of explosions and multiplication. Not the Lord of mediocrity and status quo. So, if you're not prospering in life check your friend's. Wow! Think about it.

TAMARA/SHARAMOTA

It is a queen spirit that rules a platoon of millions of demons; that controls the lesbianic demonic underworld kingdom. In Arabia is called the sharamota, but in the bible it is assumed as Tamara. Let me explain how it works.

These demons are obsessed with ladies. They don't care about men. What they do to men is killing them. Once a lady is haunted by this demon these are the manifestation of their characters: They are often shy in their early ages. Once they discover themselves as teenagers, they often feel too much inferior. Then they take refuge to fornication as a way of boosting their self-esteem. They reach a point of not resisting men's advancement in intimacy later in life. Then they get into single motherhood.

Even if you're married but haunted by this spirit, you must fall into single motherhood at a tender age. Most ladies who're haunted by this spirit are most likely to be rejected and disappointed by men. Some bang into lesbianism without understanding why. This spirit also kills ladies' libido and interest in men completely if not tamed early. It also kills relationships to the extent that you desire to get kids and be done with marriages; that latter haunts you in life with extreme regrets.

Once this spirit haunts you, it usually leads someone to incest in one way or another; sleeping with a close relative as a ritual so that it takes total control of your life. The other thing is it gives the haunted wisdom and knowledge to pass exams but with no financial success in future. Wow! Think about it. I see people calling their daughters this name. May God forgive them because they do not know what they are doing. There is power in names

Genesis 38:6 Then Judah took a wife for Er his firstborn, and her name was Tamar.

There it is Tamar or Tamara getting married very well by a man called Er

Genesis 38:7 But Er, Judah's firstborn, was wicked in the sight of the LORD, and the LORD killed him.

We see that her husband died prematurely, because sharamota that was in Tamar subjected Er in sinful life that led to his death. So, we see that Tamar was childless and single again.

Genesis 38:8-10 And Judah said to Onan, "Go in to your brother's wife and marry her, and raise up an heir to your brother." But Onan knew that the heir would not be his; and it came to pass, when he went in to his brother's wife, that he emitted on the ground, lest he should give an heir to his brother. And the thing which he did displeased the LORD; therefore He killed him also.

We see that even though Onan slept with her he didn't love her. Why? sharamota was in control. There are ladies who sleep with men and try to do all techniques

during intimacy to win men's heart but all in vain. Once men sleep with them, they run away. The problem is not in you. Don't hate yourself. It is a demon that chases these men away. Ah! Lord have mercy.

Genesis 38:11 Then Judah said to Tamar his daughter-in-law, "Remain a widow in your father's house till my son Shelah is grown." For he said, "Lest he also die as his brothers did." And Tamar went and dwelt in her father's house.

So, she was to stay a widow because her two marital relationships just collapsed. How many relationships in your life have collapsed? Think about this in a broader way. Her story was so sad that she ended up being a desperate woman. Read the whole story. It reached a point that she lured her father in law into sexual act thus a sin of incest.

This demon can be tough to an extent of killing babes in ladies' wombs prematurely. Once this spirit is upon you, you can never ever get a good paying job or most likely you will be subjected into housewife cell in your life term. That's how bad it is ladies.

I want to show how to deal with this. Dealing with this is very simple. It takes a ritualistic prayer. Have you ever had of ritualistic prayer in any way?

ORNIAS

Ornias is a demon that is attracted mostly to people who are called to do specific ministries in the house of God. It's a fallen Angel that lives in constellation Aquarius. This demon is a vampirish and annoying demon. It normally appears and manifest to people whom it possesses from 20th January to 18th February. Most people who were born in this frame time are mostly culprit to this menace. But it also affects people who were born out of this frame time. So, let me tell you what it does.

When it possesses you, these are the signs that follow: Though it manifests in seasons, it makes the possessed be addicted to color red. You'll find yourself addicted to color red too much or and any color that is close to color red. It starts by ruining your life at a tender age and exposes you to sexual sins uncontrollably. It exposes the haunted to drugs, sex and alcoholism especially at a very tender age.

It frustrates your finances and this can affect your future life to the extent that you can never ever get money that can satisfy your wishes. It subjects you to live a life of competition to the extent of being stressed up and hating people who have things you don't have. In seasons, it subjects you to rejection. It also binds you to wrath and making silly allegations that later haunts you. It can strike you with premature death if not exorcised in time. Since it was a choir Angel before it was cast down it down, it really likes those who are gifted in music and dances. This is also another reason of musicians dying at a tender age.

The other main sign is being moody in your God given anointing or call. Yes! Sometimes you trust God so much and pray very well, but sometimes you're pissed off completely to the extent of seeing the word of God as a mirage.

Matthew 26:40 Then He came to the disciples and found them asleep, and said to Peter, "What, could you not watch with Me one hour?"

This demon was affecting Peter and Judas Iscariot. It's also a spirit that can lead the haunted to be the greatest betrayer ever. It is characterized by hypocritical, gossip, envy, blubbery and poverty. Blubbery means talking nonsense without your knowledge (*kupayuka in Swahili*). That's why Christ told Peter away from me Satan. Jesus was seeing this demon in peter.

Matthew 16:23 But He turned and said to Peter, "Get behind Me, Satan! You are an offense to Me, for you are not mindful of the things of God, but the things of men."

Luke 22:3 Then Satan entered Judas, surnamed Iscariot, who was numbered among the twelve.

The above verses are talking about this demon *ornias*. It entered Judas and Peter to frustrate Christ's ministry. That's why many people who are haunted by this demon are very stubborn, especially when it comes to ministry. So, this demon is afraid of one thing only; the mighty arc Angel Ariel.

It also leads to addiction to pornography, masturbation and same sex relationships. It kills men's and ladies' libido later in life, which leads to lack of sexual interest in future. The devil always comes to kill, steal and destroy. The works of demons are almost similar, having one common denominator which is destruction.

Hosea 4:6 My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being priest for Me; Because you have forgotten the law of your God, I also will forget your children.

Psalms 139:6 Such knowledge is too wonderful for me; It is high, I cannot attain it.

In conclusion, for this demon to leave your life completely, it takes a bloodline cleansing prayer. I'm planning to do this prayer soon. It's a prayer that is concerned with intense repentance that cleanses someone's blood from all curses and legal ground of demons in your life. I'll start doing this in Thursday fellowship then proceed to where the Spirit will direct me.

THREE DIMENSIONS OF PRAYERS

Do you know that prayers work in three? Please let's see how. If you don't understand the doctrine of trinity, you can't raise to the highest level. In the field of prayer, you need to understand the doctrine of trinity and how it works. Let's do it in series.

1. THROUGH THE FATHER

This is the type of prayer that can be accessed by everybody including sinners. This prayer is directed to the father who is love. Yes, God is love and gives rains to bad and good people simultaneously. No matter how wicked you are God still loves you. This kind of prayer is found in the book of Genesis. Prayed by the wicked Cain

Genesis 4:13 And Cain said to the LORD, "My punishment is greater than I can bear!"

Genesis 4:15 And the LORD said to him, "Therefore, whoever kills Cain, vengeance shall be taken on him sevenfold." And the LORD set a mark on Cain, lest anyone finding him should kill him.

Besides being a villain, the Lord listened to him and protected him by putting a mark of vengeance to his face so no one who could slay him. This prayer is also practiced by main streamers; those who ministers from theological foundations.

It's also experienced during the first minutes of prayer. When you start praying you start by flowing in this level. This level is not revelational but logical. You can't receive any major revelation from God when you operate from this level. That's why many believers who pray from this foundation normally believe that there is nothing like the Holy Spirit. They also oppose the existence of miracles and tongues, because it's like a mirage to them.

2. THROUGH THE SON

This is the second level of prayers. It's prayers through the word of God. These are prayers people make by quoting the word of God; praying mentioning scriptures. You can't reach this level without passing through the first step, because it's through God that you reach this level. This is prayers that are subjected to Jesus Christ.

John 6:44 "No one can come to Me unless the Father who sent Me draws him; and I will raise him up at the last day.

This is where many Christians operate. This prayer is what undo and outsmarts the devil. It's what breaks curses and destroys the powers of darkness, but it can't do miracles. That's the sad part of this! It's the prayer that overcomes temptations, and it's what Christ used to overcome His tempter.

Matthew 4:7 Jesus said to him, "It is written again, 'You shall not tempt the Lord your God.' "

Matthew 4:11 Then the devil left Him, and behold, angels came and ministered to Him.

Praying quoting biblical verses rebukes demons away from us and attracts Angels to minister unto us.

3. THROUGH THE HOLY SPIRIT

This is the final level of prayers. You can't reach this level without passing the first two levels. Prayer is a metamorphic phenomenon. This level works in three. The first one prayer is human tongues through the help of the Spirit of God. Languages of human beings you don't know. The second one is through language of Angels through the Holy Spirit. The third level is utterances that are not allowed to be uttered by human beings.

Romans 8:26 Likewise the Spirit also helps in our weaknesses. For we do not know what we should pray for as we ought, but the Spirit Himself makes intercession for us with groanings which cannot be uttered.

That's how prayer works. If you reach the final level, you qualify to become a carsist. A carsist is a person who can break curses; talk to spirit beings and give people Spiritual direction. Without reaching the last level, no matter how strong and powerful you are, please don't dare to advice people in making tough decisions in life. No matter how many degrees you have in theology, by doing so you attract curses. This is simply because you are not recognized anywhere in the Holy of Holies. But you should give advices up to the level you're operating.

That's why we have many ministers operating in levels they're not supposed to operate. They end up cursed later in life. Have you ever met ministers who pray for people but are extremely poor? Some look confused yet they pray and prophecy real things. The reason behind it is corkism (*kierere in Swahili*).

So, this sermon can also be applied in your daily prayer. When you begin to pray, you'll notice that prayers become boring. If you persist, it drops you to the word of God. Prayers that leads you to quoting the word of God; this is a bit long. Then if you're gifted you pop in tongues. That's how the game is played in prayer.

GEOMANCY

Geomancy means divination by building houses. Do you know that the houses we live can affect our lives? Let me start with the concept of free masonry. Free masonry means free builders. The founder of free masonry was Cain. It's believed that he was the first person to build a city in the under instructions of the demon Azazel, after the Lord rejected him.

Genesis 4:16-17 Then Cain went out from the presence of the LORD and dwelt in the land of Nod on the east of Eden. And Cain knew his wife, and she conceived

and bore Enoch. And he built a city, and called the name of the city after the name of his son--Enoch.

After Cain, this cult was revived by Nimrod then king Nebuchadnezzar. So what is the secret behind building? Let me go direct to my point. Before any building is constructed, there is ritual that is required to be performed. This law is universal. Even if it is a government building, you'll notice that senior government officials are welcomed to launch the buildings, and if possible, a simple part to kick the project may be performed.

These rituals are done to appease evil Spirit's that live in that specific area. For example, have you ever noticed colonial houses that were built all over Kenya on major cities are almost looking the same? They were designed by Freemasons who colonized us.

More so, you'll discover that the outcome of dwellers of these houses end up confused and impoverished. Like here in Nairobi you'll discover that estates that were built by the then Nairobi municipality still exist. People who live in these houses behave the same. They love each other so much but they don't prosper. No marriages for both ladies and Men.

The children who are nurtured there end up to be prostitutes, thieves and drug addicts. This is where you'll find fools at forty. It's because the rituals performed by free masons are supposed to be renewed after 50years; but the builders didn't inform us.

So, when these houses last for more than fifty years, the demons return back to haunt the inhabitants demanding the rituals. Out of ignorance, they strike the inhabitants with calamities. Go to Nairobi Estates like Embakasi, Kariobangi, Dandora, Kaloleni and Jericho. You'll notice that poverty, drugs and prostitution is the order of the day. The rate of crime in these estates is alarming. Problem is not the dwellers but spirits behind them.

This issue of geomancy also affects builders. Have you noticed that most masons (*watu wa mjengo*) look the same? These guys are just paid well but they mostly spend their salaries in vain. It's not easy for a mason who works in the field to prosper. Those who prosper are the ones who know the secret behind building? That's why even in our remote villages before someone builds a house there are some rituals he must perform.

If he is a believer, he calls pastors to pray about it first then he proceeds; failure to which expect nothing but chaos. You either appease or drive these spirits away before you build. Same to builders; you have to appease them through magic that will haunt you later, or call men of God for prayers. But always remember anything demonic has a repercussion. Yeah! Facts are facts.

Nowadays, there are masons who are informed. When they build a house, they perform rituals without the owners' knowledge. They deceive the owners that they want to decorate their houses. When allowed, they inscribe objects like spades, triangles and circles. Have you ever seen these inscriptions in people

houses? It can be a plot, an apartment or a building. These are objects of magic. Once they do this, they surrender the demon Azazel or Jahbulon to the owner of the building.

If you want to prove this, look around a person who has prospered in building and construction. You'll notice that he must have jinns (*marine spirits*). More so, you'll notice that his children are spoilt and some deformed. This applies even to senior building and construction Engineers. The field of building is not a joke family. That's why Christ gave a parable of building and construction.

Matthew 7:24-25 "Therefore whoever hears these sayings of Mine, and does them, I will liken him to a wise man who built his house on the rock: "and the rain descended, the floods came, and the winds blew and beat on that house; and it did not fall, for it was founded on the rock.

The wind in the above verse was derived from a Hebrew word Naphesh meaning a Soul or Spirit. So, he meant after building a house, there are spirit beings that visit it to test the integrity of the building. When it's weak they enter and possess the habitants. This implies that evil spirits visit houses in seasons.

Psalm 127:1 Unless the LORD builds the house, They labor in vain who build it; Unless the LORD guards the city, The watchman stays awake in vain.

That's why unless you welcome God in your building project expect nothing but chaos in future. The devil was given authority by God to control some things in this earth. That's why he is referred to us the ruler of this world.

2 Corinthians 4:4 whose minds the god of this age has blinded, who do not believe, lest the light of the gospel of the glory of Christ, who is the image of God, should shine on them.

If you'll not access the light of Christ to be enlightened on how to skip the devil's schemes, then you're ruined completely. That's why people invest in building renting houses hoping to hand over family inheritance to their children, but they later find none to inherit their properties; their children are cornered by demons.

LEGAL GROUNDS

This is defined as the platforms that demons use to destroy and torment human beings. This is can also be referred to us ancestral altars that demons use to devour sons of men. They are well inscribed on the bible through the divine law; curses that were spoken by God to destroy and torment those who hate Him (God).

Exodus 34:7 "keeping mercy for thousands, forgiving iniquity and transgression and sin, by no means clearing the guilty, visiting the iniquity of the fathers upon the children and the children's children to the third and the fourth generation."

Please let me explain this verse deeply. These are altars that affect people through the auctioning of demons by the word of God almighty. Ancestral altars are forces behind your suffering in life. Let's explain them in series

1. Blood Altars

There are people whose ancestors or fore fathers used to spill blood. They used to kill people or take animals to witches as sacrifice. How do you know that this altar is haunting you?

This is when ladies experience abnormal spill of blood after giving birth or during menstrual cycle. Complications that are related to blood issues or any sickness that hides in your bloodline. E.g. blood infections, anemia complications, some when bruised or experience a cut it spills blood abnormally. All these are symptoms to parental mistakes that are haunting you.

Some parents did abortions and spilled blood. Due to it, expect blood related problems in your family tree. When this altar is haunting you, it curses your money. That's why many people who once committed abortions or spill blood through magic altars are always broke. There is nothing they can do to increase in money unless this altar is broken.

Genesis 4:11 "So now you are cursed from the earth, which has opened its mouth to receive your brother's blood from your hand."

If you spill blood expect poverty in future. Even if you're prospering for now, it's just for a while; unless you visit someone, who can break this. There is nothing you can achieve in life. That's why some families that were once prospering are now defined as poor and useless. That is why some people are barren and can't conceive because of blood altars. Some gave birth to children but they'll all die prematurely while their parents are still alive.

2. Land Altars

The blood altar is always followed by the Land altar; if you spill blood is the Land that receive it.

Genesis 4:11 "So now you are cursed from the earth, which has opened its mouth to receive your brother's blood from your hand."

This leads to a curse in everything you do on land.

Genesis 4:12 "When you till the ground, it shall no longer yield its strength to you. A fugitive and a vagabond you shall be on the earth."

Nothing you'll do on the land of your living can be prosperous. That's why there are people who are really trying to buy plots but it's vain. Some are cornered by conmen. Some after buying plots, they discover that it was in a road reserved area. Some can't cultivate anything or practice horticulture in any way, and when they try, they end on a big loss. Some end up being coned by people they really trust.

The problem may not be you but an altar haunting you. This also affects people by making them vagabonds. A vagabond is someone who moves from one place to another looking for greener pastures but in vain. You're moving your business from one place to another but you still fail. You're moving from one plot or place to another but you still experience the same problems you left behind. If you were avoiding crooked neighbors you find the worst. The problem may not be you but an altar haunting you.

There are people who sleep pathetically, some snore abnormally, some rotate in bed like small children, some loose memory completely when they wake up after sleep whereas some sleep like corpses. Little did they know that these are blood altars haunting them. There are people who wake up but coming out of bed is a problem. They take almost an hour to get out of bed; if they do it spontaneously, they may collapse. Some are walking with painkillers in their pouches. Some people's houses are full of medicines to the extent of making their houses chemists, all in the name of emergencies.

The power behind this is altars; sins of your fathers. I want to help you break thus things. You can live without headaches through the blood of Jesus Christ. Some people here have favorite tablets.

3. Stomach Altars

These are altars that are related to stomachs. They haunt people's stomachs by restricting them to eat some foods. They start by haunting children. If you have a child who you're forcing to eat, it means there is something wrong. If you struggle to eat and you have good food in your house or if you eat too much it means you're haunted.

2 Kings 7:2 So an officer on whose hand the king leaned answered the man of God and said, "Look, if the LORD would make windows in heaven, could this thing be?" And he said, "In fact, you shall see it with your eyes, but you shall not eat of it."

This are altars haunting people because of the ancestors who used to oppose the word of God. If your parents and ancestors used to oppose the word of God, expect stomach related complications such as bloated stomach and stomach upsets. Facts are facts.

These altar-related complications are demonic; demons manifesting in form of complications in your body and habits.

4. Robbery Altars

There are people whose parents were thieves. They didn't use to pay tithes.

Malachi 3:8-9 "Will a man rob God? Yet you have robbed Me! But you say, 'In what way have we robbed You?' In tithes and offerings. You are cursed with a curse, for you have robbed Me, even this whole nation."

That's why some people's children are thieves and conmen. This is a curse. Some can't live without stealing; even if they're employed, they'll be forced by demons to steal. This eventually leads them to be sacked and be terminated from duty.

They steal very petty things that are shameful for them to explain to people. Some people's houses and properties are always vandalized and property confiscated in seasons. It's because your parents never tithed or give in churches. Remember there is no curse without a cause.

5. Low Class Altars

There are people who are very low class. They can't buy anything expensive. They can't live in self-contained houses or bedsitters. Their lives are defined by living substandard houses and buying cheap things. Anytime they think of shopping, their minds direct them in the nearest slums.

For how long will this happen to you? You need to be freed

6. Marital Altars

There are people who are experiencing marital problems because their parents also suffered the same. Such people marry each other to torment each other through demonic connections. Look at your parental history then you'll know that problems in your marriage are not about your spouse but are altar-oriented. May God forbid!

Isaiah 61:1-3 "The Spirit of the Lord God is upon Me, because the LORD has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound; to proclaim the acceptable year of the LORD, and the day of vengeance of our God; to comfort all who mourn, to console those who mourn in Zion, to give them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they may be called trees of righteousness, the planting of the LORD, that He may be glorified."

7. Altars of Delay

These are altars that are delaying people lives. There people who can be best wives and husbands, but the devil is delaying their lives. Some can do great things when married but the devil is fighting them. The devil is a liar! The types of demons that execute these altars in material life are called tormentors.

Matthew 18:34 "And his master was angry, and delivered him to the torturers until he should pay all that was due to him."

Exodus 3:7 And the LORD said: "I have surely seen the oppression of My people who are in Egypt, and have heard their cry because of their taskmasters, for I know their sorrows."

Task masters must be defeated in your life in Jesus name!

GRIEFS OF A CALLING

Receiving a calling from God is easy but pursuing it is the toughest thing ever.

John 15:13 "Greater love has no one than this, than to lay down one's life for his friends."

In a calling, it takes sacrifice to the highest level. You must be able to rubbish your life for the sake of others. There are things in your life that must be delayed and it may look like they'll never come to pass. It takes fasting and interceding for people even without telling them. It takes despise and overlooking those who overlook you. It looks sometimes as if you're confused. Even if you pass through hell, you have to put a smile always so that you can give people hope and not shame your Father in heaven.

Luke 1:5-7 There was in the days of Herod, the king of Judea, a certain priest named Zacharias, of the division of Abijah. His wife was of the daughters of Aaron, and her name was Elizabeth. And they were both righteous before God, walking in all the commandments and ordinances of the Lord blameless. But they had no child, because Elizabeth was barren, and they were both well advanced in years.

Maybe you are here and you do pray and give to the fullest but you're still poor. Some are here helping people and trying to transform their lives but in their own families there is a bunch of crooked people. Maybe you are encouraging people telling them the goodness of God but there is a problem that is sitting on you to the extent of getting used to it; to the extent of thinking that there is something wrong with you. Or you are not praying as you ought to. Sometimes ministers of the word are passing through thorns in the flesh kind of problems to the extent of embracing them. Why?? This is a normal grief that the Lord wants us to pass through for specific reasons.

Let me list these reasons in series.

1. So that He blesses you extraordinarily

In divine law, there are special blessings that can't come without despise, gossip, hopelessness and delay. Jesus Christ was scoffed, delayed in a carpenter's shop for 30yrs and rejected. Hannah was to be scoffed at for her to conceive a miraculous Samuel. Abraham was to be mentored by God to beget Isaac the miraculous son, and many more examples in the bible.

If you are a promised child of God, you must pass through hell and longsuffering to receive blessings that are not regrettable and has no sorrows. You can't change that divine law.

2. So that you experience divine power in totality

There is no way you can preach grace without experiencing a life of grace. There is no way you can preach rejection unless you pass through it. Same applies to

delay, sickness, poverty and many others. It's out of these experiences that you will discover the power of God. No matter how tough life will be, the Lord will give you power to outsmart them

Psalm 34:19 Many are the afflictions of the righteous, But the LORD delivers him out of them all.

The funny part is that, such griefs are caused by demons under the consent of God. It is the Lord who sends demons to test believers because God never test people.

Job 1:12 So the LORD said to Satan, "Behold, all that he has is in your power; only do not lay a hand on his person." Then Satan went out from the presence of the LORD.

The above verse is all about God sending Satan to test a righteous man. The problem is that, when you fail these tests you can never be promoted. That's why most ministers are always dwarfs. They never grow because the demons overpowered them with their tests. If these demons of tests overpower you, you are ruined.

Sometimes you will see people who are given the ministry of giving passing through hell financially, especially when they give. This may be to the extent of compromising their giving. When you do that you go back to square zero. We call it maintaining status quo. This happens to all other ministries. If frustrations overpower your work in the ministry to the extent of quitting, you tap a curse.

Jeremiah 48:10 Cursed is he who does the work of the LORD deceitfully, and cursed is he who keeps back his sword from blood.

Anytime you receive a curse, there is a guardian demon attached to it. We see many Christians going to church for many years but they look like they are somehow confused. Some look like mad men. It's because they were given tasks to do by God almighty but they are sluggish; hence they attracted curses and demons as a result of the so-called curses.

Have you ever met a person who was once saved and has backslidden? You will notice that such people never make it in life and most of them look confused. It's because the Lord sends distressing Spirit's to torment them day and night.

1 Samuel 16:14 But the Spirit of the LORD departed from Saul, and a distressing spirit from the LORD troubled him.

That's what happens. When it comes to your ministry or calling, it is a matter of life and death. You conquer or you perish. There are no jokes. If you're called and understand your calling, risk all it takes to gain Christ.

Philippians 3:7-8 But what things were gain to me, these I have counted loss for Christ. But indeed, I also count all things loss for the excellence of the knowledge of Christ Jesus my Lord, for whom I have suffered the loss of all things, and count them as rubbish, that I may gain Christ

So being called by God is not a matter of bread and butter. It reaches a point when you can't plan yourself. And when you try things backfire.

FAKE PROPHETS

There is a trend of fake prophets and prophetesses in social media. There are ministers under the anointing of demons called *mammons* ruled by a mighty demon called *Jahbulon*. These prophets are located in western and southern parts of Africa. Most prophets in other African countries proclaim they were in one way or another ordained by them.

Matthew 6:24 "No one can serve two masters; for either he will hate the one and love the other, or else he will be loyal to the one and despise the other. You cannot serve God and mammon.

The bible compares mammon with God, meaning Mammon the opposite of God; a representative anti-Christ. These false prophets stand with the story of Elijah and Elisha. They say that since Elisha was imparted the anointing by Elijah, they also have power to impart people with the prophetic anointing.

Many frustrated ministers run to them to be imparted also, in which some achieve. But let me tell us, the importation they give people is pure demonic. The prophets who operate under their so-called anointing always refer to them as their fathers and depend on them more than the Holy Spirit. Anytime they minister they mention the name of these father prophets more than the name of Jesus.

Let me explain to you how mammonic demons look like. They are blue-like spirits representing the color of pride (Wealth from Satan). In dreams they appear in blue smoke or goblin beings. Once these false prophets minister to you, they send these demons to you as guardian demons. These demons have power to create jobs, business opportunities and prosperity instantly. This is due to the fact that they minister and base their sermons to the gospel of grace; selected gospel that if observed well is only based on how to live a good life without following the law of God, or the word of God as it is. They want believers to believe that serving God without monetary success is a curse. Anytime they prophecy it's just about success and prosperity. They don't base their prophecies according to the word of God.

Joshua 1:8 "This Book of the Law shall not depart from your mouth, but you shall meditate in it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success.

This is the only way to God's prosperity. God's prosperity is not by grace but by law; doing what the law says then the grace will follow. Please family, do not be deceived. They are replacing the word of God and the name of Jesus with their own names, owning multibillion business firms.

Acts 4:12 "Nor is there salvation in any other, for there is no other name under heaven given among men by which we must be saved."

That's why I normally tell people that as a minister please don't trust me but God though Christ. Trust He who sent me. This hoax ministers are deceiving people by sending demons to them, so that these demons may make their followers zombies; to follow and believe their demonic oriented miracles.

2 Timothy 3:2 But know this, that in the last days perilous times will come: For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy,

The above verse shows the repercussions of possession of mammon in people's lives. When a mammon possesses you, the above characters will follow you. More so, the other repercussions are losing your eye sight, bones diseases and growing old prematurely may affect you. But wealth you'll receive in abundance.

Always remember that the devil has no free gifts! You must pay for it. Those who have ears let them hear what the spirit is telling the church. A real prophet of God never compromises the word of God. He preaches the word as it is without caring who will follow him or not. A real prophet has a very tough story of wilderness behind him. There is a divine making process of a prophet of God; most of them live by grace. Not by the grace of Jobs, donors or businesses. Most of them don't even plan their lives. The only thing they know is just living.

Prove this by reading the biblical prophets. They lived a very tough and unpredictable life. What about these days? It's too sad seeing someone calling himself a prophet and he owns a very successful business firm. They go to the extent of marketing their business to his church so that people may buy his goods. Do not be deceived family! Prophets minister under strictness of the real word not mere prophecies.

There is no single prophet in the bible who ever anticipated to venture in real estate business. So, these ones we are seeing are amazing. Prophets direct people to God not to material things. Because I believe that when I direct you to God the same God will direct you to material wealth according to His will.

Proverbs 10:22 The blessing of the LORD makes one rich, and He adds no sorrow with it.

The real blessings God must come after wilderness; in form of waiting, disappointments, lack, rejection, misunderstandings and the like. This is what all people including Men and Women of God pass through. This procedure is universal and it doesn't matter where you are. The bible is very clear that in the last day the anti-Christ will be given authority by God to deceive even the elect. The only way to do this is by using the name of Jesus to perform their dubious miracles.

Matthew 24:24 "For false christs and false prophets will arise and show great signs and wonders, so as to deceive, if possible, even the elect.

Mathew 7:22-23 "Many will say to Me in that day, 'Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?' "And then I will declare to them, 'I never knew you; depart from Me, you who practice lawlessness!'"

A real prophet cannot do anything by himself to get money. When he does use his mind to get material things they flop. That's what I know. Their survival depends on God by the grace. Anything apart from this don't take it!

BIBLIOMANCY

Tonight, I want to open your eyes. Bibliomancy means divination through the bible. Do you know that there are ministers of the word that use the bible to curse and bind people? Yes, this term can be applied also in church; people bewitching others in churches.

Many believers especially those who go to prophetic or Pentecostal churches are really suffering innocently. There is a type of magic that can only work in a church and through the bible. This is what we call bibliomancy or *Balaamism*. For this magic to materialize, it must work in a church and through the bible. If you want to prove this magic works give me your ears.

There are people who call themselves prophets and prophetesses that pray for people at a fee. Immediately you get used to giving them money, your life becomes stuck. It can be as tough as your marriage, business, and health, which deteriorate completely after some time.

Some bibliomancers are professionals in poisoning people to death in churches. Others are keen in your offerings; when they notice you're blessed by giving they bewitch your money through the bible. That's why Christ said when you give do it in secret it's for your own advantage.

Some are in churches to grab people prophecies especially positive ones to work for them. That's why there are people who goes to church and give their offerings at a good heart but their reward is enjoyed by other people who are not that committed to God. Let me tell you the types of bibliomancers tricks in churches.

1. THE MIDIANICOHOLIC SPELL

The *midianicoholic* spell is the type of bibliomancal magic. It is when you pray and fast too much. Fulfilling all discipline as recommended in the bible by helping the needy and giving all your offerings but you can never receive any reward from it.

Why? Because a bibliomancer in that church grabs your blessings in the spiritual realm before they reach. That's why you may ask yourself I give all my offerings but I'm still poor.

Judges 6:5-6 For they would come up with their livestock and their tents, coming in as numerous as locusts; both they and their camels were without number;

and they would enter the land to destroy it. So, Israel was greatly impoverished because of the Midianites, and the children of Israel cried out to the LORD.

The Israelites used to work hard but the midianites used to enjoy their toil. How? It was through the word of God.

Judges 6:1 And the children of Israel did evil in the sight of the LORD. So, the LORD delivered them into the hand of Midian for seven years,

That's what happened. They afflicted the children of Israel based on the word of God. The same with that bibliomancer in your church who can use the word of God to oppose and grab your blessings

2. THE ISCARIOTHOLIC SPELL

This is a spell cast by a trustee; your confidant in church who moves very close to you but with a wrong motive. They like inquiring from you about your plans and behave hypocritically as your prayer partners. But their intentions are to destroy you. Instead of praying with you, they pray against you. They're very lethal because they can go as far as poisoning you to death. Not all that say Lord God shall inherit the kingdom of God. Everyone qualify for your love but not everybody is qualified for your secrets.

Luke 22:48 But Jesus said to him, "Judas, are you betraying the Son of Man with a kiss?"

Judas was a confidant in Christ ministry but out of his kiss Christ was betrayed. Woe has entered my belly!

3. OLD PROPHETICOHOLICS SPELL

This is a spell that is mostly used by bibliomancers who are church leaders and ministers of the word. They encourage people to pray and fast yet they don't. Their Job is telling people pray and fast, but when it comes to power from God, they're the ones enjoying it. That's why some people may struggle in prayers and fasting but when it comes to power and revelations it goes to their leaders yet they're the ones who deserve it.

1Kings 13:11 Now an old prophet dwelt in Bethel, and his sons came and told him all the works that the man of God had done that day in Bethel; they also told their father the words which he had spoken to the king.

1Kings 13:21 and he cried out to the man of God who came from Judah, saying, "Thus says the LORD: 'Because you have disobeyed the word of the LORD, and have not kept the commandment which the LORD your God commanded you,

4. THE RICHHOLICS SPELL

This works when you pray and intercede for people and they end up growing rich and healthy but you remain sickly and poor. Blessings must start with you first before they go to someone else. But if others are blessed and succeed yet you're

the source of their prosperity in prayers, watch out! You may be praying for a bibliomancer.

Luke 16:20-21 "But there was a certain beggar named Lazarus, full of sores, who was laid at his gate, "desiring to be fed with the crumbs which fell from the rich man's table. Moreover, the dogs came and licked his sores.

That's why you may pray for people but after they prosper, they run away from you. Beware of diviners in churches

Matthew 7:15 "Beware of false prophets, who come to you in sheep's clothing, but inwardly they are ravenous wolves.

FACING THE CROSS

Please family let's not be deceived by false doctrine; the doctrines that preaches prosperity by grace. These are pure lies. Do not be deceived! There is no grace without the law, because the foundation of grace is in the law.

If you're a really believer who is anticipating to inherit the kingdom of God you must face the cross. In the cross there is pain, there is delay but not denial. There is trouble but power to overcome trouble is guaranteed. There is stench from sweat and blood, there is rejection also. And yes, in the cross there is self-denial. Any many tough things, but the bottom line remains that we will win. Don't rush to false and fictitious miracle; miracles that are bought by money. Don't be deceived to purchase miracles in form of water and oil. There is nothing like that. You can't buy anything from God with money.

Matthew 7:21 "Not everyone who says to Me, 'Lord, Lord,' shall enter the kingdom of heaven, but he who does the will of My Father in heaven.

Let's focus on the kingdom of God and not fictitious things that will perish. You will not inherit the kingdom of God by purchasing anointing oil or holy water but by doing the will of God. Any minister who preaches the grace of God without the discipline of maintaining the so-called grace is a hoax. For the grace of God feeds itself in the discipline of God; doing the will of God as it's recorded in the bible.

Mark 8:36-37 "For what will it profit a man if he gains the whole world, and loses his own soul? "Or what will a man give in exchange for his soul?"

In Christianity what matters is your soul. Not material things. If your soul is well with God, material things will follow. Nowadays false ministers are too much concerned with keeping the congregations in their churches. They are trying to keep people who will fuel their posh cars and finance their posh lifestyles. They fear telling people the truth of the cross.

A time has come and that time in now that as believers we must focus on the kingdom of God by facing the cross. There is no short cut to this. Whoever wants to run let him run away but truth must be told. Even Christ was not bothered by

who run away from him. He stood with the pinching truth of facing the cross kind of gospel.

John 6:66-67 From that time many of His disciples went back and walked with Him no more. Then Jesus said to the twelve, "Do you also want to go away?"

We were not called to preach a doctored gospel that will satisfy whims of human beings and displease God. That's not our calling. We were called to raise people who will be tough enough to command demons out of people's life. Yes! A gospel that will raise intercessors who will intercede for their families and bring order in their localities.

So, for you to be my friend you must be focused to inherit the kingdom of God. We need to grow and be serious about our callings. If you are saved with any other reason apart from inheriting the kingdom of God, then it means your faith is in vain. The major reason of salvation is the kingdom of God. Hell is for real! That places horrible! You better be a slave on earth than a ruler who rules in hell. Better the end of something than the beginning.

Ecclesiastes 7:8 The end of a thing is better than its beginning, and the patient in spirit is better than the proud in spirit.

We need wealth and getting wealth is not sin. Being millionaire is not sin, but the kingdom of God first. The others will follow later. Let no one judge you because what you have in terms of properties. That's what many false prophets are trying to tell people. When they see that you don't have a lot of money to finance their posh lifestyles, they simply judge you and tell you that you're cursed. That's pure deception!

In fact, Christ said that it's easy for a camel to enter through the eye of a needle than a rich man to inherit the kingdom of God. Yet many false monsters are directing their masses to wealth without Christ. That is a spirit of anti-Christ.

Matthew 19:24 "And again I say to you, it is easier for a camel to go through the eye of a needle than for a rich man to enter the kingdom of God."

Christ never directed people to wealth but to God almighty. Any gospel that is contrary to this comes from the anti-Christ; who masquerades as an angle of light.

2Corinthians 11:13-15 For such are false apostles, deceitful workers, transforming themselves into apostles of Christ. And no wonder! For Satan himself transforms himself into an angel of light. Therefore, it is no great thing if his ministers also transform themselves into ministers of righteousness, whose end will be according to their works.

Be warned! Any gospel preached by any minister who directs people elsewhere apart from the kingdom of God must be avoided. Risk what it takes to inherit the kingdom of God.

DISCIPLINE OF A KING

Sometimes we pray for breakthroughs and elevation from God. But do you know that the more you're elevated the more your characters changes? Sometime we blame people who used to be very close to us when they were in the same level with. That once they were uplifted, they assumed us. Yes, we say that such and such a person was living with us or he used to visit us daily the days he was broke but nowadays he has money he has nothing to do with us. Do you know that sometimes we blame people for nothing?

When God elevates you, he activates your standards also. People may think that you're proud but that's not true. For example, like us ministers of God. Sometimes picking phone calls is a problem. Visiting people houses is a nightmare. The type of food we used to eat the days of lean we can't eat them nowadays and if we try maybe our stomachs will be in trouble. Maybe some people are judging us. Some say that we are proud. Some say that we are not real. But let me tell you, very soon the Lord is going to raise your standards and you'll understand what I'm telling you.

People will start talking ill against you. Some will curse you some will give you names. Sometimes picking calls to us can be very difficult and even responding to texts. Why? It's because we are always busy ministering to people internationally. Sometimes we meditate so much praying and interceding for people. Sometimes I it reaches a point that we just want to alone with no communication at all. But it's difficult. So please don't blame anyone whose standards are raised when they assume you. It may not be there wish.

I was seeing some people accusing politicians that once they help them garner votes, they don't even pick their calls. But in real sense if you follow the so-called politicians schedule is too tight. They're always busy. Same to ministers of the word; sometimes they're too busy to attend the whole congregation. That's why reaching a pastor whose ministry is big is not very easy; please understand.

Sometimes someone can bless you with airtime or M-pesa but texting thanks message can be hard because time is always not enough. Please let's understand this. One day and very soon you'll be lifted very mightily by God and you'll understand what I'm telling you. Sometimes we see very many SMS and missed calls that we can't respond to them all. People may think you're avoiding them or despising them. Or you're not appreciative but that may not be true.

FULL BLOWN MAGIC

Let me open your minds tonight. This sermon is based on people who visit magicians and sorcerers. When you visit diviners often, it reaches a point that they request to manifest. Why? They want to manifest because the forces behind divination are demons. So, what happens is they force someone to service or build them a house. That's why when someone visits magic too much, they hit

back later in life; and are pushed to go and live in isolated places. Like in the village or an isolated residential area; So that you build an altar or home for them to live. If you fail to do that, they'll kill you or spoil your family completely. If you're married to a witch or someone who seek after divination, it reaches a point that they force you to go and settle down in a village or a personal residential place.

These demons most likely present themselves in forms of animals like snakes, frogs, cats or pets of any kind. If you're a regular visitor to magicians or your parents used to seek diviners, you must obey to build altars to your demons or else you are ruined. This is where the term familiar spirit's come from. They manifest inform of pets but this happens later in life.

Leviticus 19:31 'Give no regard to mediums and familiar spirits; do not seek after them, to be defiled by them: I am the LORD your God.'

Most families whose parents used to visit mediums and died without handing over these spirits or showing their off springs how to handle them, they end up dying prematurely. This can go as far as destroying the whole generation. That comes as a result of non-curable diseases or drug addiction; because the Lord can never ever clear the guilt.

Exodus 34:7 "keeping mercy for thousands, forgiving iniquity and transgression and sin, by no means clearing the guilty, visiting the iniquity of the fathers upon the children and the children's children to the third and the fourth generation."

But through the grace of God in Jesus, you can be redeemed, only if you worship him in truth and in Spirit.

Many people are living a hell kind of life. Some were very beautiful, educated and handsome but now they're ruined. Some were living in successful marriages but it reached a point they're single due to divorce. Nothing happens to our life as accidents. There is no curse without a cause.

Proverbs 26:2 Like a flitting sparrow, like a flying swallow, so a curse without cause shall not alight.

The only way to liberation is truth. Truth is the only perfect deliverance ever.

John 8:32 "And you shall know the truth, and the truth shall make you free."

I'm I making sense to someone?

Hosea 4:6 My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being priest for Me; Because you have forgotten the law of your God, I also will forget your children.

In life you either conquer or perish. God didn't want anyone to perish. That's why He sent His Son to redeem us.

John 3:16 "For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life.

GUTHIX PHENOMENON

When the Lord created Adam and Eve and put them in the Garden of Eden, another world existed. That world had beings that assumed human body; that is half demon and half human beings. When Adam and Eve were expelled from the Garden of Eden, they were cast in that land somewhere in the current Iraq.

Genesis 3:23 therefore the LORD God sent him out of the garden of Eden to till the ground from which he was taken.

They were taken out of the spiritual Garden of Eden to this world that we are living. So that land was well advanced and technologically empowered. I don't want to go much into details. Let me go to my point.

Among the creatures that were living there, there was a mighty warrior who was a demigod; tall, strong and mighty. His name was called the *Guthix*. Guthix had power to create wealth and possession. When God was not pleased with these demonic creatures, he destroyed them with the flood of Noah.

Genesis 6:2 that the sons of God saw the daughters of men, that they were beautiful; and they took wives for themselves of all whom they chose.

Genesis 6:4 There were giants on the earth in those days, and also afterward, when the sons of God came in to the daughters of men and they bore children to them. Those were the mighty men who were of old, men of renown.

These demonic creatures married the daughters of the descendants of Noah. The Lord was displeased with this because the race of man was corrupted. So, when the flood of Noah destroyed them, these spirits didn't die. They ascended and built a kingdom in the heavenly bodies and are living over there. Some are living in wilderness, seas and forests; because they signed a pact with God not to contaminate the human race again. So, let's focus on Guthix.

Guthix is a demon that has power to create wealth, fame and power. This being can only work through blood rituals and sacrifices. It also works well in churches through false gospel of wealth and prosperity. It has power to multiply wealth abnormally within a very short period. It also works well with false prophets because it can prophecy also. But its prophecies are based in wealth and prosperity. Let me show how it operated in the bible through false prophets.

Micah 3:11 her heads judge for a bribe, her priests teach for pay, and her prophets divine for money. yet they lean on the LORD, and say, "Is not the LORD among us? No harm can come upon us."

Prophets who pray for you then insist that you have to pay them back; because they're the ones who opened your ways and are most likely operating through this demon. Such prophets are easy to curse people who they prayed for then fail to pay them back. Something funny, their prayers really works in a very short period of time in terms of property and material world. Yeah, the message they preach

and prophecies they deliver are always sweet. But the repercussion to this is blood sacrifice. You may not know them because they operate very well and prophecy very true. But when it comes to maintain your wealth. You'll give them money in form of offerings to them. Later in life it will not take money but blood.

Acts 16:16 Now it happened, as we went to prayer, that a certain slave girl possessed with a spirit of divination met us, who brought her masters much profit by fortune-telling.

Prophecies for hire are common with this demon. The above slave girl was possessed by a Guthix. It really prophecies true prophecies but for money; prophecies with at a fee. Wherever a Guthix ministers unto you, you have to pay. Just like a witch doctor, to counter attack the scripture.

Matthew 10:8 "Heal the sick, cleanse the lepers, raise the dead, cast out demons. Freely you have received, freely give.

Giving is biblical but it must not be forced. This spirit must ask for blood in future, or if not blood it must strike with blood issues diseases. That's why most people who visit magicians for wealth services are most likely to be stricken with blood issues later in life. Most of them are stricken with blood related complications that are not curable. If they escape this it must strike their offspring while there are still alive.

I normally tell people that the first deal with the devil is never! Never ever crack a deal with the devil because you'll pay for it dearly. The things I'm telling you are for real. This is not a myth. If you want to prove it, look at politicians and crooked wealthy people. You'll notice that they mostly die from diabetes, HIV and blood related complications. The reason behind it is that most of them served Guthix unaware. Anything that comes from demons has a pathetic repercussion. It's only blessings from God that are free from persecution.

Proverbs 10:22 The blessing of the LORD makes one rich, and He adds no sorrow with it.

The demons are anti-Christ and they always use the word of God contrary. Do not be deceived! Many people worship demons unaware. You may ask why demons ask for blood. Do you know why? Most problems with Christians; they don't know deep spiritual things. That's why other religions are outsmarting us.

Hosea 4:6 My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being priest for Me; Because you have forgotten the law of your God, I also will forget your children.

THE TERMAGANTS

These are special demons that haunt people working as barriers to people's progress. The *TERMAGANTS* are very powerful demons that need a very higher anointing and persistence in prayers and fasting. They are not cast out in prayers alone but fasting and then prayers. Once these demons are operational in your life, your life will be a hell kind of experience.

They operate on specific areas in the possessed person's life, for example marital, financial and health. They're also the demons behind generic and non-curable diseases like diabetes, HIV and cancer. These demons hide in one's DNA and operate in families for generations, probably up to the fifth generation; unless a saint is found in your generation to blot them out. It will be continuous until a messiah is found; who will intercede for such a generation. These demons are sent by God to torment those who hate Him and rebel against Him.

1 Samuel 16:14 But the Spirit of the LORD departed from Saul, and a distressing spirit from the LORD troubled him.

They are also called trouble makers. Their mandate is to cause trouble in the possessed person's life. That's why some people are always struggling in some specific areas in their lives but to no avail. They're also demons behind habits that prohibit holy life. Because they know that once the possessed walks righteously, he is most likely to see the hand of deliverance from God. So, they really fight holiness.

Hebrews 12:14 Pursue peace with all men, and holiness, without which no one will see the Lord:

These demons haunt people pursuant to the word of God because they are also disciplined; they are given power to access heaven. They operate in the heavens directly.

Ephesians 6:12 For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.

They are also called the spiritual hosts of wickedness in the heavens. They're very difficult to differentiate them from holy angels because they look alike. There is only one remedy to deal with them.

Mark 9:29 So He said to them, "This kind can come out by nothing but prayer and fasting."

There is this issue of Christians being possessed by demons. To my personal revelations, a Christian cannot be possessed by a demon but he can be haunted by a demon. That's why many Christians are suffering in the hands of demons, assuming it to be a godly wilderness. Don't confuse a demon with lesson please!

The devil came to destroy our lives but Christ came to destroy the works of the devil, so that we may have life in abundance.

STRAY BULLET

This can also be referred to as mistakes we do as believers. The sins we compromise to do. Do you the repercussions and side effects of these sins? When you commit a sin or mistake knowingly as a believer, the effect of that sin may not strike you but your generation, or anything you put your hands upon. Let me list the do called sins in series

1. SEXAUL SIN

When you fall a prey to sexual sin, the effect of it may be either strike you instantly but if you stand in faith it can be forwarded to your generation; as a generational curse. Do you remember the story of Abraham? Our father of faith compromised his faith and slept with Hagar. Because his faith was strong, the Lord didn't strike him. But he forwarded his curse to his son Isaac.

Genesis 21:9 And Sarah saw the son of Hagar the Egyptian, whom she had borne to Abraham, scoffing.

Ishmael as a stray bullet was scoffing at Sarah and her son Isaac. To scoff is to mock, ridicule or make fun of something. That's why if you come from a family of adulterous parents or a polygamous family, sometimes it's too hard to prosper in life. Yet if you prosper in one area, the other important areas will still be wanting. For example, of you prosper in marriage you can't prosper in business. If you proper in education, you can't prosper in finances.

Many people believe this false doctrine that says God can't bless you with everything. This is a pure lie. God can bless you with everything because He owns everything.

Genesis 24:1 Now Abraham was old, well-advanced in age; and the LORD had blessed Abraham in all things.

Abraham was blessed in all areas of his life.

The scoff in the above verse means demonic jests. There are people who lands in big financial opportunities and becomes exited initially, but demons on the spiritual realm scoffs at them. When they look at their family records, there are sexual sins committed by their ancestors whose yokes are not yet broken. So the demons laugh and mock their progress because they have legal grounds to pull you down. If these yokes are still operational you can never prosper. At the end you'll die as a fool.

Jeremiah 17:11 "As a partridge that broods but does not hatch, so is he who gets riches, but not by right; it will leave him in the midst of his days, and at his end he will be a fool."

It doesn't matter how rich, educated or influential you are. As far as these yokes are still operational you can never prosper. So, anything you do today know that is a seed you're sowing and you're reap before you die. Please for the sake of your children just try to be righteous.

2. SIN OF LIES

If you like cheating and you are a believer your generation will be subjected to rejection and slavery. There are many people who are rejected to the fullest. There are people who really struggle to be recognized or promoted in their places of work. Some are well learned and were performers in school but their really despised wherever they go.

Genesis 3:15 And I will put enmity between you and the woman, and between your seed and her Seed; He shall bruise your head, and you shall bruise His heel."

Do you how snakes are rejected and live in isolation? Walking in their bellies while eating trash! That's what happens to a generation of liars. We see street children's roaming around and some come from very rich families. But to your surprise you'll see them eating trash in dump sites. Some of us are really crying and suffering emotionally. It's God who commands curses but it's demons who execute the so-called curses under the consent of God.

THE NATURE OF ER

There are people who are too evil. They sometimes behave like demons. There are merciless to the extreme. No matter how good you're to them they'll simply pay your goodness with evil. These are the people who are described as Er. Have you ever met someone that you really helped and sacrificed your resources to assist him/her? But at the end that person paid you with extreme evil? Have you ever dated or married to someone whom you treated as a king or queen but at the end is hell? There are people you can meet in life that can make you regret for a lifetime why you met them. Do you know the reason behind all this?

Genesis 38:7 But Er, Judah's firstborn, was wicked in the sight of the LORD, and the LORD killed him.

These are people who were born evil. Such people cannot be killed by magic or prematurely. It's only God who can kill them. You can't bewitch an Er. That's why evil people live long lives. Their purpose on earth is to execute evil to people mainly with two reasons. Either to make believers strong enough in their faith or to destroy and execute punishment to people who don't seek divine discernment. It's too bitter than death to be attached to an Er because of the damage they'll do to your life. That's why some people are not trusting friends including ministers of the word; wherever they go they meet Ers.

Ers are also defined as living demons. They are sometime very powerful. The devil gives them power to hurt and destroy people. They are people who wounds

people emotions. These people are too evil that they even don't trust themselves because they know that they are evil. They can't talk anything positive about other people including their close friends and relatives. Wherever they open their mouths they defecate. Their words are nothing but stinking mess. They like getting information from other hypocritically so that they add their poisons to them; then start spreading demonic rumors against innocent people.

Er's never tally with other people. They easily get friends but they can't keep them. Anytime they move close to you, their hearts plan evil against you because the only thing they want to know about you is where you get your daily bread so that they cut it off.

Ecclesiastes 7:26 And I find more bitter than death the woman whose heart is snares and nets, whose hands are fetters. He who pleases God shall escape from her, but the sinner shall be taken by her.

It is bitter than death to be attached to an Er, because the effects of their connections can destroy the whole world.

Proverbs 29:2 When the righteous are in authority, the people rejoice; but when a wicked man rules, the people groan.

When an Er rules your life, you'll not cry but groan. Groaning is crying to the higher level.

Isaiah 10:1 "Woe to those who decree unrighteous decrees, who write misfortune, which they have prescribed

There is no blessing you can receive from your Er, but emotional wounds and regrets. So, there is a very powerful verse that you need to pray with; so that the power of God may protect you from your Er's. Anytime you pray against your Er's you have to deal with them radically in prayers.

Psalms 139:19 Oh, that You would slay the wicked, O God! Depart from me, therefore, you bloodthirsty men.

Psalms 139:23 Search me, O God, and know my heart; Try me, and know my anxieties;

Psalms 139:24 And see if there is any wicked way in me, And lead me in the way everlasting.

These are the three mighty verses of dealing with your Er's in prayers. But always remember that at the end of it you have to ask God to give you a clean heart, so that you may not be found with Eric nature on you.

Exodus 22:18 "You shall not permit a sorceress to live.

You shall not spare an evil spirit in people to live. Kill them in radical prayers. Slay these powers of darkness in prayers. We have power and authority to do it. We can't allow demons to torment innocent people and yet we are prayer warriors. People are suffering in poverty; others in sickness and marital disputes

because of magic. Some are very sick, rejected, failing in life through magic and yet the so-called magicians are enjoying life. I declare all magicians and power of magic sitting in your lives to die in Jesus name!

JESTICS YOKES

Let me open our eyes a bit. Some of us are trying to live a serious life but in vain. Some are planning deals that can promote them in lives but they later fail. Some try to seek serious relationships or meet serious friends but all in vain. If you're one of them, give me your ears.

Jests mean jokes or amusements. Any utterance ever delivered unto you out of jokes or jests is always accompanied by a demon behind it, that comes back to haunt you later in life. That's why the bible warns the blessed against scorns jests.

Psalm 1:1 Blessed is the man Who walks not in the counsel of the ungodly, Nor stands in the path of sinners, Nor sits in the seat of the scornful;

Life knows no jokes. Some people are not meeting serious spouses or stability in life because of yokes attached to jests. Remember a yoke is not a curse, but a demonic force that hinders people prosperity. This force can only be broken by God through some spiritual discipline.

Nahum 1:13 for now I will break off his yoke from you, and burst your bonds apart."

Don't allow anyone to make fun out of your life and possessions. Don't make fun out of yourself that is related to deprivation. Don't entertain prankishness that can affect your inner you. It is dangerous!

Ecclesiastes 2:2 I said of laughter, "It is madness"; and of mirth, "What does it accomplish?"

DEMON FURAKAS

Do you know anything about this demon? This demon is also known as fracas. Fracas is an English word that means causing unrest or chaos. There is a point when chaos can just arise in your life. Let me try to go deeper.

There is this occurrence that happens often to people's lives, that involves abnormal chaos maybe between siblings, couples, friends or even in churches; but most likely in social places. Such chaos can be extreme and regrettable. Sometimes we see people fighting in churches, some in social places or couples standing each other to death. These things are real and factual. There are some people who're suicidal; wherever they're enraged they opt to kill or commit suicide. Do you know it's not their will? This is a sign of possession by this destructive demon called the FURAKAS. It looks like a robot but red in color, representing danger. Its function is to cause bloodshed and death, that later leaves the possessed with a lot of regrets.

This demon came on earth 167years after Satan was cast from heaven. This demon was the reason behind Cain when he killed his brother Abel.

Genesis 4:6-7 So the LORD said to Cain, "Why are you angry? And why has your countenance fallen? "If you do well, will you not be accepted? And if you do not do well, sin lies at the door. And its desire is for you, but you should rule over it."

When this demon possesses you, there is nothing anyone can do to calm you down when you're angry. That's why there are people who cannot control their temper. The Lord tried to reason with Cain and warned Cain against submitting to this demon. But Cain resisted. We see later that Cain killed his blood brother and regretted a lot.

The only way of dealing with anyone possessed with this demon is to avoid him for some time until they are delivered. That's why the bible warns us against short tempered people.

Proverbs 22:24 Make no friendship with an angry man, and with a furious man do not go,

Solomon was talking about furious or FURAKAS when he was writing this verse. So, if you're a culprit or have a relative who is a culprit, the only help you can give to such people is prayers and fasting. But if symptoms persist seek the help of a spiritual man of God before is late.

DOORWAYS

This is referred to as; the openings demons use to enter a person.

Ecclesiastes 10:8 He who digs a pit will fall into it, and whoever breaks through a wall will be bitten by a serpent.

Normally, Christians are protected by a wall/hedge so that demons cannot enter them. Non-Christians are also protected to some extent that the Lord cannot allow demons to enter them and control their free will; this is what breaking the wall, is all about in the above verse. All through scriptures, demons are referred to as serpents and scorpions.

Luke 10:19 "Behold, I give you the authority to trample on serpents and scorpions, and over all the power of the enemy, and nothing shall by any means hurt you.

Sin breaks holes in the protective hedge allowing demons to enter a person. Such holes are called doorways. The scriptures are very clear that any dealings with Satan open doorways in a person life. That's why the LORD warned the Israelites on several occasions about this.

Leviticus 19:31 'Give no regard to mediums and familiar spirits; do not seek after them, to be defiled by them: I am the LORD your God.

Every person needs to be aware of possible doorways in his own life. It's important to understand these doorways before you minister to people; because many are not able to accept Christ, even if they see you doing a miracle in His name. Their minds and will are literally bound by dark powers through some open doorways in their lives either currently or in the past.

2 Corinthians 4:3-4 But even if our gospel is veiled, it is veiled to those who are perishing, whose minds the god of this age has blinded, who do not believe, lest the light of the gospel of the glory of Christ, who is the image of God, should shine on them.

This is very important to know as we go evangelize and share the gospel of Christ. Let us look at some specific doorway in series.

1. Occultic Doorways

Any dealing with occult no matter how briefly or lightly it seems to be is a doorway. I'm referring to such things like horoscope, fortune telling, tea leaf readers, palms reading magic shows and circus and the like. How many parents pay for their children to visit magic shows in schools for the sake of entertainment? Many of these children are unable to accept Jesus in their future lives, or if are already in salvation they later lose interest and are unable to grow deeper in Christianity. The scripture is very clear about this.

Deuteronomy 18:10-12 "There shall not be found among you anyone who makes his son or his daughter pass through the fire, or one who practices witchcraft, or a soothsayer, or one who interprets omens, or a sorcerer, "or one who conjures spells, or a medium, or a spiritist, or one who calls up the dead. "For all who do these things are an abomination to the LORD, and because of these abominations the LORD your God drives them out from before you.

Just one involvement in occult out of curiosity is enough to affect the rest of your life. So is studying books of occultic arts, playing with Ouija board, trying ESP, psychic experience, astral projection and magic of any kind. Prayers with the use candles or consulting a medium or spiritist in an attempt to locate a missing object.

In military schools and colleges, there are oaths and pledges taken in honor of founders who died long time ago. These are direct initiations to spirits of the deceased inform of demons, especially in sororities pledges and prayers with candles or even an altar of some sort is common.

Christians must avoid such things. Many Christians are involved on magic unknowingly

2. Herbs Doorways

Herbs are not bad; I sometimes use them. But most herbalists and herb shop owners are involved in witchcraft. Incarnations are done; that's why they work well. God has given us herbs which have some medicinal qualities. But if you

want to use them for medicine, I strongly urge that you grow yours. Most of the purchased ones are involved in rituals.

The same is true for a lot of healthy food stores. A large number of food stores are owned by Hindu gurus. Top yoga teachers openly tell us that their foods are prepared by yogis; who performs yoga to impart these foods by appropriate vibrations to enhance the spirituality of the eater. Beware these appropriate vibrations are demons

3. Releasing of Spirits

In many churches, Christians are taught to pray to bind spirits present in Jesus name. This is scriptural. However, they are also taught to pray prayers such as 'I release spirits of revelations, peace, love and the like.

There is only one Holy Spirit. All gifts are given through Him. But spirits of love, peace, revelations are demons. White witches and new agers release such demons all the time. Many churches teach prayers of sending witchcraft curses back to the sender. How can this be justified in scriptures?

Luke 6:28 "bless those who curse you, and pray for those who spitefully use you.

Christian's don't send demons to anyone that is witchcraft. A curse from a witch is a demon.

4. New Agers Doorways

Diet is part of this movement, especially vegetarianism and Yoga. The purpose of yoga is to link a yogi with Hindu god *Brahman*. Yoga is not a mere exercise but a religious practice practiced in Hindu temples.

Yoga is introduced to our modern medical physical therapy department as a remedy of blood pressure and other medical abnormalities; little do people know that it's purely demonic. Silva mind control, subliminal tapes, Acupuncture, Biofeedback, Self-hypnosis and virtualizations among others are pure witchcraft. These things are practiced in medicine fields.

5. Childhood doorways

Demons seem to make very specific efforts to gain contact to every child's life at an early age. Most of mature human beings have stories of nightmares and gothic dreams at a tender age. Both Christians and non-Christians; but many parents dismiss these allegations and force their children to cope with them.

ANCIENT LANDMARK

What does that mean? It not only means the landmarks in form of hedges that divide ancestral lands at the villages, but spiritual marks established by our fore fathers. We come from different backgrounds and each family has its own spiritual foundations; most likely in form of magic and taboos practiced by our ancestors including our ancestors.

For example, let's say your parents were too much in magic. Maybe they use to visit magicians too much and planted strange plants or natured wild animals in form of snakes or frogs. Please, if you ever discover such things in your family don't dare try to share or talk to people anyhow. Do not try to expose any magic or witchcraft that is in your family to anyone; unless that person is a pastor or your spiritual mentor.

Proverbs 22:28 Do not remove the ancient landmark which your fathers have set.

There is a warning! These landmarks I am talking about are demons that have legal right to live in your family under God's consent; because your ancestors did rituals to establish them. The only people you can confide this matter to are your spiritual mentors. Or else they will crush you.

Even if you notice that your mother or father is a witch and you know very well that your family had magical inheritance history, please don't go to the roof top and expose them. Once you do that, your future will be ruined. There are demons that have legal grounds to live in some families because their ancestors signed blood pacts with them.

Matthew 8:28-29 When He had come to the other side, to the country of the Gergesenes, there met Him two demon-possessed men, coming out of the tombs, exceedingly fierce, so that no one could pass that way. And suddenly they cried out, saying, "What have we to do with You, Jesus, You Son of God? Have You come here to torment us before the time?"

The story above is about family demons I'm talking about. They were begging Jesus not to cast them out before their time, because they knew that their pact in that demoniac was still legal. So, Christ didn't send them to hell but He did what they requested by sending them to a flock of swine. What about us? When someone calls you or asks you to help him cast demons, you rush very fast like lightning; not knowing the foundations of the so-called demons.

Once you do that, those demons will come back to you without your knowledge and haunt you in future. Have you ever prayed for someone who was bewitched or possessed in one way or another without understanding the foundations of their possession? If your answer is yes, expect nothing but chaos. Have you ever shared in details about another family's demons or magic and yet you're not that spiritual? If your answer is yes, expect nothing but chaos. That's why it's said that talk of the devil and it will appear. Don't talk about demons and magic because you're seeing your pastor is talking about them. Remember there is no distance in the spiritual realm. If you want to prove me right let me show you the repercussions to this.

When you talk about magic in your family or any other family, you try to play a pastor's role by investigating people's magical histories. Their demons will start haunting you because demons don't like to be gossiped or talked about. That's

why the bible didn't give the devils wide media coverage. So, these are the signs to tell if you're a culprit.

1. *Cracked walls; in the house you live be it rented or yours will experience cracks.*
2. *Emergence of termites in seasons in your residential area.*
3. *Abnormal backache that will come on and off without treating them.*
4. *Signs of zombiness to your children.*
5. *Eye sight and toothache problems that lead to myopic and tooth cavity complications in your family. And many more*

Remember the devil always comes to kill, steal and destroy. It's only Christ who came to give us an abundant life. So, if you're not gifted to deal with demons, please don't try it! When it comes to some things leave them to those who are gifted to deal with them. Don't destroy yourselves.

Hosea 4:6 My people are destroyed for lack of knowledge. Because you have rejected knowledge, I also will reject you from being priest for Me; Because you have forgotten the law of your God, I also will forget your children.

That's why many Christians are suffering in strange sicknesses. Some look very weak and pathetic surrounded by extreme poverty, due to cockism mentality (*in Kiswahili kiherehere*). Bewarned!

Proverbs 29:1 He who is often reproved, and hardens his neck, will suddenly be destroyed, and that without remedy.

Don't cheat yourself that once you're saved you can deal with all types of demons including your family magic. It never goes like. Unless you're gifted to do so, please don't try this at home. That's why most pastors in mainstream churches don't practice exorcism. They don't deal with demons because they know the repercussions.

From today don't talk about that snake in your family, your mother's magic; unless you're confiding it to your spiritual mentors.

If you're a culprit please go for three days fasting. You are free to do it with water. From 6.00 am to 6.00 pm. As you fast, we you should be praying for spiritual healing and repentance; spiritual cleansing and repentance.

TWO SOURCES OF TEMPTATIONS

The bible says that God doesn't tempt.

James 1:13 Let no one say when he is tempted, "I am tempted by God"; for God cannot be tempted by evil, nor does He Himself tempt anyone.

God is too mighty to tempt a mere human being. So how comes we fall in temptations as believers?

According to my own observation through the power of the Holy Spirit I came to realize that temptations work in two.

1. Human desires/Ego

Your own desires can entice you to fall. Sometimes we blame demons but it's not demons but ourselves.

James 1:14 But each one is tempted when he is drawn away by his own desires and enticed.

When your ego overtakes your fear of God, you automatically fall a culprit of sin. The word is very clear that the wages of sin is death. For someone to stand against the desires of his own body, he needs to humble his body in fasting and prayers regularly. Casting vain imaginations that may dare lift themselves against wisdom and knowledge of Jesus Christ. This can only be achieved when you commit your ego into total control of the Holy Spirit.

2 Corinthians 10:5 casting down arguments and every high thing that exalts itself against the knowledge of God, bringing every thought into captivity to the obedience of Christ,

You have to arrest your thought life and let it be subject to the Holy Spirit. Remember you can't stand holiness without the help of the Holy Spirit. Your righteousness is nothing but a filthy rug before the lord. You need God to serve God. You have to make sure that your thought life is in total control of the Holy Spirit.

2. Satan

Satan is the second source of temptation but under God's consent. It is the Lord who allows Satan to tempt us but with limits. That's why the bible says you cannot be tempted beyond your limit.

1 Corinthians 10:13 No temptation has overtaken you except such as is common to man; but God is faithful, who will not allow you to be tempted beyond what you are able, but with the temptation will also make the way of escape, that you may be able to bear it.

The temptations from Satan are limited by God. Before Satan tempts you, he firstly asks permission from God.

Job 1:12 So the LORD said to Satan, "Behold, all that he has is in your power; only do not lay a hand on his person." Then Satan went out from the presence of the LORD.

It's God who allowed Satan to tempt Job. But he limited Satan to destroy Job's life. There many of us who are tempted by Satan in many areas of our lives to the

extent of giving up. But they mysteriously escape from demonic traps. Those who have ears let them hear what the spirit is telling the church.

So, the greatest enemy to you is you, then the devil. If you can't control yourself, you're ruined. More so you can't control yourself without the Holy Spirit.

THREE MIGHTY FORCES THAT FIGHT SALVATION

Getting saved is easy but maintaining salvation is not an easy task. There are three major stumbling blocks in our lives as Christians; that really oppose us doing the will of God.

1. BODY

Once you get saved, it's your body that receives salvation through confession, anointing and baptism. But your body can never do the will of God. It always fights God's will through sexual sins and demonstrations of other sins like laziness.

Matthew 26:41 "Watch and pray, lest you enter into temptation. The spirit indeed is willing, but the flesh is weak."

Your flesh is always in contention with your Spirit. If you'll not be in a position to fight your body, you can't fight and win spiritual battles. This body is what leads us into sins of the body.

1 Corinthians 6:18. Flee sexual immorality. Every sin that a man does is outside the body, but he who commits sexual immorality sins against his own body.

If you sin against your own body God will destroy it, by sicknesses and aging prematurely. Your body is the temple of God and must be separated from sin. If you mess it God will curse it. For you to overcome your body, you must be bold enough to recollect yourself in repentance anytime you mess. Repentance is the only medicine to counter and heal sins of your body. So you're free to repent as many times you mess.

Matthew 10:28 "And do not fear those who kill the body but cannot kill the soul. But rather fear Him who is able to destroy both soul and body in hell."

No matter how many times you mess, don't give up; just stand up boldly and repent. Then keep on telling God to make you stand. We are His workmanship; we are a making in process. God is not yet done with us.

2. THOUGHTS

Sins of your thoughts are very dangerous. These are sins that shorten our lives.

Genesis 6:5 Then the LORD saw that the wickedness of man was great in the earth, and that every intent of the thoughts of his heart was only evil continually.

This sin is hidden in someone's heart. It's only God who can detect it.

Jeremiah 17:9-10 "The heart is deceitful above all things, and desperately wicked; Who can know it? I, the LORD, search the heart, I test the mind, even to give every man according to his ways, and according to the fruit of his doings.

That's why there are people who seem to be meek outwardly but are really suffering in life. Some are very meek but they're rejects. No one wants to associate with them. Remember there is no curse without a cause.

Proverbs 26:2 Like a flitting sparrow, like a flying swallow, so a curse without cause shall not alight.

There is reason behind everything in life. What you do cannot save you because you may do them out of hypocrisy; but what is inside you defines you. You're what you do when no one is watching.

3. EMOTIONS

The only power to breakthrough attitudes is patience. Being patient with people is very important. If you can't control your emotions your future is in jeopardy. That's why Paul warns us to be patient.

Don't allow your emotions to overtake you. Anger can never do the will of God. Excitements can never be substituted to the Holy Spirit. Out of emotions Moses was barred to enter the promise land.

Deuteronomy 1:37 "The LORD was also angry with me for your sakes, saying, 'Even you shall not go in there;'

If you can't control your emotions your divine given promises can never materialize. You'll wait and see abundance of revelations but you'll never touch them. Uncontrolled emotions can frustrate your blessings to reach you in time or even kill you before you receive them.

God bless you all.

Galatians 1:9 As we have said before, so now I say again, if anyone preaches any other gospel to you than what you have received, let him be accursed.

SECRET OF ELIJAIC PRAYER

Elijaic Prayer is also called walking prayer; praying while walking. It can be done at the road side, in church or in your houses. The major reason for this prayer is resurrection dead things on your life; for example, dead love, business, finances and relationship.

When your projects die and you want them revamped, this is the way to go.

2 Kings 4:35 He returned and walked back and forth in the house, and again went up and stretched himself out on him; then the child sneezed seven times, and the child opened his eyes.

If you read the whole story, you'll note that a child was dead. Elijah tried to pray in many gestures but in vain. But immediately he introduced the Elijaic prayer of walking back and forth, the child sneezed seven times.

Seven is the number is completeness.

If you want total completeness in your issues that look like are dead, dare this prayer. That's why you see some people like moving to and fro when praying. Some don't know what it means. But today you know. When you do a prayer walk, even in the realm of the spirit your prayer walks but with an Elijaic anointing.

When your prayer walks in the realm of the spirit, it undoes all bondages on the realm of the spirit. More so it taps the glory of God that is displayed all around the world.

Isaiah 6:3 And one cried to another and said: "Holy, holy, holy is the LORD of hosts; the whole earth is full of His glory!"

The glory is dispersed all over the world. The only simple way to tap to it is by prayer walking. That's why the pray without ceasing; meaning you have your turn surrounding into a prayer room always. It doesn't matter where you're just pray and see if you'll be very powerful.

Psalms 139:6 Such knowledge is too wonderful for me; It is high, I cannot attain it.

SECRET OF A SHADOW

Do you know that your shadow has many spiritual meanings that influence your life without knowledge? Let me open your eyes. Do you know what is in your shadow?

In the field of science, they say that a shadow is just a repulsed effect that blocked light. But you have to know that a shadow is more than that. In divinity we call it sciomancy. *Sciomancy* is divination through the shadow.

Do you know that your shadow can be used to predict your future and determine the secrets of your years through magic? Do you know that a magician can grab your stars and power of life through your shadow? Do you know there are spirits that lives in one's shadow?

By the end of this sermon you'll know how to spot a spirit in your shadow with your naked eyes. These spirits that lives in shadows are called the *herdes* according to my own revelations. They look like black dreadful cats. They're the one that make deals bounce; marital and business deals.

They also cause people to fall into demonic addictions like sex and drugs. Once you fall in their traps, your deals are most likely to backfire and you can be stricken with premature death. Let's go in scriptures and see what it says about a shadow.

Psalm 23:4 Yea, though I walk through the valley of the shadow of death, I will fear no evil; For You are with me; Your rod and Your staff, they comfort me.

This verse shows as very clear that shadows exists in spiritual realm. But the strange thing about it is that there is no shadow in heaven. It only appears in hell and on earth. Ask yourself why?

FACING YOUR DEMON

Many believers are afraid of facing their demons. According to this sermon, I can define a demon as anything that stands between you and God. The first man to practice religion in the bible was Cain. The name Cain means he who is possessed. Cain was a strong believer and a giver also, but he was possessed with demons that he feared facing them.

Genesis 4:5 but He did not respect Cain and his offering. And Cain was very angry, and his countenance fell.

Cain had a demon that he entertained that was called the demon of wrath and anger. This demon led him to be rude unto the word of God; it led him to turn his ministry of intercession into a mere religious believer.

Many believers are turning to become religious due entertaining habits that stand between them and God. These habits can be addictions or bad characters. We see the outcome of Cain was to become a vagabond and sufferer. This is what is happening to many believers today. Many believers are operating in the hands of demons that they don't want to face.

The only way to face a demon is by rebuking it and repentance. We see later on that Cain's repentance after God's curse upon didn't touch the demon of wrath and anger.

Genesis 4:13-14 And Cain said to the LORD, "My punishment is greater than I can bear! Surely You have driven me out this day from the face of the ground; I shall be hidden from Your face; I shall be a fugitive and a vagabond on the earth, and it will happen that anyone who finds me will kill me."

His repentance didn't touch his character. He was not willing to face his demon. We see latter on that the Lord preserved his life out of Cain's repentance by putting a mark to his face. But the curse of vagabondism was still in effect. That's why we are seeing vagabond believers.

A vagabond is someone who moves from one place to another seeking for greener pasture but in vain. Any believer who change churches on a weekly basis trying to

look for a minister who will pamper him with words that he wants and not what the Spirit says is a vagabond believer; operating under the curse of Cain.

That's why some believers are praying and fasting, some are great givers but they don't receive from God; because of an embraced demon working within them. It can be sexual sin, lies, gossip, envy and the like; face it today.

Psalm 66:18 If I regard iniquity in my heart, The Lord will not hear.

David knew it very well that if he had iniquity in his heart the Lord cannot respond to his prayers.

Even if you're laid hands with ten thousand prophets or baptized in a pool of anointing oil but iniquity is found in you the Lord may not respond to your prayers. Please let's repent for it to be well with us.

In those few remarks God bless you so much family. SHALOM!!

Isaiah 59:1-2 Behold, the Lord's hand is not shortened, that it cannot save; nor His ear heavy, that it cannot hear. But your iniquities have separated you from your God; and your sins have hidden His face from you, so that He will not hear.

GRACE HELPERS

Many believers take the principle of grace wrongly. If you're a believer, you have to know that anything under the perimeter of your faith works through grace; Including deliverance. If you help God to deliver yourself from habits. Then it means your assisting the demons in you. Though we walk in flesh our battles are not carnal but spiritual.

2Corinthians 10:3 For though we walk in the flesh, we do not war according to the flesh.

Many believers take their battles in flesh. Remember it's not by what you do but by the grace of God.

Ephesians 2:8 For by grace you have been saved through faith, and that not of yourselves; it is the gift of God,

The grace of God is there to help you; not the other way round. That's where many believers fail. The only thing you can do to materialize the grace of God is through prayers, because that's where the power of grace is hidden. If you think you're trying to fight poverty by your knowledge, you're assisting the demons of poverty in you.

Sometimes we see minister's trying to fight poverty in churches by implementing ways to raise funds. Doing so is giving power to the demons of poverty in their churches by turning their ministries to become begging ministries. Is that not a demon of poverty masquerading and manifesting as a begging spirit? That's why many ministers are preaching compromise and doctored gospel to keep evil

donors in their churches. Same applies to other areas of deliverance. You can't help the grace of God in your life. In so doing, you're bowing down into demons.

If you think you're to deliver yourself from porn, lies, rudeness and the like, then you're helping these demons to destroy you. Always remember your holiness is like filthy rugs before the LORD. When the LORD wants to deliver you, He confirms to you as if He has done it already but sometimes it takes a while.

Look at Abrahams story; When the LORD promised to deliver his wife from bareness, He talked as if it had already happened. But it took years for that deliverance to manifest. But when Abraham tried to help the grace of God to deliver him, he ended up landing to Ishmael who is a thorn in the flesh to Abraham descendants to date.

When you reach at the end of the rope tie a note and hung over there. Just like the biblical Job. But you try to get yourself out of it then you're in trouble. Can a mortal be righteous than God?

Job 4:17 'Can a mortal be more righteous than God? Can a man be more pure than his Maker?

God knows the right time to fix things on order. God know the right time to deliver you. We are his workmanship. He is not done with deliverance process in our lives.

Ephesians 2:9-10 not of works, lest anyone should boast. For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand that we should walk in them.

It's by grace not by works. The power of grace is only activated in prayers not your works. Stop helping the grace of God in your life but let the grace of God help you.

KEEP YOUR FAITH

I believe and know that we all have mountains that we are facing, but as Christians we shouldn't let those mountains take control over our lives, our salvations and our faith; never let them be in charge of you.

We have a God who knows us by our names and He knew that we shall all pass through these calamities for us to overcome them at the end. For the bible says he who will endure to the end shall be saved. Why? Because you know He who is in you is greater than the one that is in the world.

You will ask yourself so many questions why me? Why do I have to pass through all these? Why should I wait on this same God who says I will save you yet he is not present at that time?

He understands you better and he wants you and I to trust Him. Despite that which you are facing, that dark thick cloud ahead of you, He is faithful and he

wants you to believe in Him so that He proves to you that indeed He keeps His promises; His word never goes back empty handed.

For the plans he has for you and I are great. In good times and in hard times let's keep pressing on. Let's keep standing firm knowing that he is with us. He is faithful; He alone shall lift you to another greater level. He alone shall open the doors that none thought will be open for you. He is able to do great and mighty things you never thought of. Our God is able to take you through that situation for his Name to be Glorified in your life.

Wait on the LORD: be of good courage, and he shall strengthen thine heart: wait, I say, on the LORD. Psalms 27:14

Psalms 37:7 Rest in the LORD, and wait patiently for him: fret not thyself because of him who prospereth in his way, because of the man who bringeth wicked devices to pass.

Psalms 40:1 I waited patiently for the LORD; and he inclined unto me, and heard my cry.

Psalms 46:10 Be still, and know that I am God: I will be exalted among the heathen, I will be exalted in the earth.

Psalms 55:22 Cast thy burden upon the LORD, and he shall sustain thee: he shall never suffer the righteous to be moved.

Psalms 62:8 Trust in him at all times; ye people, pour out your heart before him: God is a refuge for us.

TROUBLE MAKERS

Are you aware that there are connections of blessings and curses? There are people who when you connect yourself to them you become blessed but there are some when you connect yourself to them you tap a curse from them.

Many believers are prospering but some are cursed because of whom they hang around with. There are people who are cursed from their mother's wombs; who can't run out of troubles. When you connect yourself to them you became part of their troubles. And there are some who are blessed from their mother's womb when you connect yourself to them you become blessed. Let me start by showing the accursed people first then I proceed to the blessed ones.

1 Chronicles 2:7 The son of Carmi was Achar, the troubler of Israel, who transgressed in the accursed thing.

They're called the Achars. These are people who contaminate themselves with evil even after knowing the truth. People who practice lawlessness after being warned many times. These are people who are ready to do anything to benefit themselves even if it takes their faith. Such people are supposed to be avoided by

all cost. Any connection to such people can lead you to extreme sufferings. Even keeping their contacts in your phone is dangerous.

The reason behind this is that most of trouble makers are possessed with thousands of demons; they represent demons on earth. So, wherever you connect yourself to them you're connecting yourself to demons. Anytime you call them or chat to them through social media, keep in mind that you're not chatting to them only but also to demons in them.

That's why there are people whose deals bounces especially deals that are cracked in social media. Or anytime they call or meet some specific people they end up falling in trouble. Remember two cannot walk together unless they agree.

There are calamities we engage ourselves to because of our friends. Show me your friends and I'll predict your future. The bible is very clear about the company to keep and the company not to keep.

Psalm 1:1 Blessed is the man Who walks not in the counsel of the ungodly, Nor stands in the path of sinners, Nor sits in the seat of the scornful;

If you hang around with the above company you're cursed. Trouble makers are also in church. Those believers who got saved long time ago but are not growing. They are always babes even after spending years in salvation; people who come to church as a tradition.

Proverbs 13:20 He who walks with wise men shall become wise but a companion of fools shall be destroyed.

If you're a believer yet you have been trying to be delivered from certain habit or issue of life but in vain. Even after serious confessions and prayers then check your company. If your friend's characters are wanting, that's the reason behind it. Keeping bad company then you expect to be blessed through prayers it's like taking bath then playing will dirt again and again. The demons in them can't allow.

Anytime you hang around with the wicked, demons are transferred to you automatically. That's why most believers are always at status quo. The problem is not your God not answering your prayers, but your company. Some have bad contacts in their phone book and they later use the same phone to ask for jobs, business or favor. If you're do such things forget about it. That phone contact is a legal ground for demons connected to your trouble makers to torment you, because demons are very sharp and they really like to network. Demons are very possessive. When they possess someone, they take control over everything their subjects own. This is just the same to the Holy Spirit. Spiritual laws are the same on both sides; in light and dark side.

This is also true when you're connected to blessed people. There are people whom when you even have their pictures or contacts in your phone or any social platform, you tap blessings and deliverance

There are people when you connect yourself to, you'll just change and be very different.

Genesis 30:27 *And Laban said to him, "Please stay, if I have found favor in your eyes, for I have learned by experience that the LORD has blessed me for your sake."*

We call them Jacobs. These are opposite to Achars. When you connect yourself to them the LORD connects Abrahamic blessing to you.

DREAMDOM

This is the kingdom of dreams. Sometimes we dream but we don't know the source of our dreams. Let me explain how dream works.

1. Emotional Dreams

These are also called egocentric dreams. They're dreams that are based on emotions to satisfy one's ego or feelings. These dreams are deceptive but very powerful. They are normally controlled by a person's soul. They also start from a person's eye.

For example, when you see a beautiful lady or a handsome man, your eyes may lust for them. Then it sends the message to your soul. Your soul will then send the messages to your mind, after which then your mind will start meditating about it; when it matures it will start giving you images at night.

Such images may include seeing you having intimacy with that person or getting married to them. This art is too powerful that it can attract a person who is not concerned to dream the same dream. It can also trap the other person's soul thus forming a soul tie. That may cause the opposite partner to start dreaming the same. It's too tricky. That's why we have to pray against evil soul ties. These types of dreams are also called soulish dreams. This is the type of dream that Amnon David's son dreamt, that led him to rape his sister.

2 Samuel 13:2 *Amnon was so distressed over his sister Tamar that he became sick; for she was a virgin. And it was improper for Amnon to do anything to her.*

I believe that Amnon used to day dream and night dream about Tamar, to the extent of not having self-control. But after the dream materialized, he came to realize that it was just a soulish dream; there was nothing serious about that fake love. Soulish dreams are fake dreams but very tricky to discern.

2. ESP Dreams

ESP means Extra Sensory perceptions dreams. There are people who normally dream dreams that are very true; every time they dream, they see it materialize. Such people always dream self-explanatory dreams; dreams that are too easy to explain, and are most likely coming from their own senses. Not from God not demons but human senses.

Some people are naturally gifted with great senses. Wherever they sense something, it becomes real. The same senses can be transformed into dreams through night visions when they're asleep. These are dreams that are based on perceptions, and can be easily translated by psychists.

3. Godly Dreams

These are dreams that come from God. They are very hard to explain because they need the power of the Holy Spirit to interpret them. There are people who dreamt these dreams in the bible, such as from Potiphar and Nebuchadnezzar. You'll notice that the interpretations to the dreams outsmarted the wise men of this earth. It took the gift of God through the Holy Spirit to interpret them.

Daniel 4:18 "This dream I, King Nebuchadnezzar, have seen. Now you, Belteshazzar, declare its interpretation, since all the wise men of my kingdom are not able to make known to me the interpretation; but you are able, for the Spirit of the Holy God is in you."

Dreams from God are always with a hidden meaning, which takes those who are gifted by the Holy Spirit to interpret them.

ANOINTING AND DEATH

Do you know that an anointed person cannot die? Death is a spirit of darkness that controls the grave. Death is one spirit being that knows everyone and everything that has life. It became powerful over sons of men when Adam fell in sin. One day it'll be cast in the fire of darkness.

Revelation 20:14 Then Death and Hades were cast into the lake of fire. This is the second death.

Someone is asking why is it that anointed man of God still dies yet death can't kill them. Death can never move anywhere closer to the anointing. So, what happens before someone dies he first sees the spirit of death, then death follows. That's according to a natural man. But when a man is anointed, his death becomes different.

An anointed servant of God dies in series. Before an anointed one dies, it starts by withdrawal of the anointing first; so that death can reach him. God allows that to happen because according to spiritual laws, it's only through death that we can reach God. So, what God does is that, He lifts his anointing them give his chosen one to the powers of darkness called death. Unless you go to heaven directly like Elijah and Enoch, you must face death. That's why most anointed men of God end their ministries in confusion; a symbol of spirit of death taking control over their lives.

If you observe very well in the bible, you'll notice that most anointed men of God ended up in confusion. Look at Noah the ark builder and the first messiah; he ended up drunk, stripped naked and cursing his own son.

Genesis 9:21 Then he drank of the wine and was drunk, and became uncovered in his tent.

Genesis 9:25 Then he said: "Cursed be Canaan; a servant of servants he shall be to his brethren."

That's how Noah ended up his ministry; his God given ministry was over and the Lord wanted him back to heaven. The only way God could achieve this was by allowing the spirit of death to take control of him after lifting His anointing.

Let's go to the second greatest patriarch Abraham. Before he died he fell in a relationship with Keturah yet he was more than a hundred years old; is that not confusion? Imagine remarrying in his old age and he was very much aware and experienced the mess of Ishmael the side child.

Genesis 25:1 Abraham again took a wife, and her name was Keturah.

The third patriarch was Moses. We all know what killed Moses. He struck the stone instead of asking it to give him water and God took him away; his last days were full of confusion.

Let's look at JESUS Christ before he died, he prayed and blood gushed out of him instead of sweat. Meaning his anointing was being taken away for the spirit in order for death to reach Him. He ended up praying that if it's the will of God let his life be spared. We see that later on He went as far as thinking that the LORD has forsaken Him.

Matthew 27:46 And about the ninth hour Jesus cried out with a loud voice, saying, "Eli, Eli, lama sabachthani?" that is, "My God, My God, why have You forsaken Me?"

Remember a slave is not greater than his master. If you monitor in these days, you'll notice that before most powerful and anointed men of God die, they end up falling in confusion if not careful. Then after that they die.

Psalms 139:6 Such knowledge is too wonderful for me; It is high, I cannot attain it.

PRE-ADAMIC FLOOD

Are you aware that there was flood before Adam? Do you know that in the LORD destroyed the earth in two floods?

Allow me to correct some believers today. According to the biblical scholars, the earth is six thousand years old, but Science says that the world is billions of years old. I was opposing scientific research even after it proved the existence of cities and fossils that's existed billions of years ago, until I came to these revelations I'm about to share.

Genesis 1:1 In the beginning God created the heavens and the earth.

The above verse shows that the LORD created the heavens and earth in the beginning; in this first creation account the LORD created heavens and earth and the hosts of heavens and earth. Heavens is in plural; the heaven's the Lord created are three heaven's recorded in the bible. The first one was the earthly heaven that has sun, stars and clouds.

Genesis 1:7 Thus God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament; and it was so.

The second one was the heaven that has powers of darkness.

Ephesians 6:12 For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.

And the third heaven is God's dwelling place.

2 Corinthians 12:2 I know a man in Christ who fourteen years ago-- whether in the body I do not know, or whether out of the body I do not know, God knows-- such a one was caught up to the third heaven.

The demonic and God's heavens are planets. They're places just like here on earth. Unlike the earthly heaven that has clouds and stars, the other two heavens are planet's where heavenly beings live and exist.

Genesis 1:2 The earth was without form, and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters.

This is where the drama begun. In the first verse, there was no time; activities that happened there took billions of years. When the second verse came, everything changed. The bible says that the earth was; this complicates everything. It shows that the earth was already in existence and life was there already, but there was voidness and darkness on earth.

And the Spirit of God was hovering in the face of the deep. This means that the water that was on the face of Earth was in form of ice. This water was as a result of God's judgment on earth and destroyed it in floods; so, the earth was flattened by the ice and the Spirit of God was walking on the snow. This shows that there was life on earth before Adam, that the LORD judged.

Job 38:8 "Or who shut in the sea with doors, when it burst forth and issued from the womb;

The above verse shows the revelation Job saw about the first flood that the LORD destroyed the earth with turning into ice.

Job 38:26 to cause it to rain on a land where there is no one, A wilderness in which there is no man;

The above second verse shows the first flood that the LORD brought on earth where human beings were not there but there was a demonic race on earth those days

Jeremiah 4:1 "If you will return, O Israel," says the LORD, "return to Me; and if you will put away your abominations out of My sight, then you shall not be moved.

2Peter 3:57 For this they willfully forget: that by the word of God the heavens were of old, and the earth standing out of water and in the water, by which the world that then existed perished, being flooded with water. But the heavens and the earth which now exist are kept in store by the same word, reserved for fire until the day of judgment and perdition of ungodly men.

ANGELOGY

We talk too much about angels but we don't know how they're classified. Today I want us to learn about angels and their role in spiritual realm. Remember this is not a preaching but a study.

According to the bible there are nine order of angels that are divided in three spheres. These angels working order according to the trinity of God head; the angels that work in the throne of God the father, the son and Holy Spirit.

Sometimes we call wrong angels to attend to us while praying. More so, it's not legal to call angels to attend to us in prayers. Human beings are not allowed to summon angels while praying, and any angel that appear after being summoned by a human being is a demon. The only personality that have power to send angels to us is God in trinity.

Colossians 2:18 Let no one defraud you of your reward, taking delight in false humility and worship of angels, intruding into those things which he has not seen, vainly puffed up by his fleshly mind,

Wherever you pray and command angels without asking the LORD to do it for you, it means you are dealing with demons especially when that prayer is answered. The first sphere of angels is in three types as follows:

THE THRONE OF GOD

1.The Seraphs

This are the highest class of angels that are sometimes called the burning ones or Seraphs. They serve as caretakers in the throne of God. Their duty is praising God.

Isaiah 6:2 Above it stood seraphim; each one had six wings: with two he covered his face, with two he covered his feet, and with two he flew.

Their duty is to shout praises unto the Lord almighty always. That's why praying that you want a Seraph to fight for you it's a vain prayer. Their duty is to praise and take care of the throne.

Isaiah 6:3 And one cried to another and said: "Holy, holy, holy is the LORD of hosts; the whole earth is full of His glory!"

2. Cherubims

Their work is to protect the throne of God the father.

Revelation 4:6 Before the throne there was a sea of glass, like crystal. And in the midst of the throne, and around the throne, were four living creatures full of eyes in front and in back.

They have four faces representing four evangelists. They're are sometimes confused as Seraphs.

Revelation 4:8 And the four living creatures, each having six wings, were full of eyes around and within. And they do not rest day or night, saying: "Holy, holy, holy, Lord God Almighty, Who was and is and is to come!"

They're also the ones that guarded the tree of life in the garden of Eden.

Genesis 3:24 So He drove out the man; and He placed cherubim at the east of the garden of Eden, and a flaming sword which turned every way, to guard the way to the tree of life.

They have four faces symbolizing four evangelists

3. Thrones

They are living symbols of God's judgment and justice. They normally appear with a throne when seen in visions. They're also referred to us God's watchers. They have eyes all around and watches all activities under the sun.

Colossians 1:16 For by Him all things were created that are in heaven and that are on earth, visible and invisible, whether thrones or dominions or principalities or powers. All things were created through Him and for Him.

The person who described them well was Daniel.

Daniel 7:9 "I watched till thrones were put in place, and the Ancient of Days was seated; His garment was white as snow, and the hair of His head was like pure wool. His throne was a fiery flame, its wheels a burning fire;

These types of angels are also called Ophanims. Those are three types of angels that protects the throne of God.

GOVERNORS OF CREATION AND GUIDES OF RULING SPIRITS

They're the ones responsible for climate and all material things that creates nature. They're controllers of nature; the ones who hold and maintain the laws of nature. They're are the force behind nature. They are as follows:

1.Dominions

They are also called Lordships. They regulate the functions and lesser angels. They're very rare to be seen by human beings, but when seen occasionally they appear as handsome young men with a ribbon of light in their heads.

Ephesians 1:21 far above all principality and power and might and dominion, and every name that is named, not only in this age but also in that which is to come.

2.Virtues/Strongholds

These are Angels manifested through signs and miracles done on earth. They're the ones that work with the Holy Spirit on earth; anytime we call upon the power of the Holy Spirit, they're the ones responsible to usher this power unto us.

Ephesians 1:21 far above all principality and power and might and dominion, and every name that is named, not only in this age but also in that which is to come.

if you look at the above verse the term power and might represents these angels.

3.Power and Authority

These the angels that work in the heavens to control cosmos. They make sure a star cannot crush to another star. They're also warriors that arrest and put into detention evil spirits. They manifest themselves as soldiers in full armour, holding spears and shields and wearing helmets. They are the bearers of conscience and keepers of history also.

Ephesians 3:10 to the intent that now the manifold wisdom of God might be made known by the church to the principalities and powers in the heavenly places,

In the book of Genesis 1:7, these angels are assigned their duty. They control the heaven of this Earth.

MINISTRY ANGELS

The last category of angels works down here on earth with us. They walk like as and live like normal human beings. They are heavenly guides, protectors and messengers of human beings. They're as follows:

1. Principalities and Rulers

They protect a group of people and institutions like churches. they're the ones that inspire people with arts, and give people intelligence to produce wealth and discover medicines. They give material wealth to men. They work under supervision of higher angels and they normally appear wearing a crown and carrying a scepter.

Ephesians 3:10 to the intent that now the manifold wisdom of God might be made known by the church to the principalities and powers in the heavenly places,

2. Arch Angels

They're the highest ranked angels. Their duty is assisting all categories of angels when overpowered by forces of darkness. They are the only angels that can contend with Lucifer. The bible only mentions two of them; Michael and Gabriel.

Judges 1:9 Yet Michael the archangel, in contending with the devil, when he disputed about the body of Moses, dared not bring against him a reviling accusation, but said, "The Lord rebuke you!"

Michael is the highest angel of all; making some people confuse him with JESUS. Michael is not JESUS please.

3. Angels

They are the lower order of Angels; they associate themselves too much with activities of men. They appear as common human beings and are sometimes seduced by human beings. Their lifestyles are as of human beings sometimes, because they can sometimes eat just like us.

Genesis 18:2 So he lifted his eyes and looked, and behold, three men were standing by him; and when he saw them, he ran from the tent door to meet them, and bowed himself to the ground,

Genesis 18:8 So he took butter and milk and the calf which he had prepared, and set it before them; and he stood by them under the tree as they ate.

4. Personal Guide Angels

They come from the category of angels, but their duty is to guard and guide individuals that God loves, especially believers.

Psalms 91:11 For He shall give His angels charge over you, To keep you in all your ways.

These are the voice talking in your inner being directing and protecting you also by making right choices in life.

Do you know that unlike human beings, angels cannot multitask? They only know what they were created to do. Angels don't know many things as human beings do. More so, angels can only understand God through us. They can't understand the revelations of God like us because they can't be filled with the Spirit of God. It's only through the Holy Spirit that all living beings can understand God. And this Spirit was given to us through the church.

Ephesians 3:10 to the intent that now the manifold wisdom of God might be made known by the church to the principalities and powers in the heavenly places,

The above verse is telling us that it's through the church that the hidden treasure of God can be unveiled to the principalities and powers who are angels in heavenly places.

MORBIDITY

Morbidity means a sad story; tearful story. Each and every minister of God has a sad story behind their success. Do you know that the morbid story is divinely approved? There is no success in a God given ministry without a morbid story. A slave is not greater than his master. Even Christ passed through a morbidity.

The original meaning of morbidly is passing through unhealthy circumstances in life; situations that can really affect your physical and health. A process that is oblivious of happiness that creates unhealthiness in our bodies and souls. This sometimes creates emotional wounds in situations like divorce, rejection, disappointments, failure and waiting in vain.

The source of these calamities are periods of temptations. The bible is very clear that all things worketh for good to all those who loves God. This means that no matter what a believer is passing through, it is for his or her own good. The LORD sometimes rejoices when we pass through morbidity.

Ecclesiastes 7:2 It is better to go to the house of mourning than to go to the house of feasting, for that is the end of all men; and the living will take it to heart.

When going through hardships, that's when we call upon the name of God; that's where wisdom of God is hidden.

Ecclesiastes 7:4 The heart of the wise is in the house of mourning, but the heart of fools is in the house of mirth.

You serve God in house parties but in uncomfortable spews (wooden benches) in churches. That's why the Lord introduced fasting, so that through suffering from the pangs of hunger we can access Him. Anytime you serve the LORD your God in suffering it's the LORD who have caused it as a seed for your future harvest. The bible is very clear that it the Lord who gives the sower the seed to sow.

2Corinthians 9:10 Now may He who supplies seed to the sower, and bread for food, supply and multiply the seed you have sown and increase the fruits of your righteousness,

No matter what you're going through, if you stand in righteousness, you're doing it for your own good. You'll never be forsaken nor your descendants beg for bread. The moment you give when you're going through financial hardships that is a seed you're planting, given to you by God. In fact, the best moment to give is when you have nothing; like the widow in Elijah's story. The best time to plant a seed of prayer is when you don't feel like praying, because the moment you feel dry that's when you're absolutely wet.

2Corinthians 12:9 And He said to me, "My grace is sufficient for you, for My strength is made perfect in weakness." Therefore, most gladly I will rather boast in my infirmities, that the power of Christ may rest upon me.

When you're feeble and think that you're too weak to pray, to read the word, to give and to testify, that's the right time to plant your seeds of righteousness. When you do so for Christ sake, you'll never regret in future. The bible says that those who sow in sorrows shall reap in joy.

Psalm 126:5 Those who sow in tears Shall reap in joy.

So, stop fretting, whining and complaining. What you're passing through is a seed sowing process. Your situation is not permanent. The fact that you're currently being punished for your past mistakes is not the fact that you'll be punished forever. The fact that your suffering because of wrong choices you made in your past doesn't mean that you'll suffer forever. just keep on planting your seeds of righteousness. That valley of the shadows of rejection, lack, misunderstanding, joblessness and so forth are not your dwelling place; but just a pass by route on your way to greatness.

Psalm 23:4 Yea, though I walk through the valley of the shadow of death, I will fear no evil; For You are with me; Your rod and Your staff, they comfort me.

Valleys of shadows are there, but the bible is telling me that these valleys are just roads that you must use to cross over to your destiny. A time is now that instead of crying for financial breakthrough go and plant a seed with the little that you have. Instead of complaining of your marital status, kneel down and surrender it unto the Lord almighty. Don't fight battles that you have been fighting for years surrender them unto the Lord so that He fight them for you. Do it by going against the demonic whispers of defeat in your inner ears; go against the wind. Stop ashaming your father in heaven by advertising to pagans the way you're broke.

The bible says that we will lend and not borrow; stand with that. Remember a man shall not live by bread alone but by every word that proceed from God. live by the word and not by your situations. Sometimes we expose our father so much believers. Why are we ashaming our family of Christianity by exposing our challenges to non-believers?

So, what we're passing through it's not demonic, magic or a curse, but it's a seed; plant it. Evil cannot be paid by evil in any way, but by good. So wherever there is hatred, plant a seed of love. Where there's lack, plant a seed of giving. Wherever there is sadness, plant a seed of joy. By doing so your harvest time will be bounty.

POWER OF STILLNESS

Sometimes when you have tried everything and things seems to be stuck, you have to apply stillness. When you're surrounded with debts and you don't see any breakthrough ahead, apply this weapon. Stillness is one of the greatest spiritual weapons that most believers don't know about.

When your crooked boss is manipulating you, while you have tried everything to appease him but in vain, please don't waste your time to go for a fast but be still. When your finances are not enough for your bills, apply stillness by buying the most expensive food with it and wait for the Lord.

The opposite of stillness is panic. When panic comes your way, it means the devil has taken control. Be still and this demon called panic will see you through the window but it can't enter through your door; and you'll see the salvation of God.

Psalm 46:10 Be still, and know that I am God; I will be exalted among the nations, I will be exalted in the earth!

This means that when the push is coming to the shove, that's where the Lord wants to exalt Himself through you. So, count it a blessing when you're stuck, because that's when you're close to see the Lord face to face. Worry less when everyone and everything seems to go against you; it's when the Lord wants to go your direction. But sometimes we panic too much that we do chase out miracles away. A time has come that you don't have to rebuke that debt, rejection, crooked boss, wicked relative, but apply stillness. Do you know that God operates very well in stillness especially when we are in calamity?

1Kings 19:12 and after the earthquake a fire, but the LORD was not in the fire; and after the fire a still small voice.

Sometimes the Lord doesn't operate in earthquakes, tremors and fire but in stillness. Let's not declare warfare everywhere. Sometimes let the stillness philosophy prevail. In your marriage be still, in your finances be still, in your relationship be still. It is said he who builds in stillness will have no enemy to fight him. The more you shout and panic the more you expose your life to enemies. The power to get you out of that cave of poverty, lack and oppression will not come out of panic but stillness.

Matthew 6:34 "Therefore do not worry about tomorrow, for tomorrow will worry about its own things. Sufficient for the day is its own trouble.

Matthew 6:31 "Therefore do not worry, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?'
